# WARRANTS/MINUTES/ELECTIONS

## Special Town Meeting Warrant

April 5, 1997

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

### GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Saturday, the Fifth Day of April, 1997, at 8:00 AM, to act on the following articles to wit:

**ARTICLE 1:** To see if the Town will vote to endorse a wastewater treatment facilities plan to be submitted as the Town's recommended plan in the Final Phase IIIB Facilities Plan and Final Environmental Impact Report which the Town is required to submit to the Secretary of Environmental Affairs on or before May 1, 1997 in accordance with the requirements of the final judgment entered in Suffolk Superior Court, Civil Action No. 87-2185, Commonwealth of Massachusetts v. Town of Plymouth, to take any other action relative thereto.

BOARD OF SELECTMEN

**ARTICLE 2:** To see if the Town will vote to appropriate a sum of money for acquiring land for and construction of wastewater treatment and disposal facilities; to determine whether this appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto.

BOARD OF SELECTMEN

**ARTICLE 3:** To see if the Town will vote to authorize the Board of Selectmen to enter into a contract in excess of five years for the design and construction of, and for services at wastewater treatment and disposal facilities, in accordance with MGL, Chapter 30B, Section 1(e); and to further instruct the Board of Selectmen to file a Home Rule Petition in the General Court for special legislation in order to carry out the purposes of this article; or take any other action relative thereto.

BOARD OF SELECTMEN

**ARTICLE 4:** To see if the Town will vote to appropriate and transfer from the Sewer Enterprise Fund or any other available funds, the sum of \$285,000, more or less, for the purpose of paying civil administrative penalties and stipulated penalties for which the Town may be liable under the final judgment entered in Commonwealth of Massachusetts vs. Town of Plymouth, Suffolk Superior Court C.A. No 87-2185, in the event that the Town fails to submit the required Final Phase IIIB Facilities Plan and Final Environmental Impact Report to the Secretary

of Environmental Affairs by May 1, 1997, or take any other action relative thereto.  
**BOARD OF SELECTMEN**

**ARTICLE 5:** To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein, or take any other action relative thereto.

**PERSONNEL BOARD**

**ARTICLE 6:** To see if the Town will vote to raise and appropriate or transfer a sum of money to be added to funds already appropriated under Article 7 of the 1996 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 7:** To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money for the construction and/or repair and/or purchase and/or lease of new or existing town property and/or for feasibility and other types of studies as follows:

- A. Purchase a Recycling Truck
- B. Purchase Recreation Facility Master Planning
- C. Wastewater Engineering Services

or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 8:** To see if the Town will vote to raise and appropriate or transfer a sum of money for the purpose of financing the following water pollution abatement facility projects: repair, replacement and/or upgrade of septic systems, pursuant to agreements with the Board of Health and residential property owners, including without limitation all costs thereof as defined in MGL Chapter 29C, Section 11 of Chapter 29C; to determine whether this appropriation shall be raised by borrowing from the Massachusetts Water Pollution Abatement Trust or otherwise, or take any other action relative thereto.

**BOARD OF HEALTH**

**ARTICLE 9:** To see if the Town will vote to appropriate a sum of money for acquiring land for and construction and/or reconstruction of wastewater treatment and disposal facilities; to determine whether this appropriation shall be by borrowing or otherwise, or take any other action relative thereto.

BY PETITION: JAN RUSHFORTH, et al.

**ARTICLE 10:** To see if the Town will vote to amend the Zoning Bylaw Section 102, Definitions, to redefine the phrase "Elderly Household," as well as associated definitions and sections, or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 11:** To see if the Town will vote to amend the Zoning Bylaw, Section 400.02 by amending the official zoning map #1, Plymouth quadrant, and described as the land lying on the north side of Samoset Street (Route 44), west of Route 3, and shown as Lots 23 and 24A on Assessors Map 101, from R20 (residential) to LI (light industrial), or take any other action relative thereto.

**DEPARTMENT OF PLANNING AND DEVELOPMENT OFFICE OF ECONOMIC DEVELOPMENT**

**ARTICLE 12:** To see if the Town will vote to amend the Plymouth Bylaws, Article 5.16 Snow Removal to prohibit the throwing of snow and/or ice into a street or onto a sidewalk, to impose fines therefore and, further, to prohibit any person from allowing water or other liquid to run from person's house or lot onto any street of the town, or take any other action relative thereto.

**DEPARTMENT OF PUBLIC WORKS**

**ARTICLE 13:** To see if the Town will vote to change the authority for awarding all contracts for school building design, construction and related activities from the Permanent School Building Committee to the Town Manager, or take any other action relative thereto.

**BOARD OF SELECTMEN**

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notice thereof fourteen days at least before such meeting in the Town Office Building and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the Eighteenth Day of March, 1997.

Approved as to Legal Form and Content

**BOARD OF SELECTMEN**

**TOWN COUNSEL**

LINDA C. TEAGAN, Chairman  
ROGER E. SILVA, Vice Chairman  
BRIAN ALOSI  
JEFFREY METCALFE  
EUGENE T. LANE

Plymouth, s.s.

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth, qualified to vote in elections and Town affairs, to meet in said Plymouth on Saturday, the Fifth Day of April, 1997, at 8:00 AM, at the Plymouth North High School, by posting copies of this warrant in the Town Office Building.

Signature TOWN CLERK

LOCATION

DATE & TIME POSTED

Upon call from the Town Clerk, Precinct 11 Town Meeting Members met in the auditorium of Plymouth North High School at 7:50 A.M. on 5 April 1997. Present were Russell Shirley, Bruce G. Allen, George W. Parker, Janet Young, Mark Landers, and Edward C. Ryan. Also present were the Town Clerk, Laurence Pizer, and Frederick Steiermann. Janet Young nominated Frederick Steiermann. Mark Landers seconded the nomination. Frederick Steiermann was elected unanimously to fill the unexpired term of Carolyn Collins. Russell Shirley moved to adjourn. The motion PASSED at 7:52 A.M.

Upon call from the Town Clerk, Precinct 13 Town Meeting Members met in the auditorium of Plymouth North High School at 7:15 P.M. on 7 April 1997. Present were William Burke, and Dorothy Barnes. Also present were the Town Clerk, Laurence Pizer, and Cathleen Kingsbury. William Burke nominated Cathleen Kingsbury. Cathleen Kingsbury was elected unanimously to fill the unexpired term of Steven Grattan. The meeting adjourned at 7:16 P.M.

## **Special Town Meeting**

**April 5, 1997**

The Clerk having certified a quorum at the Annual Town Meeting of 5 April 1997, the Moderator, Mr. Triffletti, called the Special Town Meeting to order at 9:12 A.M. He accepted service of the warrant and accepted unanimous approval to waive reading of the warrant.

**ARTICLE 1:** Mr. Sanguinet moved that the Town vote to endorse a wastewater treatment facilities plan identified as alternative one in the Town's notice of project change dated February 27, 1997, to be submitted as the Town's recommended plan in the Final Phase IIIB Facilities Plan and Final Environmental Impact Report which the Town is required to submit to the Secretary of Environmental Affairs on or before May 1, 1997 in accordance with the requirements of the final judgement entered in Suffolk Superior Court, Civil Action No. 87-2185, Commonwealth of Massachusetts v. Town of Plymouth.

The Moderator called a recess at 10:03 A.M.  
Town Meeting returned to order at 10:18 A.M.

Mr. Sanguinet moved that adjourned sessions of this Town Meeting be held on April 7, 8, 9, 10, 14, 15, 16, and 17, 1997 at 7:30 p.m. at Plymouth North High School.

Mr. Roger Silva questioned the quorum. A count showed that 74 members were present, so the quorum was met.

Mr. Sanguinet's motion was held for later consideration.

Ms. Enos moved to amend the main motion by substituting alternative nine for alternative one.

Mr. Parker moved to allow Mr. Withington to speak an additional five minutes. The motion PASSED.

The Moderator called a recess for lunch at 12:20 P.M.

Town Meeting returned to order at 1:20 P.M.

Mr. Sanguinet moved that adjourned sessions of this Town Meeting be held on April 7, 8, 9, 10, 14, 15, 16, and 17, 1997 at 7:30 p.m. at Plymouth North High School. The motion PASSED.

Mr. Sanguinet moved that this session adjourn no later than 3:20 P.M. The motion PASSED.

Mr. Motta moved the previous question on Mrs. Enos's amendment. The motion PASSED.

Ms. Enos moved to fix the method of voting by roll call vote. The motion PASSED.

On Ms. Enos's amendment, 40 voted in favor, 47 in opposition, 1 abstention, the motion FAILED.

Ms. Wallace moved the previous question on the main motion. The motion PASSED.

Mr. Beauregard moved to fix the method of voting by roll call. His motion passed with 58 in favor, 27 opposed, and one abstention.

On Article 1, the motion PASSED with 63 voting in favor, 23 opposed, and 1 abstention.

**ARTICLE 2:** Mr. Sanguinet moved that the Town vote to appropriate \$36,500,000 for acquiring land for and construction of wastewater treatment and disposal facilities as described in the vote under Article 1 of this Special Town Meeting, including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$36,500,000 and issue bonds

or notes therefor under Section 7(1) of Chapter 44 of the General Laws and/or Chapter 29C of the General Laws; that the Treasurer with the approval of the Selectmen is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and in connection therewith to enter into a loan agreement and/or security agreement with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the project or for the financing thereof; and that the Board of Selectmen is authorized to enter into a project regulatory agreement with the Department of Environmental Protection to expend all funds available for the project and to take any other action necessary to carry out the project.

Mr. Brewster moved the previous question. The motion PASSED.

On the main motion, the motion PASSED with 73 voting in favor, 13 opposed, and one abstention, a margin greater than 2/3.

**ARTICLE 3:** Mrs. Teagan moved that the Town vote to instruct the Board of Selectmen to file a Home Rule Petition in the General Court for special legislation entitled "AN ACT authorizing the Town of Plymouth to enter into contracts for the operation and maintenance, lease or sale and modification of the wastewater treatment plant, sewer, and pump stations" substantially in the form as presented in the handout to Town Meeting Members included in the Special Town Meeting informational packet dated April 5, 1997.

Mrs. Teagan agreed to incorporate the following: Revise Section 4 of the proposed Special Act, second to last sentence to read as follows:

Subject to the approval of the Board of Selectmen, and with respect to any contract in excess of five years, the authorization of Town Meeting, the Town Manager shall award the contract by written notice to the selected offeror within the time for acceptance specified in the request for proposals.

Mr. Fava moved the previous question. The motion PASSED.

The motion FAILED with 38 in favor, 42 in opposition, and two abstentions. [See reconsideration on April 7, 1997.]

Mr. Sanguinet moved to adjourn at 3:18 P.M. until Monday, April 7, 1997 at 7:30 P.M. at Plymouth North High School. The motion PASSED.

# Special Town Meeting

## April 5, 1997

### Adjourned Session of April 7, 1996

The Moderator opened the meeting at 7:30 P.M. At 7:35 P.M. Town Clerk, Laurence Pizer, certified a quorum and the Moderator called the meeting to order.

Mr. George Parker moved to reconsider Mr. Sanguinet's motion relative to adjourned meetings. The motion PASSED.

Mr. Sanguinet moved to eliminate the Thursday, April 10, 1997 meeting. The motion PASSED.

**ARTICLE 4:** Mr. Sanguinet moved that the Town vote to appropriate and transfer from the Sewer Enterprise Fund Free Cash the sum of \$285,000 for the purpose of paying civil administrative penalties and stipulated penalties for which the Town may be liable under the final judgement entered in Commonwealth of Massachusetts vs. Town of Plymouth, Suffolk Superior Court C.A. No 87-2185, in the event that the Town fails to submit the required Final Phase IIIB Facilities Plan and Final Environmental Impact Report to the Secretary of Environmental Affairs by May 1, 1997, said funds to be expended under the supervision of the Town Manager.

Mr. Motta moved the previous question. The motion PASSED.  
On Article 4, the motion PASSED.

Mr. Morrison moved to reconsider Article 3. The motion PASSED.

Mr. Motta moved the previous question. The motion PASSED,

Mr. Beauregard moved to fix the method of voting by roll call. The motion PASSED.

The motion PASSED with 47 voting in favor, 41 in opposition and 1 abstention.

**ARTICLE 5:** Mr. Sanguinet moved that the Town vote to amend the Classification and Compensation Plans and incorporate by reference the Collective Bargaining Agreement approved by the Board of Selectmen and representatives of

## ARTICLE 7:

A. Mr. Sanguinet moves that the Town vote to transfer the sum of \$3,000 from the Waste Collection and Disposal budget, Purchase of Services, \$2,000 from the Waste Collection and Disposal budget, Supplies, \$12,000 from the Fund Balance Reserved for Capital Expenditures and \$3,000 from the Recycling Gift Account for the purchase of a recycling truck, said funds to be expended under the supervision of the Town Manager.

B. Mr. Sanguinet moves that the Town vote to transfer the sum of \$14,500 from the Fund Balance Reserved for Capital Expenditures for the Recreation Master Plan, said funds to be expended under the supervision of the Town Manager.

C. Mr. Sanguinet moves that the Town vote to transfer the sum of \$100,000 from the Sewer Enterprise Fund Free Cash for purchase of Engineering Services for the Wastewater facility, said funds to be expended under the supervision of the Town Manager.

Mr. George Parker asked to consider the items separately. There were no objections.

On A, the motion PASSED.

On B, the motion PASSED.

On C, the motion PASSED.

**ARTICLE 8:** Mr. Sanguinet moved that \$200,000 be appropriated for the purpose of financing the following water pollution abatement facility projects: repair, replacement and/or upgrade of septic systems, pursuant to agreements with the Board of Health and residential property owners; including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation the Treasurer with the approval of the Board of Selectmen is authorized to borrow \$200,000 and issue bonds or notes therefor under G.L. c.111, §127B1/2 and/or Chapter 29C of the General Laws; that project and financing costs shall be repaid by the property owners, in accordance with those agreements, but such bonds or notes shall be general obligations of the Town; that the Treasurer with the approval of the Board of Selectmen is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and in connection therewith to enter into a loan agreement and/or security agreement with the Trust and otherwise contract with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for

the projects or for the financing thereof; and that the Town Manager is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the projects and to take any other action necessary to carry out the projects.

The motion PASSED unanimously.

**ARTICLE 9:** Town Meeting took no action.

**ARTICLE 10:** Town Meeting took no action.

**ARTICLE 11:** Town Meeting took no action.

**ARTICLE 12:** Town Meeting took no action.

**ARTICLE 13:** Town Meeting took no action.

Mr. Sanguinet moved to dissolve Special Town Meeting at 9:43 P.M. The motion PASSED.

# 1997 Annual Town Meeting Warrant

## April 5, 1997

To the Town Clerk of the Town of Plymouth, Commonwealth of Massachusetts:

### GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the inhabitants of Plymouth qualified to vote in elections, to meet in:

Precinct 1	Hedge School
Precinct 2	Cold Spring School
Precinct 3	Town Hall
Precinct 4	Plymouth North High School
Precinct 5	Plymouth Community Intermediate School
Precinct 6	Manomet Elementary School
Precinct 7	Indian Brook School
Precinct 8	Cedarville Fire Station
Precinct 9	South Elementary School
Precinct 10	Federal Furnace School
Precinct 11	Plymouth Airport
Precinct 12	Plymouth South High School
Precinct 13	West Elementary School

in said Plymouth on Saturday, the Tenth Day of May, 1997, between the hours of Eight O'Clock in the forenoon and Eight O'Clock in the afternoon, to act on the following articles to wit:

**ARTICLE 1:** To choose all necessary Town Officers, the following to be voted for all on one ballot, viz.: One Selectmen for three years; Three members of the Plymouth School Committee for three years; one member of the Planning Board for five years; one member of the Housing Authority for five years and also a total of Forty (40) Town Meeting Members: Three (3) members from each precinct for a term of three years, and one member from Precinct 5 for a term of two years.

AND

to vote on the following question:

### “QUESTION

Shall the Town vote to approve Chapter 28 of the Acts of 1996, enacted pursuant to the petition of Town Meeting, by its vote on Article 14 of the April 6, 1996 Special Town Meeting, which provides as follows:

Chapter 3 of the Charter of the Town of Plymouth, which is on file in the Office of the Archivist of the Commonwealth as provided in Section 12 of Chapter 43B of the Massachusetts General Laws, is hereby amended by adding the following section:

### Section 7 Board of Health

3-7-1 A Board of Health of five members shall be appointed by the Board of Selectmen for three year overlapping terms.

3-7-2 The Board shall exercise such powers and duties as prescribed by the General Laws, this charter and bylaw, subject to the approval by the voters of the Town of Plymouth.

Yes \_\_\_\_\_ No \_\_\_\_\_?"

Further, and in the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth qualified to consider and vote on articles at the Annual Business Meeting of the Town of Plymouth to meet in the Plymouth North High School on Saturday, the Fifth Day of April, 1997, at 8:00AM to act on the following articles to wit:

**ARTICLE 2:** To hear the reports of the several Boards and Officers and Committees of the Town thereon.

**ARTICLE 3:** To see what action the Town will take under the provisions of MGL Chapter 44, Section 53E 1/2 regarding the establishment and annual re-authorization of revolving funds.

### BOARD OF SELECTMEN

or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 10:** To see if the Town will vote to raise and appropriate or transfer a sum of money to the Town's Unemployment Compensation Fund, or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 11:** To see if the Town will vote to raise and appropriate or transfer a sum of money to fund a household hazardous waste collection day or other activity, or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 12:** To see if the Town will vote to raise and appropriate or transfer a sum of money to be expended under the direction of the Town Manager for the purpose of procuring social services to Plymouth residents, or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 13:** To see if the Town will vote to raise and appropriate or transfer sum of money for the purpose of providing Senior Citizen Real Estate Tax Vouchers for services rendered or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 14:** To see if the Town will vote to appropriate a sum of money from available funds as the state's share of the cost of work under Chapter 90, Section 34 (2a) of the Massachusetts General Laws, or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 15:** To see if the Town will vote to authorize the Board of Selectmen to sell certain parcels of town-owned land, or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 16:** To see if the Town will vote to authorize the Board of Selectmen to acquire by gift, purchase or eminent domain taking pursuant to MGL Chapter 79 from owners of certain parcels of land along the Route 3A - Stage B Reconstruction Corridor for highway purposes, and further to raise and

appropriate or transfer a sum of money as may be required for the purchase or taking of the aforesaid interests in land, or take any other action relative thereto.

#### BOARD OF SELECTMEN

**ARTICLE 17:** To see if the Town will vote to authorize the Board of Selectmen to acquire by gift or purchase certain parcels of land or to change the custody of land currently owned by the Town and further to raise and appropriate or transfer a sum of money as may be required to purchase the aforesaid interests in land, or take any other action relative thereto.

#### LAND USE AND ACQUISITION COMMITTEE

**ARTICLE 18:** To see if the Town will vote to raise and appropriate \$3,000 to the Womansplace Crisis Center in lieu of sexual assault services provided.

BY PETITION: JANET MULLIN-SAUCEDO, et al.

**ARTICLE 19:** To see if the Town will vote to amend the Zoning Bylaw and Zoning Maps #1 and 2 by changing the District designation, and/or the uses provided for therein, of certain properties located in the vicinity of Obery Street and shown on Assessors' Maps 25, 26, and 27, and/or define uses accessory to agriculture in all districts, or take any other action relative thereto.

#### PLANNING BOARD

**ARTICLE 20:** To see if the Town will vote to amend the Zoning Bylaw and Zoning Map #1 (Plymouth, Wareham, and Sagamore quadrants) to zone as Rural Residential (RR) land known as Myles Standish State Forest and shown on Assessors' Map 133, or take any other action relative thereto.

#### PLANNING BOARD

**ARTICLE 21:** To see if the Town will vote to amend the Zoning Bylaw Section 304 STREET CLASSIFICATION AND RELATED STANDARDS and Table #4 as well as associated sections, definitions, tables, and procedures to define the required width and frontage for lots located on Major Streets having certain road grades, or to take any other action relative thereto.

#### PLANNING BOARD

**ARTICLE 22:** To see if the Town will vote to amend the Zoning Bylaw to establish a Dark Sky Section as well as associated sections, definitions, tables, and procedures to adopt language to create standards for outdoor lights which will reduce light pollution and conserve energy while increasing nighttime safety, utility, security, and productivity, or take any other action relative thereto.

#### PLANNING BOARD

**ARTICLE 23:** To see if the Town will vote to amend the Zoning Bylaw Section 401.14, "Industrial" and other associated sections, to further define the locations of restaurants and types of restaurants provided for within the Industrial District,

or take any other action relative thereto.

DEPARTMENT OF PLANNING AND DEVELOPMENT OFFICE OF ECONOMIC DEVELOPMENT

**ARTICLE 24:** To see if the Town will vote to amend its zoning bylaw so as to change the designation of lots 43A and 43B on Assessors Map #27 from residential to neighborhood commercial, or take any other action relative thereto.

BY PETITION: NANCY CAPOZUCCA, et al.

**ARTICLE 25:** To see if the Town will vote to amend Section 307.02 of the zoning bylaw (non-conforming lots), or take any other action relative thereto.

BY PETITION: WILLIAM SHAW, et al.

**ARTICLE 26:** To see if the Town will vote to amend Sections 401.04, 401.05, and 401.19 of the zoning bylaw in order to make "Recreational Development" a special permit use subject to environmental design review in the R-25 and the R-40 districts, or take any other action relative thereto.

BY PETITION: WILLIAM SHAW, et al.

**ARTICLE 27:** To see if the Town will vote to amend its bylaws to prohibit skateboarding, roller blading and bicycle riding within designated areas during special events, or take any other action relative thereto.

DEPARTMENT OF PLANNING AND DEVELOPMENT OFFICE OF ECONOMIC DEVELOPMENT

**ARTICLE 28:** To see if the Town will vote to amend the Town of Plymouth Bylaws, Article 10 - "Regulations Pertaining to Ponds," Section 10.3 - "Headway Speed - Regulations" as it relates to the time prescribed therein by inserting after the words "headway speed" the following:

"with the exception of Great Sandy Pond (Big Sandy Pond). On this Great Pond, motor boats are restricted to headway speed between the hours of 7:30PM and 9AM seven days a week," or take any other action relative thereto.

BY PETITION: CARMEN A. WALKER, et al.

**ARTICLE 29:** To see if the Town will authorize the Board of Selectmen to petition the Great and General Court of the Commonwealth to enact legislation to amend the Plymouth Charter as it relates to the timing of referenda elections, the full text of which is on file with the Town Clerk's office, or take any other action relative thereto.

TOWN CLERK

**ARTICLE 30:** To see if the Town will vote to accept and allow as Town Ways the following streets or portions thereof as laid out by the Board of Selectmen and reported to the Town, make an appropriation for the payment of expenses of

acquiring title, and for the payment of damages, where necessary, and for such other incidental legal expenses:

Evelyn Road - layout entire length;  
Strawberry Hill Road - layout entire length;  
Wildcat Lane - layout entire length;  
Justine Avenue - layout entire length;  
Dorothy Drive - layout entire length;  
Nancy Drive - layout entire length;  
Christa A. McAuliffe Boulevard - layout a portion thereof;  
Lady Slipper Drive - layout entire length;  
Little Pine Lane - layout entire length;  
Candlewood Drive - layout entire length;  
Stagecoach Circle - layout entire length;

or take any other action relative thereto.

#### DEPARTMENT OF PUBLIC WORKS ENGINEERING DIVISION

**ARTICLE 31:** To see if the Town will vote add to applicable town bylaws the following qualifications for contractor and sub-contractors who wish to bid on publicly funded Plymouth construction projects.

A. All bidders and all subcontractors under the bidder for projects subject to M.G.L. c. 149, 44A(2) shall, as a condition for bidding, agree in writing that they shall comply with the following obligations:

1. The bidder and all subcontractors under the bidder shall comply with worker hours requirements of 2.66.060(A).
2. The bidder and all subcontractors under the bidder must comply with the obligations established under M.G.L. c. 149 to pay the appropriate lawful prevailing wage rates to their employees.
3. The bidder and all subcontractors under the bidder must maintain or participate in a bona fide apprentice training program as defined by c. 23, 11H and 11I for each apprenticeable trade or occupation represented in their workforce that is approved by the Division of Apprentice Training of the Department of Labor and Industries and must abide by the apprentice to journeymen ratio for each trade prescribed therein in the performance of the contract.
4. The bidder and all subcontractors under the bidder must furnish, at their expense, hospitalization and medical benefits for all their employees employed on the project and/or coverage at least comparable in value to the hospitalization and medical benefits provided by the health and welfare plans in the applicable craft recognized by M.G.L. c. 149, 26 in establishing minimum wage rates.
5. The bidder and all subcontractors under the bidder must maintain appropriate industrial accident insurance coverage for all the employees employed on the project in accordance with M.G.L. c. 152.

6. The bidder and all subcontractors under the bidder must properly classify employees as employees rather than independent contractors and treat them accordingly for purposes of Workers' Compensation Insurance Coverage, Unemployment Taxes, Social Security Taxes and Income Tax Withholding. M.G.L. c. 149, 148B.

B. All bidders and subcontractors under the bidder who are awarded or who otherwise obtain contracts on projects subject to M.G.L. c. 149, 44A(2) shall comply with the obligations numbered 1 through 6 as set forth in Paragraph A above for the entire duration of their work on the project, and an officer of each such bidder or subcontractor under the bidder shall certify under oath and in writing on a weekly basis that they are in compliance with such obligations.

C. Any bidder or subcontractor under the bidder who fails to comply with any one of obligations 1 through 6 as set forth in Paragraph A above for any period of time shall be, at the sole discretion of the town manager, subject to one or more of the following actions: (1) cessation of work on the project until compliance is obtained; (2) withholding of payment due under any contract or subcontract until compliance is obtained; (3) permanent removal from any further work on the project; (4) Liquidated damages payable to the city in the amount of 5% of the dollar value of the contract.

D. In addition to the sanctions outlined in Paragraph C above, a general bidder or contractor shall be equally liable for the violations of its subcontractor with the exception of violations arising from work performed pursuant to subcontractors that are subject to M.G.L. c. 149, 44F. Any contractor or subcontractor who has been determined to have violated any of the obligations set forth in Paragraphs A and B above shall be barred from performing any work on any future projects for six months for a first violation, for three years for a second violation, and permanently for a third violation.

E. The provisions of this section shall not apply to construction projects for which the low general bid was less than \$100,000 or to work performed pursuant to subcontractors that are subject to M.G.L. c. 149, 44F and that were bid for less than \$25,000, or to re-bids for construction projects for which the city receives fewer than three (3) qualified general contract bidders in the original bid.

F. If any provision of this ordinance, or the application of such provision to any person or circumstances, shall be enjoined or held to be invalid, the remaining provisions of this ordinance, or the application of such provisions to persons or circumstances, other than that which is enjoined or held invalid shall not be affected thereby, or take any other action relative thereto.

BY PETITION: DAVID F. BARBEIRI, et al

**ARTICLE 32:** To see what action the Town will take to raise and appropriate or

transfer from available funds, to the Stabilization Fund, as authorized by the provisions of Section 5B of Chapter 40 of the Massachusetts General Laws, as amended, or take any other action relative thereto.

**BOARD OF SELECTMEN**

And you are hereby required to serve this Warrant in the manner prescribed by vote of the Town by posting notices thereof, seven days at least before the meeting, in the Town Office Building and make return thereof with your doings thereof at the time and place above-mentioned.

Given under our hands this the Eighteenth day of March, 1997.

Approved as to Legal Form and Content

## Annual Town Meeting

### April 5, 1997

The Moderator, F. Steven Trifletti, opened the meeting at 8:00 A.M., on Saturday, 5 April 1997 at Plymouth North High School. The Plymouth Boy Scout Troop 47 presented the colors, and Andrew Chute, Eagle Scout led the pledge of allegiance. Cold Spring Elementary School Chorus sang the National Anthem. The Reverend Edward Bernard of Faunce Memorial Church offered the invocation.

Town Clerk, Laurence R. Pizer, read the list of deceased town workers and committee members.

The following Town employees received recognition for twenty-five years of service: Leo F. Cushman and Richard Moore.

The following School Department employees received recognition for twenty-five years of service: Lillian M. Brenner, Joseph A. Diachun, Diane Finn, Jane C. Goodwin, Thelma L. Trask, Beverly Corbett-Bonvie, Edward L. Hardy, Alice L. Jones, Arlene Wendy Longo, and Henry A. Rondelli.

Senator Therese Murray spoke on the state of the state and its relation to town finances. Representatives Thomas O'Brien and Joseph Gallitano spoke on the same subject.

The Clerk certified a quorum at 8:21 A.M. The Moderator called the meeting to order.

Adele Manfredi, Chair of the Plymouth School Committee spoke on the state of the school system followed by Linda Teagan, Chair of the Board of Selectmen, who spoke on the state of the Town. John Sanguinet made a short presentation on behalf of the Advisory and Finance Committee.

The Moderator found the Call to Meeting to be in order and with permission of Town Meeting Members dispensed with the reading of the warrant.

Mr. Sanguinet moved that on all matters to come before the special and annual town meetings requiring a two-thirds vote by statute a count need not be taken unless the vote so declared is immediately questioned by seven or more members. The motion PASSED by a 2/3 margin.

Mr. George Parker moved to change the order of articles by taking Article 2 of the Annual Town Meeting at 7:30 P.M., Wednesday, April 9, 1997.

Mr. Sanguinet moved to recess the Annual Town Meeting until the Special Town Meeting is dissolved. The motion PASSED at 9:12 A.M.

# **Annual Town Meeting**

**April 5, 1997**

**Adjourned Session of April 7, 1996**

Following the dissolution of the Special Town Meeting, the Moderator returned the Annual Town Meeting to order at 9:43 P.M.

**ARTICLE 3:** Mr. Sanguinet moved that the Town vote to continue the following revolving funds for Fiscal 1998 as established under Article 19 of the April 6, 1991 Special Town Meeting:

- a) The Manomet Village Parking Revenue Revolving Fund
- b) The Cedarville Village Parking Revenue Revolving Fund
- c) The West Plymouth Village Parking Revenue Revolving Fund
- d) The North Plymouth Village Parking Revenue Revolving Fund
- e) The Plymouth Center Village Parking Revenue Revolving Fund

1) These five funds shall be for the programs and purposes identified in Section 305.12 of the Plymouth Zoning By-law. Said departmental receipts shall be deposited to the appropriate revolving fund relative to the Village Center for which the funds have been collected.

2) The Board of Selectmen shall be empowered with the authorization to make expenditures from the funds so established.

3) The limit of expenditures authorized for Fiscal Year 1998 shall not exceed \$1.00 from any parking fund so established.

and further,

Mr. Sanguinet moves that the Town vote to continue the Recreation Revenue Revolving Fund for Fiscal 1998, as established under Article 3 of the April 4, 1992 Annual Town Meeting.

1) This fund shall be for recreational programs and purposes for Plymouth residents and their children.

2) The departmental receipts credited to this fund shall be those identified as relating to recreational programs.

3) The Recreation Director shall be empowered with the authorization to make expenditures from the fund.

4) The limit of expenditure authorized for Fiscal Year 1998 shall not exceed \$75,000.00.

and further,

Mr. Sanguinet moved that the Town vote to continue the Cable Services Revenue Revolving Fund for Fiscal Year 1998, as established under Article 3 of the April 3, 1993 Annual Town Meeting.

- 1) This fund shall be for cable-related programs and purposes for Plymouth residents.
- 2) The departmental receipts credited to this fund shall be those identified as arising from cable-related franchise fees.
- 3) The Town Manager shall be empowered with the authorization to make expenditures from the fund.
- 4) The limit of expenditure authorized for Fiscal 1998 shall not exceed \$1.00.

and further,

Mr. Sanguinet moves that the Town vote to continue the Vocational/Technical Studies Program Revolving Fund for Fiscal 1998 as established under Article 2 of the 1994 Annual Town Meeting.

- 1) This fund shall be for Vocational/Technical Studies programs and purposes related to
  - a) Automotive
  - b) CAD/CAM
  - c) Carpentry
  - d) Child Care
  - e) Computer Science
  - f) Cosmetology
  - g) Culinary Arts
  - h) Distributive Education
  - i) Electrical
  - j) Electronics
  - k) Graphic Arts
  - l) Metals/Welding
  - m) Plumbing
- 2) The Plymouth School Committee and/or the Superintendent of Schools shall be empowered to make expenditures from said fund.
- 3) The departmental receipts credited to this fund shall be those identified as arising from the Vocational/Educational Studies Programs enumerated above.

4) The limit of expenditures for Fiscal 1998 shall not exceed \$200,000.00.

and further,

Mr. Sanguinet moved that the Town vote to continue the Plymouth Beach Revolving Fund for Fiscal 1998 as established under Article 2 of the 1995 Annual Town Meeting.

- 1) This fund shall be for repair and maintenance of Plymouth Beach.
- 2) The departmental receipts credited to this fund shall be those identified as all non-resident parking receipts at Plymouth Beach, in addition to fifty percent (50%) of Plymouth Long Beach 4 X 4 sticker fees.
- 3) The Town Manager shall be empowered with the authorization to make expenditures from the fund.
- 4) The limit of expenditure authorized for Fiscal Year 1998 shall not exceed \$50,000.00.

and further,

Mr. Sanguinet moved that the Town vote to continue the Cemetery Repair and Beautification Revolving Fund for Fiscal 1998 as established under Article 2 of the 1995 Annual Town Meeting.

- 1) This fund shall be for repair and beautification of cemetery properties in Plymouth.
- 2) The departmental receipts credited to this fund shall be those identified as those arising from foundation revenue.
- 3) The Director of Public Works shall be empowered with the authorization to make expenditures from the fund.
- 4) The limit of expenditure authorized for Fiscal Year 1998 shall not exceed \$3,600.00.

The motion PASSED.

**ARTICLE 4:** Mr. Sanguinet moved that the Town vote to

Discharge: the Animal Shelter Building Committee,  
Police Station Building Committee,  
Wastewater Study Committee,

and,

Continue: the Manomet Steering Committee,  
West Plymouth Steering Committee,  
School Building Committee

each for a three year period, to be reviewed at the 2000 Annual Town Meeting

and further,

Continue: The Plymouth Harbor Committee for a three year period, to be reviewed at the 2000 Annual Town Meeting, with the Harbor Master to serve as a non-voting member,

and further,

Continue: The Town Hall Building Committee until completion of the project, with review no later than the 1998 Annual Town Meeting.

and further:

Continue: The Permanent School Building Committed for a three year period, to be reviewed at the 2000 Annual Town Meeting.

and further,

Continue: the Public Works Facility Study Committee until completion of the move to Camelot Park, with a review no later than the 1998 Annual Town Meeting.

The motion PASSED.

[See reconsideration of Article 4 on April 8, 1997.]

**ARTICLE 5:** Mr. Sanguinet moved that the Town vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein in accordance with the memorandum dated March 3, 1997 from M. Patricia Flynn, Human Resources Director, and entitled, "Summary of Amendments to the Personnel Bylaw".

Mrs. Teagan moved to amend Mr. Sanguinet's motion by including Section 16 of the Personnel Bylaw, "Bereavement Leave", as a section which will no longer apply to the S-Group.

On Mrs. Teagan's amendment, Mr. Landers moved the previous question. It passed with 64 in favor and 19 opposed. On the amendment, the motion FAILED.

On the main motion, the motion PASSED.

**ARTICLE 6:** Mr. Sanguinet moved that the Town vote to fix the salaries of elected Town Officials as follows:

Chairman, Board of Selectmen	\$2,500.00
Selectmen, Other (Each)	\$1,500.00

The motion PASSED.

Mr. Sanguinet moved to adjourn to 7:30 P.M. on April 8, 1997 at 7:30 P.M. at Plymouth North High School. The motion PASSED at 10:32 P.M.

## **Annual Town Meeting**

**April 5, 1997**  
**Adjourned Session of April 8, 1996**

The Moderator opened the meeting at 7:30 P.M. After the calling of the roll, Town Clerk, Laurence Pizer, certified a quorum and the Moderator called the meeting to order at 7:37 P.M.

John Motta moved to reconsider Article 4. The motion PASSED.

Mr. George Parker moved to amend Article 4 by forming the Facilities Feasibility Temporary Study Committee.

The purpose of the committee is to report to Town Meeting at the 1998 Annual Town Meeting as to the feasibility of forming a town Facility Management Department, said department to oversee the operation and maintenance of all town facilities.

The membership of the committee is to consist of one Town Meeting Member from each precinct, selected by precinct caucus. The Chairman is to be elected by committee members from within. Appointment to the committee shall be for one year.

The committee shall exist for one year.

The motion PASSED.

Mr. Tavares moved that a temporary study committee to be known as the Sewer Privatization Study Committee be established to study the feasibility of privatizing the town of Plymouth's sewer plant and system. This committee is to report its progress at the next and subsequent Special Town Meeting (s). A formal report is to be submitted to the 1998 Annual Town Meeting. The moderator is to appoint a temporary chairperson. Membership appointed by the moderator is to be as follows:

- 2 Plymouth homeowners using a private septic system
- 2 Plymouth homeowners that are directly connected to the sewer system
- 1 representative from the local union
- 1 citizen from the Citizens Advisory Committee
- 1 member from the Advisory and Finance Committee
- 1 Town Meeting Member
- 1 representative from the Planning Board
- 1 citizen from the Plymouth business community

The Board of Selectmen is to appoint one citizen at large. Ex-officio members of the committee are to include the DPW Director and the Plymouth Sewer Department Superintendent. A report is required to be filed with the Town Clerk at least thirty days before the 1998 Annual Town Meeting.

Ms. Wallace moved to amend by providing for appointment by the Board of Selectmen rather than the Moderator of two Plymouth homeowners that are directly connected to the sewer system and a citizen from the Plymouth business community. Rather than appointment by the Moderator, the Citizens Advisory Committee would appoint its own member, the Advisory and Finance Committee would appoint its own member and the Planning Board would appoint its own member. Mr. Tavares accepted Ms. Wallace's motion as a friendly amendment and it became part of his motion.

Mr. Fava moved that in place of the Moderator's appointment of a Town Meeting Member, that appointment be made by the Board of Selectmen.

Mr. Gauss moved the previous question on Mr. Fava's motion. The motion PASSED.

On Mr. Fava's motion, the motion FAILED.

Mr. Gomes moved the previous question on Mr. Tavares's amendment. The motion PASSED.

On Mr. Tavares's amendment, the motion PASSED.

On Article 4 as amended, the motion PASSED.

**ARTICLE 7:** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$94,923,443 to provide for a reserve fund and to defray the expenses of the Town and for the purposes as listed in the printed Report and Recommendations of the Advisory and Finance Committee, and amendments thereto voted, of which:

\$ 49,607.00

Shall come from State Aid to Libraries for  
Library Personal Services, Item #60

\$ 95,000.00	Shall come from Cemetery Perpetual Care Funds for Cemetery - Personal Services, Item #36
\$ 34,600.00	Shall come from the Parking Meter Receipt fund for Police - Personal Services, Item #17
\$ 3,000.00	Shall come from the Parking Meter Receipt fund for Police - All Other Expenses, Item #18
\$ 13,440.00	Shall come from the Waterways Improvement Fund for Harbormaster, Personal Services, Item #22
\$ 11,119.00	Shall come from Receipts Reserved for Appropriation for the purpose of Administering the Wetland Protection Act for Department of Planning and Development, Personal Services, Item #12
\$ 152,227.00	Shall come from Hotel/Motel Tax Receipts for Town Promotion Fund, All Other Expenses, Item #16
\$ 208,463.00	Shall come from the Sewer Enterprise Fund for Principal, Item #67
\$ 42,533.00	Shall come from the Sewer Enterprise Fund for Interest, Item #68
\$ 261.00	Shall come from the Sewer Enterprise Fund for Life Insurance, Item #73
\$ 71,048.00	Shall come from the Sewer Enterprise Fund for Health Insurance, Item #72
\$ 1,675.00	Shall come from the Sewer Enterprise Fund for Social Security, Item #74
\$ 46,237.00	Shall come from the Sewer Enterprise Fund for Pensions, Item #71
\$ 36,388.00	Shall come from the Sewer Enterprise Fund for Department of Finance, Personal Services, Item #10
\$ 13,526.00	Shall come from the Sewer Enterprise Fund for Department of Finance, All Other Expenses, Item #11
\$ 50,467.00	Shall come from the Sewer Enterprise Fund for DPW Administration, Personal Services, Item #24

\$ 2,430.00	Shall come from the Sewer Enterprise Fund for DPW Administration, All Other Expenses, Item #25
\$ 27,720.00	Shall come from the Sewer Enterprise Fund for Legal Department, All Other Expenses, Item #7
\$ 19,418.00	Shall come from the Sewer Enterprise Fund for DPW Maintenance Division, All Other Expenses, Item #33
\$ 19,159.00	Shall come from the Sewer Enterprise Fund for All Town Insurance, Item #75

and further,

Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$667,986 to fund Item Numbers 43 and 44 from the Airport Enterprise Receipts

and

raise and appropriate the sum of \$657,140 to fund Item Numbers 45 and 46 from Department of Public Works, Sewer Enterprise receipts,

On Mr. Parker's motion to amend, the motion PASSED.

On Article 9, Item 5 as amended, the motion PASSED by a margin of at least 2/3.

**Item 10** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$25,000 to reconstruct the entrance, walls and stairways at Burial Hill, said funds to be expended under the supervision of the Town Manager

The motion PASSED.

**Item 11** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$3,292,281 for constructing an addition to the South Elementary School and for remodeling, reconstructing and making extraordinary repairs to such school, including original equipment and related site improvements; and that to meet this appropriation, the Treasurer with the approval of the Selectmen is authorized to borrow \$3,292,281, under M.G.L. c. 44, Section 7 said funds to be expended under the supervision of the Town Manager.

Mrs. Scheid moved to amend by substituting for the words "Town Manager" the words "Permanent School Building Committee" and adding, "procurement to be administered by the Town Manager." The motion PASSED.

Mr. Vandini moved the previous question. The motion PASSED.

On the main motion, the motion PASSED by a margin of at least 2/3.

**Item 12** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$489,000 for the purchase and installation of an Instructional Computer System, Phase I; and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow \$489,000 under M.G.L. c.44, Section 7, said funds to be expended under the supervision of the School Committee.

Mr. Gomes moved the previous question. The motion PASSED.

On the main motion, the motion passed with a margin of at least 2/3.

**Item 13** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$440,703, transfer the sum of \$16,000 from Free Cash, and transfer the sum of \$125,000 from the Fund Balance Reserved for Capital Expenditures for the purpose of performing School Property Repairs, said funds to be expended under the supervision of the School Committee.

Mr. George Parker moved to amend the motion by decreasing the appropriation from the Fund Balance Reserved for Capital Expenditures to \$52,345. The motion FAILED.

On the main motion, the motion PASSED.

Mr. Sanguinet moved to adjourn at 10:30 P.M. until Tuesday, April 15, 1997 at 7:30 P.M. at Plymouth North High School. The motion PASSED.

### **Annual Town Meeting**

**April 5, 1997**

**Adjourned Session of April 15, 1997**

The Moderator opened the meeting at 7:30 P.M. Town Clerk, Laurence Pizer, certified a quorum and the Moderator called the meeting to order at 7:40 P.M.

**Item 14** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$135,000 from the Sewer Enterprise Fund and transfer \$15,000 from the General Fund Free Cash account for Sewer System Rehabilitation, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 15** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$20,900 from the Water Special Revenue Fund and transfer \$1,100 from the General Fund Free Cash account to purchase a 3/4 ton utility pick up for the Water Division, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 16** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$28,500 from the Water Special Revenue Fund and transfer \$1,500 from the General Fund Free Cash account to rehabilitate the Ellisville Well and the Ship Pond Well for the Water Division, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 17** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$105,000 and transfer the sum of \$100,000 from Free Cash for replacement of town vehicles, said funds to be expended under the supervision of the Town Manager

The motion PASSED.

**Item 18** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$35,000 for the town building repair program, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 19** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$114,000 from the Water Special Revenue Fund and transfer \$6,000 from the General Fund Free Cash account to rehabilitate the Lout Pond Tank for the Water Division, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 20** Town Meeting took no action.

**Item 21** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$125,000 for design and reconstruction of drainage on Parker Drive, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 22** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$28,000 from the Airport Enterprise Fund; the remaining funds to be provided through State and Federal grants for runway expansion and reconstruction for the Airport Division, said funds to be expended under the supervision of the Town Manager and the Airport Commission.

The motion PASSED.

**Item 23** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$40,000 for the purchase of defibrillation units for the Fire Department, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 24** Mr. Sanguinet moved that the Town vote to raise and appropriate

the sum of \$10,000 and transfer the sum of \$40,000 from Free Cash for construction and/or repair of concrete and asphalt sidewalks, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 25** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$114,000 from the Water Special Revenue Fund and transfer \$6,000 from the General Fund Free Cash account for Cedarville Well Development for the Water Division, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 26** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$27,075 from the Water Special Revenue Fund and transfer \$1,425 from the General Fund Free Cash account to purchase a 4x4 utility truck with plow for the Water Division, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 27** Town Meeting took no action.

**Item 28** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$30,000 from the Tax Levy for purchase of a command vehicle for the Fire Chief, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 29** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$68,000 for recreation facilities rehabilitation program, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 30** Mr. Sanguinet moved that the Town vote to transfer the sum of \$55,000 from Free Cash for School Department Vehicle and Equipment Replacement, said funds to be expended under the supervision of the School Committee.

The motion PASSED.

**Item 31** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$20,000 from the Airport Enterprise Fund for pavement rehabilitation for the Airport Division, said funds to be expended under the supervision of the Town Manager and the Airport Commission.

The motion PASSED.

**Item 32** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$4,000,000 for construction of new recreational facilities at Forges Field, Briggs Field and West Plymouth Playground; and that to meet this appropriation, the Treasurer with the approval of the Selectmen, is authorized to borrow \$4,000,000 under M.G.L. c.44, Section 7, said funds to be expended under the supervision of the Town Manager

The motion passed with a margin of at least 2/3 with 3 abstentions.

**Item 33** Mr. Sanguinet moved that the Town vote to transfer the sum of \$70,000 from Free Cash to upgrade fuel storage for Fire Department Headquarters, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 34** Mr. Sanguinet moved that the Town vote to transfer the sum of \$55,000 from Free Cash to design and obtain permits for the Cedarville Transfer Station, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 35** Mr. Sanguinet moved that the Town vote to transfer the sum of \$75,000 from Free Cash to repair/replace or maintain the Billington Street Bridge, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Items 36** Mr. Sanguinet moved that the Town vote to transfer the sum of \$15,000 from Free Cash to resurface and restripe the IGA Parking Lot, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Item 37** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$11,444 and transfer the sum of \$3,657 from Free Cash to design and construct accessibility Modifications - Phase I, said funds to be expended under the supervision of the Town Manager

The motion PASSED.

**Items 38 through 46** Town Meeting took no action.

**Item 47** Mr. Sanguinet moved that the Town vote to appropriate the sum of

\$10,000 from the Sale of Lots and Graves Account to conduct a feasibility study for a new cemetery on Route 80, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Items 48 through 55** Town Meeting took no action.

Item 56 Mr. J. Randolph Parker moved to raise and appropriate \$5,000 to permit construction of a boat ramp at Boat House Lane, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**Items 57 through 60** Town Meeting took no action.

**ARTICLE 10:** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$10,000 to the Town's Unemployment Compensation Fund, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**ARTICLE 11:** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$20,000 to fund a household hazardous waste collection day or other activity, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**ARTICLE 12:** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$25,000 to be expended under the direction of the Town Manager for the purpose of procuring social services to Plymouth residents.

The motion PASSED.

**ARTICLE 13:** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$10,000 for the purpose of providing Senior Citizen Real Estate Tax Vouchers for services rendered, said funds to be expended under the supervision of the Town Manager

The motion PASSED.

**ARTICLE 14:** Mr. Sanguinet moved that the Town vote to appropriate the sum of \$978,421 from available funds as the state's share of the cost of work under Chapter 90, Section 34 (2a) of the Massachusetts General Laws, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**ARTICLE 15:** Mr. Sanguinet moved that the Town vote to transfer the care, custody, management and control of Lot 6 on Assessors Map 19 from the Commission of Public Safety for "public safety purposes" to the Board of Selectmen for the purpose of sale,

and further,

Mr. Sanguinet moves that the Town vote to transfer the care, custody, management and control of Lot 7 on Assessors Map 19 from the School Department for "school purposes" to the Board of Selectmen for the purpose of sale

and further,

to authorize the Selectmen to convey pursuant to the requirements of the Uniform Procurement Act, MGL Chapter 33 and on such terms and conditions as may be deemed to be in the best interests of the Town.

The motion PASSED unanimously.

Mrs. Teagan moved that the Town vote to transfer the care, custody, management and control of Lot 17B on Assessors Map 55 from the Board of Selectmen for municipal purposes to the Board of Selectmen for the purpose of sale, and further, to authorize the Selectmen to convey pursuant to the requirements of the Uniform Procurement Act, MGL Chapter 33 and on such terms and conditions as may be deemed to be in the best interests of the Town.

Mr. Brewster moved the previous question. The motion PASSED.

Mr. Lee moved to fix the method of voting by roll call. The motion PASSED.

On Mrs. Teagan's motion, the motion FAILED with 30 in favor and 51 opposed.

The Moderator called a recess at 9:13 P.M.

Town Meeting reconvened at 9:28 P.M.

**ARTICLE 16:** Mr. Sanguinet moved that the Town vote to authorize the Board of Selectmen to acquire by eminent domain taking pursuant to MGL Chapter 79 from owners of certain parcels of land along the Route 3A - Stage B Reconstruction Corridor for highway purposes.

The motion PASSED unanimously.

**ARTICLE 17:** Mr. Sanguinet moves that the Town vote to raise and appropriate the sum of \$9,500 for the purpose of acquiring Lot 78 on Assessors Map 21, consisting of 5 acres, more or less, to be held in the custody of the Board of Selectmen for municipal purposes, said funds to be expended under the supervision of the Town Manager.

The motion PASSED unanimously.

Mr. Sanguinet moved that the Town vote to accept conveyance of Lots 13A-34 and 13A-37 on Assessors Map 55, consisting of 9.92 acres, more or less, to be held in the custody of the Board of Selectmen for municipal purposes.

The motion PASSED.

Mr. Sanguinet moved that the Town vote to accept conveyance of Lot 2-6 on Assessors Map 124, consisting of 6.92 acres more or less, to be held in the custody of the Board of Selectmen for municipal purposes.

The motion PASSED.

Mr. Sanguinet moved that the Town vote to change the care, custody, management and control of Lot 23 on Assessors Map 19 from the School Department for "school purposes" to the Board of Selectmen for municipal purposes.

The motion PASSED unanimously.

Mr. Sanguinet moved that the Town vote to transfer the care, custody, management and control of a portion of Lot 1-401 on Assessors Map 79, as shown on a map entitled "Article 17: Acquisition of Land (Forges Field - Open Space Area)" and labelled, "Proposed Open Space Restriction Area" from the Board of Selectmen for municipal purposes to the Board of Selectmen for permanent open space/recreation purposes.

The motion PASSED unanimously.

**ARTICLE 18:** Town Meeting took no action.

**ARTICLE 19:** Town Meeting took no action.

REPORT AND RECOMMENDATION OF THE PLANNING BOARD  
ON THE PROPOSED AMENDMENT TO THE ZONING MAP  
TO REZONE FROM NEIGHBORHOOD COMMERCIAL (NC)  
TO MEDIUM LOT RESIDENTIAL (R25) LOT 44 ON ASSESSORS' MAP 27

DATE OF PUBLICATION OF PUBLIC HEARING: JANUARY 2, 1997  
JANUARY 9, 1997

DATE OF PUBLIC HEARING: JANUARY 21, 1997  
FEBRUARY 4, 1997

VOTE: On Tuesday, February 4, 1997, the Planning Board voted (3-0) to recommend approval of the following amendment to Town Meeting.

## PROPOSED AMENDMENT:

"To amend the Zoning Bylaw and Zoning Map so as to change the Zoning of Lot 44 on Assessors' Map 27 from Neighborhood Commercial (NC) to Medium Lot Residential (R25), or take any other action relative thereto."

## NEED & JUSTIFICATION:

There are two articles before Town Meeting affecting the Oberry Street neighborhood. This article seeks to re-establish the residential designation of Lot 44 (Mr. Cappella's property). The second article is petitioned and seeks to designate two additional lots as commercial.

In April of 1996, Town Meeting rezoned from Medium Lot Residential to Neighborhood Commercial this 4.1 acre parcel on Oberry Street. The Planning Board and the Board of Selectmen recommended against that re-zoning. The Advisory and Finance Committee took no action on the request. Concern was noted that other property owners would ask for a similar change. In fact, a second such request has been filed for consideration by this Town Meeting. If this property remains commercial, additional requests on this street as well as other streets in other neighborhoods are expected.

At the suggestion of Town Meeting, the Planning Board conducted a detailed study of this area. The Board held a review session, a public workshop and two public hearings to review current and future land uses on Oberry Street. A number of residents and concerned citizens attended these meetings. A majority of the neighbors in attendance were opposed to commercial development in the area. The Board conducted a detailed study of the zoning and land development patterns. The conclusion of both the residents of the area and the Planning Board is that the area should remain residential.

This type of lot by lot commercial rezoning is not consistent with the Village Center Plan. If additional commercial land is needed in the community the existing village centers or economic development areas (Mixed Commerce, Airport, and Waterfront zones) should be expanded. Residential property should not be rezoned to commercial on a lot by lot basis. The result will be sprawling commercial development. Plymouth has resisted this pattern of commercial development.

Furthermore, the type of private development allowed on Oberry Street will also set the tone for the type of development that may occur on the 115 acres of land owned by Plymouth County.

After reviewing the current use of Lot 44, it has been determined that Mr. Cappella has a pre-existing non-conforming use. He can alter, expand, or extend this use by Special Permit through the Board of Appeals. The Board of Appeals has the ability to allow a range of uses on the property provided they are found to be not substantially more detrimental than the existing use to the neighborhood.

#### **EFFECT:**

The intent of the Neighborhood Commercial District is to provide for a limited amount of retail for the surrounding neighborhood. The Neighborhood Commercial District allows uses such as convenience stores, drugstores, grocery stores, branch banks, and variety stores. The potential scale of development far exceeds the needs of the neighborhood. The South Street/ Oberry Street Neighborhood Commercial area already has 10,000 square feet of existing building space. An additional 22,000 square feet of building could be constructed in the area. This 4.1 acre property is capable of supporting 43,000 square feet of retail building space. The petitioned request (Nancy Capozucca, et. al.) to rezone 3.1 acres of property will sustain another 32,000 square feet of retail. A total of 10.5 acres of Neighborhood Commercial land will exist in this area. The total potential retail building space in the Oberry Street area could easily exceed 100,000 square feet.

The potential for such a large amount of commercial development will have a significant impact on the future use of the County property. In addition, the roads and utilities serving this area will have to be expanded. The road network (Nook Road, Oberry Street, the High School driveway, and Sandwich Street) will have to be studied and improved by the Town.

#### **INTENT:**

The intent of the Neighborhood Commercial District is to provide for limited commercial development to serve the immediate neighborhood. At 32,000 square feet, the potential for commercial development in the Oberry Street area already meets the needs of the neighborhood.

As a pre-existing non-conforming use, the property owner has the right to apply for a special permit to expand the use. The Board of Appeals has the authority to allow for other uses of the property provided they are "not substantially more detrimental than the existing non-conforming use to the neighborhood".

In conclusion, if the Neighborhood Commercial designation of this property remains, the Town will be under constant pressure to rezone portions or the entire neighborhood. The Planning Board recommends that you rezone this property back to residential to prevent a haphazard lot-by-lot rezoning of the Town. The consensus of the neighborhood is not to allow commercial development in the neighborhood. The petitioner already has the ability to expand the current use or change to use through the Board of Appeals' special permit process.

**DATE SIGNED BY THE PLANNING BOARD**

**ARTICLE 20:** Mr. Sanguinet moved that the Town vote to amend the Zoning Bylaw and Zoning Map #1 (Plymouth, Wareham, and Sagamore quadrants) in accordance with the "REPORT AND RECOMMENDATION OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING MAP TO ZONE THE STATE FOREST AS RR", to zone as Rural Residential (RR) land known as Myles Standish State Forest and shown on Assessors' Map 133.

**REPORT AND RECOMMENDATION OF THE PLANNING BOARD  
ON THE PROPOSED AMENDMENT TO THE ZONING MAP  
TO ZONE THE STATE FOREST AS RURAL RESIDENTIAL (RR)**

DATE OF PUBLICATION OF PUBLIC HEARING: JANUARY 2, 1997  
JANUARY 9, 1997

DATE OF PUBLIC HEARING: **JANUARY 21, 1997**

**VOTE:** On Tuesday, January 21, 1997, the Planning Board voted (3-0) to recommend approval of the following amendment to Town Meeting.

## **PROPOSED AMENDMENT:**

To amend the Zoning Bylaw and Zoning Map #1 (Plymouth, Wareham, and Sagamore quadrants) to zone as Rural Residential (RR) land known as Myles Standish State Forest and shown as Assessors' Map 133

## **NEED & JUSTIFICATION:**

One fifth of the Town of Plymouth is currently un-zoned. The 12,635 acre (approximately 20 square miles) Myles Standish State Forest was not included within the Rural Residential District in 1973 when the current zoning bylaw was adopted.

It was probably not zoned because the State is exempt from local zoning. However, in the event that the State should sell or lease a portion of the State Forest there would be no zoning controls on the land. If sold or leased, any industrial, commercial, or multi-family use could be developed on the land.

It should be noted that there is no indication at this time the State has discussed the sale or lease of state forest land. In addition, a sale or lease would require legislative approval.

## **EFFECT:**

This amendment will not effect the current use of the State Forest or its future use by the Commonwealth of Massachusetts. However, should the State sell or lease a portion of the State Forest to a private concern the Town would not be able to control the use of the land.

The amendment seeks to control the future use of the land by a private entity.

## **INTENT:**

The intent of this amendment is to guarantee that any private future development of State Forest property is governed by the Zoning Bylaw and is consistent with the Town's comprehensive plan.

The amendment places all land within the town under the control of zoning.

REPORT AND RECOMMENDATION OF THE PLANNING BOARD  
ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW  
AS IT RELATES TO STREET CLASSIFICATIONS AND OTHER STANDARDS

DATE OF PUBLICATION OF PUBLIC HEARING: JANUARY 2, 1997  
JANUARY 9, 1997

DATE OF PUBLIC HEARING: **JANUARY 21, 1997**

VOTE: On Tuesday, January 21, 1997, the Planning Board voted (3-0) to recommend approval of the following amendment to Town Meeting.

## **PROPOSED AMENDMENT:**

The following text is to be inserted into the Zoning Bylaw.

## Section 304 STREET CLASSIFICATION AND RELATED STANDARDS

To insert the following note into Table #1.

A minimum width of 500 feet is required for lots:

A. Located in the Rural Residential (RR) Zone,

AND

**B. Having frontage on a Major Street,**

AND

C. Located on a State numbered Arterial Route as designated on the

Zoning Map,

AND

- D. Located on or within 1,000 feet of Major Street road grades in excess of 5 percent.

**NEED & JUSTIFICATION:**

At the request of the Manomet Steering Committee, language has been drafted to limit the potential danger associated with numerous driveways on Major Streets with steep road grades.

The Planning Board and the Steering Committee are concerned about State Road in the Pine Hills area. Road alignment, grade, traffic volume and traffic speed combined represent an increasingly more hazardous road for an increasing village population.

The road grades of the northern section of State Road (beginning at the Davis Curve) are in the 5 percent range with one area in the 4.8 percent range. State Road at the top of the Pine Hills (approximately 2,200 linear feet) has grades in the 1 to 3 percent range. The entire southern side is in excess of 5 percent (ending at the Edison Access Road). These steep road grades combined with poor sight distances already make this road dangerous. The addition of numerous curb cuts will only exacerbate the situation.

State Road (Route 3A) is maintained by the Commonwealth of Massachusetts. The posted speed limits are controlled by the State. The limits range from 40 to 45 MPH. At these speeds AASHTO recommends stopping sight distances of between 275 feet and 400 feet. In addition, driveway sight distances for left turn and right turn 700 to 880 and 660 to 840 feet respectively are recommended.

Curb cuts can exist on both sides of the street. The existing 200 foot lot widths actually average one curb cut per 100 feet. The 500 foot width (one curb cut per 250 feet) represents a reasonable lot width that will minimize the potential for accidents on this highly traveled way.

The Zoning Bylaw, already provides incentives to developers for using reverse frontage lots and an internal road system.

**EFFECT:**

The 500 foot minimum lot width will increase the homeowner's ability to locate a driveway with adequate sight distances.

The total road frontage in this area of State Road is 8,500 linear feet. Approximately 42 curb cuts could be created, one for each driveway. Vehicles from each driveway will be entering and exiting on to State Road.

The effect of the proposed language is to limit the number of curb cuts on this dangerous section of State Road to approximately 17. The bylaw language controls the top of the Pine Hills by extending the area effected to 1,000 feet beyond the end of the 5 percent road grade.

**INTENT:**

The intent of the amendment is to protect public safety by limiting curb cuts on steeply sloped Major Streets by increasing required lot width. It will also give individual homeowners additional flexibility in locating driveways in optimal locations.

**BEING A MAJORITY OF THE PLANNING BOARD**

**DATE FILED WITH THE TOWN CLERK**

**DATE SIGNED BY THE PLANNING BOARD**

The motion PASSED unanimously.

**ARTICLE 22:** Mr. Sanguinet moved that the Town vote to amend the Zoning Bylaw in accordance with the "REPORT AND RECOMMENDATION OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW TO ESTABLISH SECTION 401.26 PREVENTION OF LIGHT POLLUTION".

**REPORT AND RECOMMENDATION OF THE PLANNING BOARD  
ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW  
TO ESTABLISH SECTION 401.26 PREVENTION OF LIGHT POLLUTION**

**DATE OF PUBLICATION OF PUBLIC HEARING:**

**JANUARY 2, 1997  
JANUARY 9, 1997**

VOTE: On Tuesday, February 18, 1997, the Planning Board voted (3-0) to recommend approval of the following amendment to Town Meeting.

**PROPOSED AMENDMENT:** following text is to be inserted into the Zoning Bylaw.

**Section 401.26 Prevention of Light Pollution**

**A) Purpose and Intent** The Purpose of this Bylaw is to create standards for outdoor lighting so that its use does not unreasonably interfere with the reasonable use and enjoyment of property within Plymouth. It is the intent of this section to encourage, through the regulation of the types, construction, installation and uses of outdoor electrically powered illuminating devices, lighting practices and systems which will (i) reduce light pollution, light trespass and glare in order to preserve and enhance the natural, scenic, and aesthetic qualities of Plymouth, (ii) conserve energy and decrease lighting cost without decreasing nighttime safety, security, and productivity, and (iii) preserve the night sky as a natural resource to enhance nighttime enjoyment of property within Plymouth.

**B) Uses** All Municipal uses, uses in industrial and commercial districts, special permit uses and signs in all districts are subject to Section 401.26 Prevention of Light Pollution.

**C) Definitions** Except as noted hereinafter, all definitions are provided in the Zoning Bylaw. Unless the context clearly indicates otherwise, certain words and phrases used in this section shall mean the following:

“Lamp” means the component of an outdoor light fixture that produces light.

“Direct Light” means light emitted directly by a lamp, off a reflector, or through a refractor of an outdoor light fixture.

“Light Trespass” means direct light emitted by an outdoor lamp fixture that shines beyond the boundaries of the property on which the outdoor light fixture is installed.

“Up-light” means direct light emitted by an outdoor light fixture above a horizontal plane through the fixture’s lowest light emitting part.

“Shielded” when referring to an outdoor light fixture means that the fixture allows no up-light.

"Filtered" when referring to an outdoor light fixture means that the fixture is to be fitted with a glass, acrylic, or other translucent enclosure of the light source.

**D) Shielding** All outdoor light fixtures subject to this bylaw shall be shielded.

**E) Prohibited Light Sources**

- 1. Mercury Vapor and Quartz Lamps** For the purposes of this bylaw, quartz lamps shall not be considered an incandescent light source.
- 2. Laser Source Light** The use of laser source light or any similar high intensity light for outdoor advertising, when projected above the horizontal, is prohibited.
- 3. Searchlights** The operation of searchlights for advertising purposes is prohibited.

**F) Metal Halide Lighting** All outdoor light fixtures utilizing a metal halide lamp or lamps shall be shielded and filtered. Filtering using quartz glass does not meet this requirement.

**G) Outdoor Advertising Signs** Outdoor light fixtures used to illuminate an outdoor advertising sign shall be mounted on the top of the sign structure.

**H) Exemptions**

- 1. Fossil fuel Light** All outdoor light fixtures producing light directly by the combustion of natural gas or other fossil fuels are exempt from all requirements of this bylaw.
- 2. Other Light Sources** All outdoor light fixtures using an incandescent lamp or lamps of 150 watts or less are exempt from all requirements of this bylaw. All outdoor light fixtures using any lamp or lamps of 50 total watts or less are exempt from all requirements of this bylaw.

**I) Special Permit** Alternative outdoor light fixtures may be allowed by special permit if it is found that: 1) the fixture's design and appearance are superior, 2) significant light pollution will not be created, and 3) light trespass and glare are minimal.

#### **NEED & JUSTIFICATION:**

Large residential, commercial and industrial developments are major generators of light pollution. At night, the glow of large parking lots can be seen from miles away. In addition, in heavily lighted areas the ability to see stars is greatly limited. According to The Amicus Journal, under ideal conditions the sky is crowded with

2,500 visible stars. In a moderately illuminated suburb, the night sky has only 200 or 300 visible stars. In large cities, people are lucky if they can see more than a few dozen. Light pollution also wastes energy. The electricity used to generate the light that illuminates the sky or abutting undeveloped land is wasted.

As development occurs in Plymouth, fewer and fewer stars will be visible. This bylaw seeks to limit light pollution by controlling two types of light pollution (up-light pollution and trespass light pollution). Up-light is when light is directed into the sky. Up-light is wasted light since there is nothing in the sky to illuminate. Up-light blocks nighttime views. The second type of light pollution is known as trespass light. Trespass light is light that shines beyond the boundaries of a property. A good example of trespass light is the glare from a sign or parking lot that temporarily blinds the driver of a vehicle.

#### **EFFECT:**

The effect of this amendment is to simply require that all lights be shielded. Shielding will limit glare and prevent lights from shining beyond the boundaries of the development. Shielding will also limit the amount of light polluting the nighttime sky. Only the brightest, least efficient type of light (Mercury Vapor/Quartz light) is prohibited. The amendment does not restrict the intensity of lights.

Individual homeowners will be exempt from this bylaw.

#### **INTENT:**

The intent of this amendment is to limit the amount of light pollution generated by outdoor light fixtures. It is also intended to reduce glare, conserve energy, decrease lighting cost, and preserve the views of the night sky.

This amendment will preserve and enhance the nighttime natural, scenic, and aesthetic qualities of Plymouth, without decreasing nighttime safety or security.

Mr. Roger Silva moved the previous question. The motion PASSED. On the motion, the motion passed with a margin of at least 2/3.

**ARTICLE 23:** Mr. Sanguinet moved that the Town vote to amend the Zoning Bylaw Section 401.14, "Industrial", in accordance with the "REPORT AND RECOMMENDATION OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW TO FURTHER DEFINE THE LOCATIONS OF RESTAURANTS AND THE TYPES OF RESTAURANTS PROVIDED FOR WITHIN THE INDUSTRIAL DISTRICT."

**REPORT AND RECOMMENDATION OF THE PLANNING BOARD  
ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW  
TO FURTHER DEFINE THE LOCATIONS OF RESTAURANTS  
AND THE TYPES OF RESTAURANTS  
PROVIDED FOR WITHIN THE INDUSTRIAL DISTRICT**

DATE OF PUBLICATION OF PUBLIC HEARING: JANUARY 2, 1997  
JANUARY 9, 1997

DATE OF PUBLIC HEARINGS: JANUARY 21, 1997  
JANUARY 28, 1997

VOTE: On Tuesday, January 28, 1997, the Planning Board voted (3-0) to recommend that this petitioned article BE GRANTED by Town Meeting.

## **PROPOSED AMENDMENT:**

The following text is to be inserted at the end of Section 307.02 the Zoning Bylaw.

## 401.14 Industrial

### C) Special Permits

5) C) Motels or Hotels. A Free-standing restaurant structure may be allowed on the same or adjacent parcel provided the motel or hotel and restaurant are designed and constructed as a unified complex. Drive-through facilities are prohibited.

## NEED & JUSTIFICATION:

Motels and Hotels are permitted in the Industrial Zone by special permit. A

restaurant can be included within the motel or hotel building as an accessory use. However, a free-standing restaurant is not permitted under the current language. The Plymouth Development and Industrial Commission (PDIC) seeks to amend the Zoning Bylaw to allow free-standing restaurants provided they operate in conjunction with a motel or hotel.

This amendment is proposed to address the needs of the hotel/motel industry. Hotels and motels are an important component of Plymouth's tourism industry. The creation of additional overnight accommodations will add to Plymouth's economic base.

A special permit through the Board of Appeals is required to construct a hotel or motel in the Industrial District. The same special permit process will apply to a hotel/motel restaurant complex.

**EFFECT:**

Restaurants can be established in conjunction with a hotel or motel, however, it must be located within the same structure. This amendment allows for the establishment of freestanding restaurants provided they are designed and constructed with a hotel or motel as a unified complex.

The amendment only effects hotels and motels in the Industrial and Airport Districts.

**INTENT:**

Overnite accommodations and restaurants are currently allowed provided they are in a single building. The intent of this amendment is to allow the same uses but in separate buildings.

**ARTICLE 24:** Mr. Sanguinet moved that the Town vote to amend its zoning

bylaw, as shown in the "REPORT AND RECOMMENDATION OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT OF NANCY CAPOZUCCA, ET. A. TO THE ZONING MAP TO REZONE FROM R25 (MEDIUM LOT RESIDENTIAL) TO NC (NEIGHBORHOOD COMMERCIAL) LOTS 43A AND 43B ON ASSESSORS' MAP 27."

REPORT AND RECOMMENDATION OF THE PLANNING BOARD  
ON THE PROPOSED AMENDMENT OF NANCY CAPOZUCCA, ET. AL.,  
TO THE ZONING MAP TO REZONE FROM R25 (MEDIUM LOT  
RESIDENTIAL) TO NC (NEIGHBORHOOD COMMERCIAL)  
LOTS 43A AND 43B ON ASSESSORS' MAP 27

DATE OF PUBLICATION OF PUBLIC HEARING: JANUARY 2, 1997  
JANUARY 9, 1997

DATE OF PUBLIC HEARINGS: **JANUARY 21, 1997**

VOTE: On Tuesday, January 21, 1997, the Planning Board voted (3-0) to recommend that the petition NOT BE GRANTED by Town Meeting.

## PROPOSED AMENDMENT:

"On the petition of Nancy Capozucca, et. al. to see if the Town will vote to amend the Zoning Bylaw so as to change the designation of Lot 43A and 43B on Assessors' Map 27 from Medium Lot Residential (R25) to Neighborhood Commercial (NC), or take any other action relative thereto."

## NEED & JUSTIFICATION:

A petitioned request has been submitted to re-zone Lots 43A and 43B on Assessors' Map 27. These two lots contain 3.1 acres and are currently zoned R25. Two single family dwellings and a pre-existing, non-conforming, commercial greenhouse operation exist on this property. The property owner is requesting that Town Meeting re-zone her property to Neighborhood Commercial. Approximately 32,000 square feet of retail space could be constructed on these lots.

The Planning Board has held a review session, a public workshop and two public hearings to review current and future land uses on Obery Street. A number of residents and concerned citizens attended these meetings. A majority of the neighbors in attendance were opposed to commercial development in the area. The Board conducted a detailed study of the zoning and land development patterns. The conclusion is that the area should remain residential.

Residential property should not be re-zoned to commercial on a lot by lot basis. The result will be sprawling commercial development. Plymouth has resisted this pattern of commercial development.

In April of 1996, Town Meeting rezoned from Medium Lot Residential to Neighborhood Commercial a 4.1 acre parcel on Oberry Street. The Planning Board recommended against that re-zoning. The Board noted a concern that other property owners would ask for a similar change. This is the second such request in two years. If this property is also re-zoned, additional requests on this street as well as other streets in other neighborhoods can be expected.

This type of lot by lot commercial rezoning is not consistent with the Village Centers Plan. If additional commercial land is needed in the community, the existing village centers or economic development areas (Mixed Commerce, Airport, and Waterfront zones) should be expanded.

Furthermore, the type of private development allowed on Oberry Street will also set the tone for the type of development that may occur on the 115 acres of land owned by Plymouth County.

The Neighborhood Commercial District allows uses such as convenience stores, drugstores, grocery stores, branch banks, and variety stores.

#### **EFFECT:**

The potential scale of development far exceeds the needs of the neighborhood. The South Street/ Oberry Street Neighborhood Commercial area already has 10,000 square feet of existing building space. An additional 22,000 square feet of building could be constructed in the area. The 4.1 acre Cappella property is capable of supporting 43,000 square feet of retail building space.

This petitioned request to rezone 3.1 acres of property will sustain another 32,000 square feet of retail. A total of 10.5 acres of Neighborhood Commercial land will exist in this area. The total potential retail building space in the Oberry Street area could easily exceed 100,000 square feet.

The potential for such a large amount of commercial development will have a significant impact on the future use of the County property. In addition, the roads and utilities serving this area will have to be expanded.

#### **INTENT:**

The intent of the Neighborhood Commercial District is to provide for limited commercial development to serve the immediate neighborhood. The potential for commercial development in the Oberry Street area already far exceeds the needs of the neighborhood.

As a pre-existing non-conforming use, the property owner has the right to apply for a special permit to expand the use. The Board of Appeals has the authority to

allow for other uses of the property provided they are "not substantially more detrimental than the existing non-conforming use to the neighborhood".

In conclusion, the Planning Board recommends that you to vote no on this amendment and prevent such haphazard lot-by-lot rezoning of the Town. The consensus of the neighborhood is not to allow commercial development in the neighborhood. The petitioner already has the ability to expand the current use or change to use through the Board of Appeals' special permit process.

**ARTICLE 25:** Mr. Sanguinet moved that the Town vote to amend Section 307.02 of the zoning bylaw as shown in the "REPORT AND RECOMMENDATION OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW OF WILLIAM R. SHAW, ET. AL. TO FURTHER DEFINE THE STATUS OF NON-CONFORMING LOTS".

**REPORT AND RECOMMENDATION OF THE PLANNING BOARD  
ON THE PROPOSED AMENDMENT TO THE ZONING BYLAW  
OF WILLIAM R. SHAW, ET. AL.  
TO FURTHER DEFINE THE STATUS OF NON-CONFORMING LOTS**

DATE OF PUBLICATION OF PUBLIC HEARING: JANUARY 2, 1997  
JANUARY 9, 1997

DATE OF PUBLIC HEARINGS: JANUARY 21, 1997

**VOTE:** On Tuesday, January 28, 1997, the Planning Board voted (3-0) to recommend that this petitioned article NOT BE GRANTED by Town Meeting.

## **PROPOSED AMENDMENT:**

The following text is to be inserted at the end of Section 307.02 the Zoning Bylaw.

"Notwithstanding anything in the foregoing to the contrary, any lot lawfully laid out by plan or deed duly recorded, which complied at the time of such recording with the minimum area, frontage, width, and depth requirements of the Zoning Bylaw then in effect, if any, notwithstanding the subsequent adoption of increased minimum area, frontage, width, depth, or yard requirements, may thereafter be built upon for residential use if such lot was held in ownership separate from that of adjoining land located in the same residential district prior to March 27, 1978 and at all times thereafter, and provided further that at the time of building (A) such lot has an area of five thousand square feet or more and a frontage of fifty feet or more, is in a district zoned for residential use, and conforms except as to area, frontage, width, and depth with the applicable provisions of the Zoning Bylaw in effect, and (B) any proposed structure is to be located on such lot as to conform with the minimum requirements of front, side, and rear yard setbacks in effect, if any, at the time of such recording, and to all other requirements for such structure in effect at the time of building."

## NEED & JUSTIFICATION:

The petitioner seeks to amend the language governing pre-existing non-conforming residential lots in Plymouth. In March of 1973, the Town adopted its current Zoning Bylaw. Non-conforming lots were governed by the State's grandfather provisions. In 1978, the State amended the grandfather provision to

read as follows:

Any increase in area, frontage, width, yard or depth requirements of a zoning bylaw shall not apply to a lot for single and two-family residential use which at the time of recording or endorsement, whichever occurs sooner was not held in common ownership with any adjoining land, conformed to the then existing requirements and had less than the proposed requirement but at least five thousand square feet of area and at least fifty feet of frontage.

The Town was concerned about the effect of the new language and inserted the original pre-1978 state language into the zoning bylaw. The language includes the following:

The lot may be built upon for a period of five years from the date of such recording or such endorsement whichever is earlier (creating the lot).

This language has been a source of confusion for years. It is clear that the Town wanted to provide some grandfather protection to lots. Unfortunately, the level of protection has been obscured with time. Until 1995, the Town has interpreted these provisions to mean that the property owner had five years from the date of adoption of a zoning change to separate ownership. In 1995, Town Counsel correctly indicated that the language is not clear and provides no grandfathering protection.

The proposed petitioned language states that:

The lot must be legally created.

It complied with the minimum zoning requirements in place at the time or has 5,000 square feet of area & 50 feet of frontage (State minimum for lots that existed prior to zoning).

It was held in separate ownership prior to March 27, 1978.

If held in separate ownership prior to 1978 (5 years after 1973) the lot would be buildable.

#### **EFFECT:**

The effect of this amendment would be to allow for development to occur on severely undersized lots. In 1973, the Town adopted its current Zoning Bylaw. At that time it was determined that the minimum lot size necessary for single family development is 20,000 square feet (roughly half an acre). There are thousands of undersized lots located throughout Town. In many cases these lots contain only 5,000 square feet of area (roughly 1/8 of an acre). When the 1973 Zoning was adopted, it was intended that these undersized lots would be combined to

create larger lots.

In addition, due to the sheer number of undersized lots it is impossible to determine the development impact of such an amendment.

**INTENT:**

The intent of this amendment is to change the current grandfather language to make lots buildable that were separated by ownership up to five years after a zoning change. The current language says that had to be built upon by 1978.

The Planning Board's position is that the current grandfather language clearly says **built upon** and there is no confusion about the actual meaning.

Furthermore, the proposed amendment is not consistent with the Town's efforts to control residential growth and reduce the density of development.

**ARTICLE 26:** Mr. Sanguinet moves that the Town vote to amend Sections 401.04, 401.05, and 401.19 of the zoning bylaw in accordance with the "REPORT AND RECOMMENDATION OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT OF WILLIAM R. SHAW ET. AL. TO THE ZONING BYLAW RELATIVE TO SECTION 401.19 RECREATIONAL DEVELOPMENT".

REPORT AND RECOMMENDATION OF THE PLANNING BOARD  
ON THE PROPOSED AMENDMENT OF WILLIAM R. SHAW ET. AL.  
TO THE ZONING BYLAW RELATIVE TO SECTION 401.19  
RECREATIONAL DEVELOPMENT

DATE OF PUBLICATION OF PUBLIC HEARING: JANUARY 16, 1997  
JANUARY 23, 1997

DATE OF PUBLIC HEARING: FEBRUARY 4, 1997  
MARCH 4, 1997

VOTE: On Tuesday, March 4, 1997, the Planning Board voted (4-1, Mr. Bean in opposition) to recommend approval of the following amendment to Town Meeting.

**PROPOSED AMENDMENT:**

Proposed additions are underlined

Proposed deletions are in **boldface** and **(brackets)**

Section 4041.19 Recreational Development

**A) INTENT**

The intent of this section is to provide recreational opportunities for the residents of Plymouth, to allow more effective and efficient use of large tracts of land in **(the rural areas of)** Plymouth, and to minimize Town service responsibilities.

**B) DEFINITIONS**

“Recreational Development” (RD) is an area of land, designed and developed as a unit, with recreational areas as integral characteristics and which departs from the zoning regulations conventionally required in the **Rural Residential (RR)**, **Large Lot Residential (R-40)**, and **Medium Lot Residential (R-25)** Districts concerning uses of land or buildings, lot size, bulk or type of structures, or other requirements. Unless specifically prescribed, any combination of residential and compatible uses may be allowed.

**E) LOCATION AND DENSITY**

An RD may be established only in the **RR**, **R-40**, and **R-25** Districts by special permit issued by the Planning Board (which for the purposes of this Section is designated as the Special Permit Granting Authority), provided that all proposed RD's shall comply with the standards of

Environmental Design Review. The density shall be 85% of **(that allowed for in**

the RR District) the following except as provided in Section 401.19(e)(5) below.

<u>District</u>	<u>Density (unit/square feet)</u>
RR	<u>1/120,000</u>
R-40	<u>1/60,000</u>
R-25	<u>1/60,000</u>

The minimum area of a tract eligible for an RD (is two hundred fifty (250) acres) in single or consolidated ownership or control at the time of application, and the minimum (tract must have two hundred (200) feet of) direct frontage on a Major Street, as designated by the Zoning Bylaw, are as follows:

<u>District</u>	<u>Minimum Area</u>	<u>Minimum Frontage</u>
RR	<u>250 acres</u>	<u>200 feet</u>
R-40	<u>100 acres</u>	<u>150 feet</u>
R-25	<u>40 acres</u>	<u>110 feet</u>

Other dimensional requirements for a single-family dwelling or an NR use within an RD as follows:

Min. Lot Size	Min. Lot Width	Min. Front Yard	Min. Side Yard	Min. Rear Yard
<u>(25,000</u>	<u>110'</u>	<u>35'</u>	<u>15'</u>	<u>40')</u>
<u>6,000</u>	<u>60'</u>	<u>20'</u>	<u>10'</u>	<u>10'</u>

5. The total number of dwelling units in an RD shall be no greater than 85% of the total number of units that would otherwise be allowed based on the following densities: (by the Zoning Bylaw in the RR District) RR District - 1 unit per 120,000 square feet, R-40 District - 1 unit per 60,000 square feet, R-25 District - 1 unit per 60,000 square feet.

8. The Planning Board may require as a condition for approval of an RD that occupancy be restricted to elderly households.

## I) NON-RESIDENTIAL USES

1. General Conditions. NR uses may be specifically authorized under the special permit as auxiliary supporting uses in the RD. Inadequate relation of such uses to the overall plan of the development, incompatibility with adjacent uses, insufficient buffer areas or undue traffic generation shall be sufficient ground to deny any such use. No NR use may be allowed which will be inconsistent with the residential character of the RD and adjacent properties. The Planning Board may request the applicant to give special notice to owners of land located more than three hundred feet from the property line of the RD. Plans and other documents for NR uses should be submitted as an integral part of those submitted for the RD.

## **NEED & JUSTIFICATION:**

Town Meeting adopted the Recreational Development section of the Zoning Bylaw at the April 1988 Town Meeting. Recreational Developments (RD's) are currently permitted by special permit in the Rural Residential District. The RD bylaw was adopted to provide an alternative to the typical "grid" subdivision type development. The only Recreational Development Special Permit granted was for the Forges Field Development. The project never proceeded and the Town has since acquired the land.

A petitioned article was filed for the April 1993 Annual Town Meeting to allow Recreational Developments in the R25 and R40 Districts. The Planning Board supported the proposed amendment (4-0-1, Mr. Terzian in abstention). The Board of Selectmen supported the amendment. The Advisory and Finance Committee supported the request by a vote of (6-2-2). The amendment did not receive the necessary 2/3 vote at Town Meeting.

A similar amendment is again proposed. The amendment seeks to allow Recreational Developments in the R25 and R40 districts. The density of development will be decreased to one unit per 60,000 square feet. It also creates a sliding scale for area and frontage. The minimum lot size of 25,000 square feet has been reduced to 6,000 square feet. Currently, an RD can only occur in the RR District on property of at least 250 acres with 200 feet of frontage on a Major Street. The proposed requirements are as follows:

<u>DISTRICT</u>	<u>MINIMUM AREA</u>	<u>MINIMUM FRONTAGE</u>
RR	250 Acres	200 Feet
R-40	100 Acres	150 Feet
R-25	40 Acres	110 Feet

## **EFFECT:**

The effect of this amendment will be to allow Recreational Developments at a low density of development (**1 unit per 60,000 square feet**) in the R-40 and R-25 districts. Conventional subdivisions require only one unit per 40,000 square feet in the R-40 and one unit per 25,000 square feet in the R-25 District. The use of a Recreational Development represents a 43 percent reduction in the R-40 District and a 65 percent in the R-25 District reduction in the unit count currently allowed in conventional subdivisions.

Except as noted below, the existing restrictions and regulations in place will apply to RD developments in the R-40 and R-25 Districts. For example, the plan will not be approved unless it is demonstrated that the RD is superior in design and land use to a conventional development. Additionally, roadways and utilities in

RD's are generally private thereby reducing the Town's financial burden for road maintenance.

**INTENT:**

The intent of this amendment is:

1. To allow Recreational Developments in the R-40 and R-25 Districts at substantially lower unit counts than could be built in a standard subdivision.
2. To provide additional open space in the R-40 and R-25 Districts.
3. To reduce the cost of road maintenance to the Town by requiring that the roads in a Recreational Development be privately maintained.

Mr. Regan moved the previous question. The motion PASSED.

Mr. Beauregard moved to fix the method of voting by roll call. The motion FAILED.

On the main motion, the motion FAILED.

**ARTICLE 32:** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$595,646 to the Stabilization Fund, as authorized by the provisions of Section 5B of Chapter 40 of the Massachusetts General Laws, as amended.

The motion PASSED.

Mr. Sanguinet moved to dissolve the Annual Town Meeting at 10:03 P.M.

The motion PASSED.

Upon call from the Town Clerk, Precinct 13 Town Meeting Members met in the auditorium of Plymouth North High School at 7:15 P.M. on 14 April 1997. Present were William Burke, Kevin Murphy, Diane Bishop, Cathleen Kingsbury, and Dorothy Barnes. Also present were the Town Clerk, Laurence Pizer, and Karin Gregory. Dorothy Bishop nominated Cathleen Kingsbury. Kevin Murphy seconded the nomination. Karin Gregory was elected unanimously to fill the unexpired term of Mr. Gilbert. The meeting adjourned at 7:18 P.M.

Upon call from the Town Clerk, Precinct 7 Town Meeting Members met in the Town Clerk's Office at 7:30 P.M. on Tuesday, 6 May 1997. Present were John Abbott, J. Randolph Parker, Jr., David Nardone, Kevin Croke, and Peter Stearns. Also present was the Town Clerk, Laurence Pizer and William Franks. Mr. Parker nominated William Franks of 900 Old Sandwich Road. Mr. Croke seconded the motion. Mr. Franks was elected unanimously to fill the unexpired term of Mr. Goedecke. The meeting adjourned at 7:31 P.M.

# **Special Town Meeting Warrant**

**October 27, 1997**

To the Town Clerk of the Town of Plymouth, Commonwealth of Massachusetts:

## **GREETINGS:**

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Monday, the Twenty-Seventh Day of October, 1997, at 7:30 PM, to act on the following articles to wit:

**ARTICLE 1:** To see if the Town will vote to accept the report from the Temporary Long Pond Road Study Committee, or take any other action relative thereto.

### **TEMPORARY LONG POND ROAD STUDY COMMITTEE**

**ARTICLE 2:** To see if the Town will vote to amend Article 1 of the Town of Plymouth Bylaws by adding the following language: "The Moderator may take all votes requiring a two-thirds majority in the same manner in which he or she conducts the taking of a vote when a majority is required," or take any other action relative thereto.

### **ADVISORY AND FINANCE COMMITTEE**

**ARTICLE 3:** To see if the Town will vote to amend the town charter or bylaws to require town meeting to take a rollcall vote on any vote that is not unanimous, or take any other action relative thereto.

BY PETITION: John A. Beauregard, et al.

**ARTICLE 4:** To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law and Collective Bargaining Agreements contained therein, or take any other action relative thereto.

### **PERSONNEL BOARD**

**ARTICLE 5:** To see if the Town will vote to raise and appropriate or transfer a sum of money to be added to funds already appropriated under Article 7 of the 1997 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

### **BOARD OF SELECTMEN**

**ARTICLE 6:** To see if the Town will vote to raise and appropriate, transfer or borrow a sum of money for the construction and/or repair and/or purchase and/or lease of buildings or equipment and/or for feasibility and other types of studies as follows:

- A. Town Wharf Reconstruction/Repairs
- B. Upgrade Fuel Storage at Fire Department Headquarters
- C. Upgrade South High School Wastewater Treatment Plant or take any other action relative thereto.

## BOARD OF SELECTMEN

**ARTICLE 7:** To see if the Town will vote to raise and appropriate, transfer or borrow a sum of money to purchase parcels of land, now or formerly owned by Digital Equipment Corporation, located off Old Sandwich Road, Clark Road, Beaver Dam Road and Long Pond Road, shown as approximately 3,048 acres on a plan of land on file with the Town Clerk, entitled "Chapter 61 Lotting Scheme of Chiltonville Hills, Plymouth, Massachusetts" dated April 18, 1997, last revised April 29, 1997, prepared by Daylor Consulting Group, Inc. including "lots to be non-Chapter 61 jurisdiction" and "lots to remain under Chapter 61 jurisdiction," to authorize the Board of Selectmen to accept any funds for the purpose of said land acquisition, and further, to authorize the Board of Selectmen to take such action as may be necessary to purchase said land and secure any such funds, including the grant of conservation or other restrictions upon said land, or take any other action relative thereto.

## BOARD OF SELECTMEN

**ARTICLE 8:** To see if the Town will vote to exercise its right of first refusal and purchase approximately 2,300 acres of the parcels of land owned by Digital Equipment Corporation and bounded more or less by Long Pond Road on the west, by Clark and Beaver Dam Roads on the south and east, and by a powerline easement on the north, and raise, appropriate, borrow or transfer a sum of money sufficient to accomplish this purchase, or take any other action relative thereto.

BY PETITION: David Buckman, et al.

**ARTICLE 9:** To see if the Town will vote to ask the Board of Selectmen to call a townwide referendum vote as to whether the town shall exercise its right of first refusal and purchase approximately 2,300 acres of the parcels of land owned by Digital Equipment Corporation and bounded more or less by Long Pond Road on the west, by Clark and Beaver Dam Roads on the south and east, and by a powerline easement on the north, or take any other action relative thereto.

BY PETITION: David Buckman, et al.

**ARTICLE 10:** To see if the Town will vote to exercise its right of first refusal and purchase approximately 700 acres of the parcels of land owned by Digital Equipment Corporation as Form A lots and bounded more or less by Long Pond Road on the west, by Clark and Beaver Dam Roads on the south and east, and by a powerline easement on the north, and raise, appropriate, borrow or transfer a sum of money sufficient to accomplish this purchase, or take any other action relative thereto.

BY PETITION: David Buckman, et al.

**ARTICLE 11:** To see if the Town will vote to raise and appropriate or transfer a sum of money for the revaluation of real and personal property, or take any other action relative thereto.

DEPARTMENT OF FINANCE ASSESSING DIVISION

**ARTICLE 12:** To see if the Town will vote to raise and appropriate, transfer or borrow a sum of money to pay certain unpaid bills as follows:

<i>Item</i>	<i>Department</i>	<i>Payee</i>	<i>Amount</i>
A	Police	Denis Candlen	\$2,642.32
B	Police	Lynn Rossborough	\$2,224.84

or take any other action relative thereto.

BOARD OF SELECTMEN

**ARTICLE 13:** To see if the Town will vote to authorize the Board of Selectmen to petition the Great and General Court of the Commonwealth to enact legislation, the full text of which is on file with the Town Clerk, to permit the Town to continue to provide health insurance to those who have retired from the service of the town as of the effective date of such legislation, their spouses and dependents, at the same percentage of premium contribution provided by the Town as of the date of such individual's retirement for as long as said individual remains continuously enrolled in a Town of Plymouth health insurance plan, regardless of whether or not the Town alters the health insurance premium contribution rate for other enrollees, or take any other action relative thereto.

BOARD OF SELECTMEN

**ARTICLE 14:** To see if the Town will vote to authorize the Board of Selectmen to petition the Great and General Court of the Commonwealth to enact legislation, the full text of which is on file with the Town Clerk, to permit the Town to continue to provide health insurance to those who have retired from the service of the town as of the effective date of such legislation, their spouses and dependents, at the same percentage of premium contribution provided by the Town as of the date of such individual's retirement for as long as said individual remains continuously enrolled in a Town of Plymouth health insurance plan, regardless of whether or not the Town alters the health insurance premium contribution rate for other enrollees, or take any other action relative thereto.

BY PETITION: Warren J. Ottino. et al.

**ARTICLE 15:** To see if the Town will vote authorize the Board of Selectmen to sell pursuant to the requirements of MGL Chapter 30B the former fire station located at 51 Main Street currently known as Sam Diego's Restaurant, or take any other action relative thereto.

BOARD OF SELECTMEN

**ARTICLE 16:** To see if the Town will vote to transfer the care, custody, management and control of the rights and easements described in this article from the Board of Selectmen for general municipal purposes to the Board of Selectmen for the purpose of conveyance and to authorize the Board of Selectmen to release to Boston Edison Company, the owner of the affected property, on such terms and conditions as the Selectmen may determine, roadway easements and rights described in the deed from Paul J. Whipple, et al., Trustees, dated June 14, 1978, to Boston Edison Company, recorded with the Plymouth County Registry of Deeds in Book 4471, Page 428, and shown as "Centerline Roadway Easement Area – A," "Centerline Roadway Easement Area – B" and "Centerline Permitted Roadway Use Area," on the Plan entitled "Plan of Land Plymouth, Mass to conveyed to Boston Edison Company," dated October 5, 1977, recorded with said Deeds on June 16, 1978 in Plan Book 20, Page 198, or take any other action relative thereto.

**BOARD OF SELECTMEN**

**ARTICLE 17:** To see if the Town will vote to amend the Zoning Bylaw Section 102 – Definitions as well as associated definitions and sections to redefine the term "Elderly Household" as it relates to Open Space Mixed Use Developments (OSMUD) or take any other action relative thereto.

**PLANNING BOARD**

**ARTICLE 18:** To see if Town Meeting will vote "no confidence" in the matter of Town Manager Don Jacobs' lack of communication with the committees, departments, Board of Selectmen and Town Meeting members of the Town of Plymouth.

BY PETITION: Stephen Lozinak et al.

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notice thereof fourteen days at least before such meeting in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the 7th Day of October, 1997.

LOCATION DATE & TIME POSTED

TOWN CLERK

## **Special Town Meeting**

**27 October 1997**

The Moderator, F. Steven Trifletti, opened the meeting at 7:30 P.M., on Monday, 27 October 1997 at Plymouth North High School. VFW Post 1822 and American Legion Post 40 presented the colors. The student executive board of vocal music of Plymouth North and South High Schools sang the National Anthem. Father Edward Doughty of St. Bonaventure's Church gave the invocation.

The Moderator called the meeting to order at 7:30 P.M., and the Clerk certified to him that a quorum was present.

The Moderator reported that the return of the warrant of the Special Town Meeting was properly served. With the assent of Town Meeting, he waived the reading of the Constable's Return of Service and the reading of the warrant.

Mr. Sanguinet moved that on all matters to come before this Special Town Meeting requiring a two-thirds vote by statute a count need not be taken unless the vote so declared is immediately questioned by seven or more town meeting members. The motion PASSED.

Roger Silva moved that Article 13 be taken out of order to precede Article 1. The motion PASSED unanimously.

Mr. Vaz moved that Articles 7, 8, 9, and 10 be taken up at 7:30 P.M. on Tuesday, 28 October. The motion PASSED by more than 2/3.

Mr. Sanguinet moved that adjourned sessions of this Town Meeting be held on October 28, 29, and 30, 1997 at 7:30 p.m. at Plymouth North High School. The motion PASSED.

Mr. Parker moved that during this Special Town Meeting any question asked

by a Town Meeting Member of an elected or appointed official or Town Counsel of the Town of Plymouth and the answer given shall not count as part of the time when time is kept. On a standing vote, the motion PASSED, 79 in favor and 14 opposed.

**ARTICLE 13:** Mr. Sanguinet moved that the Town vote to authorize the Board of Selectmen to petition the Great and General Court of the Commonwealth to enact legislation, the full text of which is on file with the Town Clerk, to permit the Town to continue to provide health insurance to those who have retired from the service of the town as of the effective date of such legislation, their spouses and dependents, at the same percentage of premium contribution provided by the Town as of the date of such individual's retirement for as long as said individual remains continuously enrolled in a Town of Plymouth health insurance plan, regardless of whether or not the Town alters the health insurance premium contribution rate for other enrollees.

The motion PASSED.

**ARTICLE 1:** Mr. Sanguinet moved that the Town vote to accept the report and place it on file at the Town Clerk's Office from the Temporary Long Pond Road Study Committee and extend their term for review at the April, 1998 Annual Town Meeting.

The motion PASSED.

**ARTICLE 2:** Mr. Sanguinet moved that the Town vote to amend Article 1 of the Town of Plymouth Bylaws by adding the following language as Section 1.1 (1)

"The Moderator may take all votes requiring a two-thirds majority in the same manner in which he or she conducts the taking of a vote when a majority is required."

The motion PASSED with 67 voting in favor and 29 in opposition.

**ARTICLE 3:** Mr. Sanguinet moved that the Town vote to amend its bylaws, Section 1.1 by adding the following language:

- (1) In the event that the result of a vote (other than secret) on the main motion of any article is not unanimous, the vote shall be retaken by rollcall.
- (2) The Town Clerk shall be required to keep a record of all votes on file for no less than three years.

Mr. Skelly moved the previous question. The motion PASSED by more than 2/3.

Mr. Beauregard moved to fix the method of voting by roll call. The motion FAILED.

On the main motion, the motion FAILED.

**ARTICLE 4:** Mr. Sanguinet moved that the Town vote to amend the Classification and Compensation Plans and incorporate by reference the Collective Bargaining Agreement approved by the Board of Selectmen and representatives of Local 1768, International Association of Firefighters, AFL-CIO, and that the Personnel By-law be amended by incorporating said agreement including salaries in said agreement for the period July 1, 1996 – June 30, 1999.

The motion PASSED.

## **ARTICLE 5**

**B:** Mr. Sanguinet moved that the Town vote to transfer \$276,528 from the Board of Selectmen Personal Services (Salary Reserve) to Fire Department Personal Services, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

## **ARTICLE 5**

**A:** Mr. Sanguinet moved that the Town vote to transfer \$11,600 from Non-Contributory Pensions (budget #911) to Central Purchasing (budget #138) for the purpose of purchasing office furniture, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

## **ARTICLE 6**

**D:** Mr. Sanguinet moved that the Town vote to raise and appropriate the sum of \$76,112.50 for planning and reconstruction of the Town Wharf, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

## **ARTICLE 6**

**B:** Mr. Sanguinet moved that the Town vote to transfer the sum of \$7,000 from Article 9-3 of the 1997 Annual Town Meeting (Rehabilitation of Engine #1) and the sum of \$5,000 from Article 9-23 of the 1997 Annual Town Meeting (Defibrillation Units) to add to the appropriation in ARTICLE 6:Article 9-33 of the 1997 Annual Town Meeting (Upgrade Fuel Storage), said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

## **ARTICLE 6**

C: Ms. Manfredi moved that the Town vote to appropriate the sum of \$250,000 for the purpose of financing the upgrade of a wastewater treatment facility at the Plymouth South High School, including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation the Treasurer with the approval of the Board of Selectmen is authorized to borrow \$250,000 and issue bonds or notes therefor under Chapter 44 of the General Laws, Chapter 645 of the Acts of 1948 and/or Chapter 29C of the General Laws; that the Treasurer with the approval of the Board of Selectmen is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and in connection therewith to enter into a loan agreement and/or security agreement with the Trust and otherwise to contract with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the project or for the financing thereof; that the School Committee or other appropriate local body or official is authorized to enter into a project regulatory agreement with the Department of Environmental Protection; and that the School Committee is authorized to expend all funds available for the project and to take any other action necessary to carry out the project.

Mr. Gomes moved the previous question. The motion PASSED by more than 2/3.

On the main motion, the motion PASSED by more than 2/3.

The Moderator called a recess at 9:25 P.M.

Town Meeting returned to order at 9:40 P.M.

**ARTICLE 11:** Mr. Sanguinet moved that the Town vote to transfer \$60,000 from Overlay Surplus for the revaluation of real and personal property, said funds to be expended under the supervision of the Town Manager.

The motion PASSED.

**ARTICLE 12:** Mr. Sanguinet moved that the Town vote to raise and appropriate \$2,642.32 to pay a certain unpaid bill as follows:

A	Police	Denis Candlen	\$2,642.32
---	--------	---------------	------------

and further,

Mr. Sanguinet moved that the Town vote to raise and appropriate \$2,224.84 to pay a certain unpaid bill as follows:

B	Police	Lynn Rossborough	\$2,224.84
---	--------	------------------	------------

The motion PASSED with 74 voting in favor, 2 in opposition, and 2 abstaining, with a margin of greater than 9/10.

**ARTICLE 14:** No action.

**ARTICLE 15:** Mr. Sanguinet moved that the Town vote to transfer the care, custody, and control of the former fire station location at 51 Main Street, and currently known as Sam Diego's Restaurant, currently in the custody of the Board of Selectmen for general purposes, to the Board of Selectmen for the purpose of conveyance;

and further,

Mr. Sanguinet moved that the Town authorize the Board of Selectmen to sell said property, known as the former fire station located at 51 Main Street currently known as Sam Diego's Restaurant, for a sum and upon conditions to be determined by the Board of Selectmen and pursuant to the requirements of MGL Chapter 30B.

The motion PASSED by greater than 2/3.

**ARTICLE 16:** Mr. Sanguinet moved that the Town vote to transfer the care, custody, management and control of the rights and easements described in this article from the Board of Selectmen for general municipal purposes to the Board of Selectmen for the purpose of conveyance and to authorize the Board of Selectmen to release to Boston Edison Company, the owner of the affected property, on such terms and conditions as the Selectmen may determine, roadway easements and rights described in the deed from Paul J. Whipple, et al., Trustees, dated June 14, 1978, to Boston Edison Company, recorded with the Plymouth County Registry of Deeds in Book 4471, Page 428, and shown as "Centerline Roadway Easement Area - A," "Centerline Roadway Easement Area - B" and "Centerline Permitted Roadway Use Area," on the Plan entitled "Plan of Land Plymouth, Mass to conveyed to Boston Edison Company," dated October 5, 1977, recorded with said Deeds on June 16, 1978 in Plan Book 20, Page 198.

The motion PASSED unanimously.

**ARTICLE 17:** No action.

**ARTICLE 18:** Mr. Lozinak moved that Town Meeting vote "no confidence" in the matter of Town Manager Don Jacobs's lack of communication with the committees, departments, Board of Selectmen and Town Meeting members of the Town of Plymouth.

The Moderator reported an opinion from Town Counsel stating the the motion was outside the scope of the article.

Town Meeting took no action.

Mr. Sanguinet moved to adjourn this session at 10:03 P.M. The motion PASSED.

## **Special Town Meeting**

**27 October 1997**

**Adjourned Session of 28 October 1997**

The moderator opened the meeting at 7:30 P.M. Mr. Pizer informed him that a quorum was present, and he called the meeting to order at 7:32 P.M.

Mr. Ellis moved to lay the Digital Articles on the table. The motion FAILED.

**ARTICLE 7:** Mr. Sanguinet moved that the Town vote to appropriate 8.2 million for the purchase of the following parcels of land for municipal purposes:

Land, now or formerly owned by Digital Equipment Corporation, located off Old Sandwich Road, Clark Road, Beaver Dam Road and Long Pond Road, shown as approximately 2,331 acres on a plan of land on file with the Town Clerk, entitled "Chapter 61 Lotting Scheme of Chiltonville Hills, Plymouth, Massachusetts" dated April 18, 1997, last revised April 29, 1997, prepared by Daylor Consulting Group, Inc. including "lots to remain under Chapter 61 jurisdiction,"

and that to meet this appropriation the Treasurer with the approval of the Board of Selectmen is authorized to borrow 8.2 million under G.L. c.44, §7; and that the Board of Selectmen is authorized to take any other action necessary to carry out this project.

Mr. Silva moved to amend Mr. Sanguinet's motion to provide that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by G.L. c.59, §21C (Proposition 21/2) amounts required to pay the principal of and interest on the borrowing authorized by this vote.

The Moderator called a recess at 9:25 P.M.

Town Meeting returned to order at 9:40 P.M.

Mr. Brewster moved the previous question on the motion to amend. The motion PASSED.

On the motion to amend, the motion PASSED with 72 voting in favor, 21 voting in opposition and 1 abstaining.

On the main motion, Mr. Howe moved the previous question. The motion PASSED.

Dr. Rushforth moved to fix the method of voting by roll call. The motion PASSED

On the roll call, the motion FAILED to reach the necessary 2/3 margin with 52 voting in favor and 45 voting in opposition.

**ARTICLE 8:** No action.

**ARTICLE 9:** No action.

**ARTICLE 10:** No action.

Mr. Sanguinet moved to dissolve this Special Town Meeting at 11:09 P.M. The motion PASSED.

# Special Election Warrant

January 11, 1997

## GREETINGS:

# Special Election Warrant

June 7, 1997

## GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the inhabitants of Plymouth qualified to vote in elections, to meet in:

Precinct 1	Hedge School
Precinct 2	Cold Spring School
Precinct 3	Town Hall
Precinct 4	Plymouth North High School
Precinct 5	Plymouth Community Intermediate School
Precinct 6	Manomet Elementary School
Precinct 7	Indian Brook School
Precinct 8	Cedarville Fire Station
Precinct 9	South Elementary School
Precinct 10	Federal Furnace School
Precinct 11	Plymouth Airport
Precinct 12	Plymouth South High School
Precinct 13	West Elementary School

in said Plymouth on Saturday, the Seventh Day of June, 1997, between the hours of Eight O'Clock in the forenoon and Eight O'Clock in the afternoon, to cast a vote for the following questions:

## QUESTION 1

"Shall the Town vote to approve the action of the Representative Town Meeting whereby it was voted under Article 1 of the April 5, 1997 Special Town Meeting that the Town endorse a wastewater treatment facilities plan identified as alternative one in the Town's notice of project change dated February 27, 1997, to be submitted as the Town's recommended plan in the Final Phase IIIB Facilities Plan and Final Environmental Impact Report which the Town is required to submit to the Secretary of Environmental Affairs on or before May 1, 1997 in accordance with the requirements of the final judgment entered in Suffolk Superior Court, Civil Action No. 87-2185, Commonwealth of Massachusetts v. Town of Plymouth; and to meet this appropriation, authorized borrowing, including borrowing from the Massachusetts Water Pollution Abatement Trust pursuant to General Laws Chapter 29C, and acceptance of any other available state or federal aid for this project?"

Yes \_\_\_\_\_ No \_\_\_\_\_

## QUESTION 2

"Shall the Town vote to approve the action of the Representative Town Meeting whereby it was voted under Article 2 of the April 5, 1997 Special Town Meeting that the Town appropriate \$36,500,000 for acquiring land for the construction of wastewater treatment and disposal facilities as described in the vote under Article 1 of said Special Town Meeting; and to meet this appropriation, authorized borrowing, including borrowing from the Massachusetts Water Pollution Abatement Trust pursuant to General Laws Chapter 29C, and acceptance of any other available state or federal aid for this project?"

Yes \_\_\_\_\_ No \_\_\_\_\_

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof, fourteen days at least before the election, in the Town Office Building and make return thereof with your doings thereof at the time and place above-mentioned.

Given under our hands this the Fourteenth day of May, 1997.

Approved as to Legal Form and Content

TOWN COUNSEL

BOARD OF SELECTMEN

LINDA C. TEAGAN, Chairman  
ROGER E. SILVA  
EUGENE T. LANE  
JEFFREY METCALFE

Plymouth, ss.

Pursuant to the foregoing Warrant, I have this day warned the Inhabitants of Plymouth qualified to vote in elections to meet in Precinct 1, Hedge School, Precinct 2, Cold Spring Elementary School, Precinct 3, Town Hall, Precinct 4, Plymouth North High School, Precinct 5, Plymouth-Carver Intermediate School, Precinct 6, Manomet Elementary School, Precinct 7, Indian Brook Elementary School, Precinct 8, Cedarville Fire Station, Precinct 9, South Elementary School, Precinct 10, Federal Furnace Elementary School, Precinct 11, Plymouth Airport, Precinct 12, Plymouth South High School, Precinct 13, West Elementary School in said Plymouth to cast their votes for Town Officers between the hours of Eight O'Clock in the forenoon and Eight O'Clock in the afternoon on Saturday, the Seventh Day of June, 1997, by posting copies of this Warrant in the Town Office Building and in a public place in each precinct, fourteen days at least before such meeting.

CONSTABLE OF PLYMOUTH

Upon call from the Town Clerk, Precinct 8 Town Meeting Members met in the Town Clerk's Office at 702 P.M. on October 7, 1997. Present were Paul Skelly, Ann Skelly, John Lee, Laurence Ellis, and A. Wendy Longo. Also present was the Town Clerk, Laurence Pizer.

The caucus elected Theodore Bosen unanimously to fill the unexpired term of Genevieve Ash. The caucus adjourned at 7:16 P.M.

Attest:

Laurence R. Pizer  
Town Clerk

# BOARD OF SELECTMEN

In 1997 the Board of Selectmen welcomed Kenneth Tavares upon his election and return to the Board. The Chairmanship was voted to Roger Silva with Linda Teagan becoming the Vice Chair.

For the past several years, the Board of Selectmen has had as its number one goal a stabilized and reduced tax burden for the citizens of Plymouth. During the last four years, the Board, with the cooperation of Town Meeting for the most part, has funded the Town Budget without utilizing the Proposition 2 1/2 allowance as allowed by law. The Massachusetts Legislature recently passed an electric utility deregulation bill. Due to the change in tax status of Boston Edison resulting from this bill, all Town departments will be challenged, as the Town will lose a significant amount of needed revenue. The Board has received financial data from the Town Manager and the recently hired Director of Finance Patrick Dello Russo, for this fiscal year and will again be urging Town Meeting not to use any of the Proposition 2 1/2 allowance.

The Board has been successful in pursuing the much needed wastewater treatment plant at Camelot Park. This project should be going out to bid shortly, and it is the Board's hope that it can be constructed for a good deal less than the anticipated \$40,000,000 price tag. The Town has broken ground on the Forges Field, West Plymouth, and Manomet recreation projects. It is expected that the municipal golf and recreation field complex adjacent to it will be constructed in the spring.

The Board voted to sell or dispose of several town properties so they would be put back on the tax rolls and remove the expense associated with building maintenance and costly insurance. The old Water Department building on Howland Street will soon house a new commercial enterprise once located in nearby Pembroke. The Town removed the small building on North Park Avenue and will restore the park to its original use. Other properties are in the process of being sold or leased to accomplish this goal.

The Town welcomed the arrival of new transportation resources. The MBTA restored train service to Cordage Park in North Plymouth and GATRA began running limited bus service to several parts of town.

The extension of Route 44 is scheduled to begin in the spring and with it the anticipation of much needed commercial and light industrial growth. The Board believes the Town must encourage this growth to offset the expected loss of Boston Edison revenues.

While the Board is concerned with the recent deregulation, it also has a sense of optimism. The Board feels that Plymouth is much more than a one industry town. With the cooperation of all boards, committees, department heads and especially its employees, Plymouth will not only survive the next few years, but will grow stronger because of it.

The Town and Board were saddened by the loss of a number of Town employees in 1997. They will be missed by all of those that they so willingly served.

The Board of Selectmen thanks all elected and appointed officials and the many volunteers who contribute their time, energy, and expertise throughout the year.

# TOWN MANAGER

As stated in the FY 1998 budget message, the Town of Plymouth finds itself at a fiscal crossroad. The complexity of the issues facing the Town of Plymouth could best be summed up in two words: "change" and "growth." The role of the Town Manager's Office in 1997 underwent a significant change as the role of local government has become recognized no longer as solely a provider of service but as a facilitator or, framer of issues, building coalitions as a catalyst to move issues forward. In this new role, the office of the Town Manager was actively engaged in a number of issues having an immediate as well as long term impact on the Town. These issues included:

- **Deregulation:** The passage of state legislation has resulted in the shifting of approximately 25% or \$15 million dollars from tax levy to Payment In Lieu Of Taxes (PILOT). The Town will receive a fixed level of PILOT payment from Boston Edison for three fiscal years from FY'99 – 2001 based upon the tax payment from FY'98. The Town and Boston Edison are required to negotiate in good faith a PILOT agreement for the remaining life of the power plant.
- **Fiscal Management:** The adoption of the Town's FY'98 budget reflected the fourth consecutive year through no use of tax levy allowance, resulting in a reduction in the amount of tax levy as a percentage of total revenue. The maintenance of the Town's capital infrastructure program continued to be the most significant budgetary issue. The provision of utility services (waste water, water and solid waste) were issues that were acted upon during the year. The Town approved a waste water treatment facility plan and received approval as the first municipality to undertake a design, build, operate (DBO) award in accordance with the State's Revolving Fund program. Other significant capital projects included the beginning of the closure of the Town's Sanitary Landfill, the initiation of a pilot curbside recycling program and the beginning of the construction of nineteen recreation fields at Forges Field, West Plymouth and Briggs recreation sites.
- **Personnel Management:** A number of significant changes occurred in 1997 in the area of personnel management. These included the establishment of the first "earned time" program in the state for non-union employees. This program eliminated the conventional method of leave management by eliminating sick and vacation leave as well as compensatory time off and in its place providing for a lump sum amount of earned time for each employee to use when ever time off from work is necessary. The Town implemented the first deferred compensation matching program. In addition, as a result of collective bargaining agreements, the Town introduced an optional, alternative health insurance coverage (Blue Cross PPO) for employees. This plan includes dental and long term disability plans as well as incentives to employees to join this optional

coverage. This should result in a reduction in the cost of health insurance to the Town. A new employee goals/objectives program was implemented that will serve as a model for all employees of the Town. Finally, a new contract was renegotiated with Blue Cross resulting in the elimination of a \$1.5 million, non-interest bearing, fund deposit.

- **Economic Development:** The need to expand the Town's commercial/industrial tax base was a critical issue in 1997. The Town was successful in applying for several economic related grants including a pilot mass transit bus service, \$320,000 for the restoration of the Town Wharf, \$150,000 for a transportation planning grant, \$60,000 to conduct a feasibility study to renovate Memorial Hall, a state commitment to conduct a higher education facility feasibility study and the award from the State of the first ever \$3.5 million challenge grant to the Town to conduct a land use growth management program.

As a result of the changes that have occurred in 1997, it is imperative that the role of local government in Plymouth change as well. The question as to who owns the public agenda is now more so than ever before a joint ownership between the Town's administrative staff, the various policy making bodies, and the citizens of the Town. We must recognize the need to establish processes that will enable opinions to be expressed and consensus agreed upon that will enable actions to be taken that will ensure that the fiscal integrity of the community will be maintained as effectively as possible.

# **TOWN CLERK**

**The mission of the Plymouth Town Clerk's Department is to maintain and produce the records of the Town of Plymouth and to provide copies of them for internal and external use. Also, it serves the public by directing them to appropriate offices within town government through the switchboard and mail services. It works closely with the Board of Voting Registrars to maintain lists of town residents and to conduct elections.**

**The Clerk's office seeks to combine honesty, efficiency, and a pleasant demeanor in conducting its work to serve constituencies in the present and former citizens of Plymouth, the other offices of town government, offices in county, state and national government, and researchers around the world.**

After returning to our quarters early in 1997 following exile to the lower level during Town Hall renovations, the Town Clerk's Office redesigned its operations for greater efficiency. By the end of the year only a reconstruction of the counter remained on the list still to be accomplished.

The 1997 Town Census was by far the most complete and consistent in recent years. Carol Garuti worked for six months in the Clerk's office, not only entering information for 1997, but improving the street list within the computer census program.

Installation of the town new computer system permitted updating of the computer processes for vital records and other databases within the Clerk's office. In order to provide for efficiency and accuracy, the office instituted new programs for deaths, marriages, business certificates, mobile home homestead certificates, underground storage permits, dog licenses, petitions, planning and zoning decisions, and nomination papers. The programs worked so well that they served as models for several other communities across Massachusetts.

The Clerk's Office was again moved within Town government, this time from the Finance Department to the Town Manager's Department.

Town Clerk Laurence R. Pizer was reelected Second Vice President of the Massachusetts Town Clerks Association. He was named the lead clerk in seeking an update to the law on vital records. Proposed changes would affect all citizens of Plymouth.

During the year the Clerk's office processed

1063	Birth Certificates
279	Marriage Certificates
449	Death Certificates
6300	Vital Record Amendments
2791	Dog Licenses
276	Business Certificates
2229	Shellfish licenses
631	Sporting Licenses
10	Homestead Certificates
78	Nomination Petitions
253	Issue Petitions
98	Underground Storage Permits
1000	Meeting Postings
686	Uniform Commercial Code Filings

# **HUMAN RESOURCES DEPARTMENT**

**The mission of the Human Resources Department is to contribute to the achievement of townwide objectives by increasing organizational effectiveness; to promote positive employee relations through improved communication and a team approach to resolving issues; to provide fair and equitable systems for hiring, promotion, compensation and classification; to provide assistance and advocacy to employees and retirees through the management of benefit programs; to encourage the professional development of employees through education and training programs; to assist managers and supervisors in improving employee relations and effective contract administration; and to provide a fair and open working environment which encourages team participation.**

During 1997, thirty-four new employees were hired, eighteen employees were promoted and seventeen employees retired.

Collective bargaining agreements were concluded with seven of eight unions. An important benefit negotiated with the unions was the addition of an optional health insurance plan, which provided to those who enrolled an additional option of a dental and/or long-term disability insurance plan. The optional health plan is a managed care Blue Cross product, Blue Choice, and which is expected to reduce the claims cost to the Town.

All contracts had three-year provisions and included cost of living increases of 2%, 3% and 3% for the three successive years.

The annual town meeting of April 1997 voted an earned time benefit policy for full-time, non-bargaining unit employees. Classification studies of the DPW and non-bargaining unit employees continued in 1997.

The Education Committee has continued its work to provide education and training opportunities for all employees. Supervisory training programs were held for department heads and Public Works supervisors. First Responder classes were provided all interested employees.

# **DEPARTMENT OF FINANCE**

## **Accounting Division**

**The mission of the Accounting Division of the Department of Finance is to provide accurate accounting services to the Town's employees and outside vendors in a timely and efficient manner; to treat employees and vendors with respect, thereby establishing a cooperative and friendly atmosphere; and to provide a reliable informational resource to fellow employees and the community at large.**

The Accounting Division continued to be an area of great activity in Fiscal 1997. While payroll levels remained constant, the number of invoices paid continued to rise as it has over the last several years.

Once again the Division experienced a staffing change. Joan Flynn, a Town employee since August of 1980 and a member of this office for nearly fourteen years, retired this past summer. Her patience and reliability will be greatly missed. Wendy Otto was selected to fill Joan's position.

Along the lines of personnel changes, Michael Daley, the Town's first Finance Director, left in December to pursue other opportunities. The Accounting Officer was named Acting Finance Director until a suitable replacement could be found. This put additional strain on the already thin ranks of the Division. Many thanks go out to Kate Mahoney and Wendy Otto for the incredible jobs they did under difficult conditions.

### **Annual Data**

I hereby submit this annual data for the Fiscal Year ended June 30, 1997.

In order to comply with MGL Ch41, s50 I have provided a June 30, 1997 Reconciliation of Treasurer's Cash.

In order to comply with MGL Ch41, s53 I have provided the June 30, 1997 Town of Plymouth Trust Fund Combined Balance Sheets for the Expendable & Non-expendable Trust Funds. I have also provided a Statement of Revenues, Expenditures & Changes in Trust Fund Balances.

In order to comply with MGL Ch41, s58 and MGL Ch41 s61 I have provided the following financial statements:

June 30, 1997 Combined Balance Sheet,

June 30, 1997 Combined Statement of Revenues, Expenditures and Transfers with Changes in Fund Balance,

June 30, 1997 Statement of Revenues, Expenditures and Transfers Budget and Actual - General fund

June 30, 1997 Schedule of Real Estate, Personal Property and Excises,

June 30, 1997 Schedule of Authorized and Unissued Debt with FY 1997 activity,

June 30, 1997 Summary of Available Borrowing Capacity.

Detailed documentation relating to any of the summary data provided herein, as well as copies of the FY 1997 independent auditors' report are available at the Accounting Division office located in Plymouth Town Hall.

## Assessing Division

The mission of the Assessing Division is to value all property fairly and equitably; to educate our customers about the rules and regulations which we must abide by; to work as a team; to treat all customers the same, with professionalism and respect; and to make the Assessing Division the best managed division in the Town of Plymouth.

With the resignation of Board member Katherine Talbot, the Board welcomed back former Board member, Katherine Rebell. The office also welcomes a new member to the clerical staff, Deborah Cavicchi.

The office looks forward to implementing new appraisal system software on a network of new computers. Analysis for FY99 recertification will be done on the new system. The new system will provide easy access to office information for the taxpayer as well as all local real estate offices.

The field staff has continued its diligent efforts to do interior inspections of all properties in the Town of Plymouth.

### ANNUAL DATA

<b><u>FY98 CLASSIFICATION</u></b>	<b><u>ASSESSED VALUE</u></b>	<b><u>%OF TOTAL</u></b>
Residential	\$2,009,742,588.00	63.398
Open Space	\$533,800.00	.017
Commercial	\$262,306,307.00	8.275
Industrial	\$230,953,200.00	7.285
Personal	\$666,498,671.00	21.025

## **Data Processing Division**

**The mission of the Data Processing Division is to provide technical computer service to town personnel in order to maintain data integrity; to promote computer literacy to town personnel through support, training and knowledge; to evolve as a team player to all departments with an open communication policy; to utilize all resources efficiently and effectively with regard to computer hardware and software to benefit the Town of Plymouth.**

**The Goals of the Division are:**

- To have a wide area network connecting all town buildings.
- To train town personnel on the use of new computer technologies.
- To support and maintain the town's wide area network.
- To evolve from the mainframe computer to all network based applications.

By the end of Fiscal '98 we will have completed our network installation, thus connecting 29 town buildings, by either cable connection, or modem access. We will have 145 PC Workstations operating with Windows NT.

All workstations will have Microsoft Office 97 office automation software installed. We presently are awaiting the installation of new Assessing software, and at the 1998 Annual Town Meeting we will be looking for funding to purchase PC Windows based applications for all functions presently residing on our Prime Mini system. They include: Financials; Property Tax billing and collection for Real Estate, Personal Property, Auto and Boat Excise as well as Water/Sewer Utilities.

We have now added four CAD (Computer Aided Design) workstations in the Town's Engineering Division. This is a major change for this Division, and included software, as well as hardware and technical training.

## **Treasury Division**

The Treasury Division of the Department of Finance receives and provides for the custody of the Town's cash with strict consideration to safety, liquidity and earnings. The Treasury banks and reports cash receipts and releases properly authorized funds in a timely manner. The Treasury borrows funds for authorized projects only as needed and at the least possible cost to the Town. The Treasury maintains and pursues the collection of delinquent taxes in a manner that is sensitive to the needs of the individual and the community as a whole. The mission of the Treasury staff is to seek the public's respect through its actions and deeds.

### **ANNUAL REPORT**

Treasury recorded a total of \$124,086,005.90 of receipts and \$121,958,352.77 of disbursements during Fiscal Year 1997. The cash needs of the Town were maintained without the use of any borrowing in anticipation of revenue. All of the Town's cash was continually invested in various short term instruments with the exception of the Town's Trust funds that by law are allowed to be invested on a long term basis.

For fiscal 1997, Treasury was able to collect \$1,112,545.08 in delinquent tax title accounts. This amount, in addition to the delinquent collections of the Town Collector, has contributed to Free Cash and ultimately to the Stabilization Account. The Stabilization Account for the Town has a book value of \$9,577,354.27 as of the end of the fiscal year.

# **DEPARTMENT OF PLANNING AND DEVELOPMENT**

**The mission of the consolidated Department of Planning and Development is to coordinate all planning, community, and economic development activities of all Town government agencies. This department is to provide a comprehensive vision of the Town's long range goals, and to administer local development controls in a fair and equitable manner consistent with those goals. Specific programs are to be designed and implemented to achieve these ends.**

This department seeks to balance the overall public good with individual rights and interests. As professional support staff, reliable guidance and assistance is to be provided to boards, agencies, citizens, and other Town departments.

The year 1997 was the sixth full year of operation for this consolidated department. Responsibility includes supervision and coordination of town agencies related to subdivision control, land acquisition, conservation, redevelopment and revitalization, zoning appeals, design review, historic preservation, affordable housing, and economic development. This was the fourth full year operating with a consolidated budget, demonstrated to be an effective means of assuring fiscal accountability and efficiency.

Working under the direction of the Director of Planning and Development, individual boards and agencies are working more closely together. This was the first full year in operation at the newly renovated second floor of the Town Hall. This consolidation has clearly improved communication and the level of public service.

The new organizational structure continues to change and adapt to new challenges. Of particular challenge this year was the submission of plans by the Green Company for the development of the 3000-acre Digital property. This involved considerable time and involvement of virtually all boards and their staff, and is certain to be a dominant topic throughout the new year.

## **Cedarville Steering Committee**

The Cedarville Steering Committee meets the first Wednesday of the month, at the Meeting Room in the new Cedarville Village Fire Station, at 7:00 PM. There were 18 meetings this year. James Mason and Margie Bleau were welcomed as new members to the committee. Safety in the Village Center and implementation of the Cedarville Master Plan continue to be the main issues for the Committee.

The Committee met eighteen times this year. The year started with the opening of the new Cedarville Village Fire Station on January 11, 1997. The new Plymouth Animal Shelter, adjacent to the Fire Station also had an opening ceremony on January 11, 1997.

The Committee has worked with the library to develop plans for the opening of the former Cedarville Fire Station as a library to serve all the residents of the Cedarville area. A library is still a high priority need for Cedarville.

Long Pond/Carters Bridge Road safety and traffic concerns are the reason for several Capital Outlay Projects proposed by the Cedarville Steering Committee. There are three articles proposed for the 1998 Annual Town Meeting: to bring sidewalks along Long Pond Road by the playground, to study and widen Carter's Bridge, and to study the traffic problems along Long Pond Road.

The proposed Home Depot project caused much concern to the Committee since this project is in direct opposition to the goals of the Master Plan that the Committee follows and implements. The Committee held public informational meetings and wrote responses to both the SNF and the MEPA reports.

The Sagamore Bridge rotary reconstruction and its traffic impact will greatly affect Cedarville. The Committee invited the Mass Highway Department to present information on this important project to the Cedarville residents at a Public Forum, and will continue to follow this significant proposal.

The Committee members assisted in the annual Race to the Rock, worked on a full-time ambulance for Cedarville, met with various boards in town, wrote letters, and appeared on television to advocate for Cedarville.

Last, the Cedarville Steering Committee lost an active and dedicated member when Genevieve Ash passed away in September. Her work and dedication to improving Cedarville will long be remembered by the Steering Committee, residents of Cedarville, and Plymouth officials.

## **Office of Community Development**

The mission of the Community Development Office is to secure and administer state and federal grants that will further the Town's planning and development objectives. To accomplish this mission, OCD must seek out and coordinate Town department, outside agency and public participation in the process by which grant-funding programs and projects are identified, developed and implemented, including the leveraging of Town and private dollars wherever required or appropriate; achieve technical proficiency and creativity among staff; increase internal awareness of and respect for

**discretionary grant dollars and their benefit to the community at large; and ensure that Plymouth's community development programs are the most comprehensive and best managed among Massachusetts cities and towns.**

In 1997, the Office of Community Development undertook federal grant funded programs in housing rehabilitation, sidewalk renovation, bringing certain town-owned facilities into compliance with the Americans with Disabilities Act, and the commissioning of a study of the public social service needs of Plymouth's elderly on behalf of the Council on Aging. Outside of the federal grant funded activities, the office oversaw the creation of maps and an operational plan required for the town to implement a Title V betterment loan program. This program will assist homeowners in environmentally sensitive areas to repair failed septic systems.

The housing services program rehabilitated twenty-three housing units belonging to low and moderate income Plymouth homeowners. The program was offered town-wide and the individual projects were distributed among the five village areas in the following manner: North Plymouth – 1; Plymouth Center – 6; West Plymouth – 7; Manomet – 7; and Cedarville/South Plymouth – 2. Eleven units involved septic repair/replacement.

Sidewalks were renovated on Prince and Castle Streets in North Plymouth, which will serve the general neighborhood and be of great benefit to the residents of the elderly housing complexes at Castle Court and High Cliff. The two town-owned facilities which received handicapped accessibility improvements were the 1749 Courthouse in Town Square and the Manomet Youth Center (Bartlett Hall) in Manomet.

The study of the social service needs of the elderly will be followed in 1998 by grant funded programs to address some of those needs. Similarly, the Housing Services Program will be continued, more sidewalks will be renovated, an additional six town-owned facilities will be made ADA compliant, and play equipment for tots will be installed at Veterans Field.

## **Conservation Commission**

**The mission of the Conservation Commission is to protect wetlands and resources in the Town of Plymouth through acquisition, management, education and regulations; to act as a liaison between the public and other governmental agencies in protecting our natural resources and to become an environmental (educational) resource for the public and Town agencies, both through a library of literature and through the collective knowledge of the Conservation Commission members.**

The Conservation Commission consists of seven members, who are appointed by the Board of Selectmen and assisted by paid conservation staff. The Commission is charged with several duties including the acquisition of land for the purpose of management and promotion of unspoiled natural resource areas and the protection of inland and coastal natural resources. The protecting of these natural resources benefits the Town by providing flood control, protection from storm damage, protection of clean water supplies, promotion of wildlife diversity and recreation. In an effort to increase knowledge about environmental laws, pollution and resource/wetlands protection, the Commission members are available for presentations to schools, boards, clubs or groups.

Pursuant to its mandate under the Town of Plymouth Wetlands By-law, Article 27 and the Massachusetts General Laws, Chapter 131, S40, et seq., the Conservation Commission held twenty-nine public meetings and acted on seventy-one Notices of Intent (permit requests) for activity taking place within areas subject to their jurisdiction. Additionally, twenty-seven Requests for Determination (to determine whether a proposed activity was going to impact a resource area) and thirty-eight Jurisdictional Opinions were filed (to determine if a project was within a conservation area and whether or not a formal filing was required). In 1996, the number of permits processed was: sixty-nine Notices of Intent, twenty-four Requests for Determination and sixty-five Jurisdictional Opinions. The Commission also accepted three offers of land donations.

The Commission welcomed their newest member, Richard Stabile. The Commission counts on the dedication of its members who generously donate their time to complete the inspections required to process timely permit applications. The Commission welcomes assistance from anyone with the enthusiasm and desire to protect our resources.

## **Design Review Board**

The Design Review Board had a busy schedule, meeting more than once every month on Wednesday evenings. The Board looked at close to fifty projects, several of them more than once. The Board continues to see more projects as the economy has kept on a steady track, and a number of these are of large size.

Five appointed professionals, including architects, a landscape architect, and historians, make up the Board. Lawrence Geller resigned this year, and the Board appreciated his insights and energy.

The Design Review Board advises the Planning Board and the Board of Appeals on Special Permit Applications using the Appearance Code. The Appearance Code focuses on design principles that encourage harmony and compatibility with surroundings. Considered are exterior issues like colors,

materials, landscaping, lighting, signs, location, and overall appearance. Generally, the Board assists property owners with the fit of their buildings to what is around them. The Board encourages appropriate landscape treatment to soften the appearance of parking areas and buildings from the public street.

The Board also reviews the construction or enlargement of commercial buildings and multi-unit residential buildings as requested by the Building Inspector, again based on the Appearance Code. Last, the Board reviews larger projects subject to Environmental Design Conditions in accordance with those criteria.

This year's project list included the review of a number of commercial building proposals, such as in the industrial parks. The Board reviewed several new commercial projects on the Route 44 corridor, including various auto-oriented locations, the CVS, and Standish Plaza for the new Stop and Shop. Our approach continues to be to limit the view of parked cars and encourage the planting of street trees on these corridors, as well as improve the appearance of the buildings.

The Board reviewed two of the new hotel projects. The Board met more than once to review the Home Depot project with interested neighbors. The Board continued to encourage the reduction in the number of communication towers. Some of our membership participated in the waterfront state park planning process.

As the economy continues to progress in Massachusetts, the Design Review Board looks forward to another busy year.

## **Office of Economic Development**

**The mission of the Plymouth Office of Economic Development is to work with local, state, and national government officials and agencies, organizations (both public and private), private businesses, developers, community groups and professionals to retain, expand, and attract opportunities for Plymouth residents through a proactive approach and team effort.**

Nineteen hundred and ninety-seven witnessed a continued growth in our local economic base. As the country continued to enjoy an almost unprecedented extended period of economic improvement, Plymouth witnessed expansion of our manufacturing, healthcare, service, and visitor industries.

The roadway construction within Plymouth Industrial and Commerce Park that was funded through a state Public Works for Economic Development Grant

provided for improved access and the opening of nearly 70 acres of land. During 1997, agreements were reached with Commercial Masonry Corporation for a new multi-use building and LaFrance Hospitality for a new 100+ room hotel and restaurant (to be situated on an adjacent parcel).

The Office of Economic Development worked with the Greater Attleboro and Taunton Regional Transportation Authority in the development of a local, public transportation program. The program is funded by the state Executive Office of Transportation and Construction using Transportation Demand Management funds. The MBTA Old Colony Rail Line began service to Plymouth with two area stations, Kingston at Independence Mall, and North Plymouth at Cordage Park. Both programs are viewed as key contributors to our local economic development initiatives.

The total development of the Historic Downtown and Waterfront continued. Private sector developers have made major investment in buildings. The Massachusetts Department of Environmental Management continued to work closely with this Office and other Town departments, boards and committees in order to move their plans for Pilgrim Memorial Park a step closer to reality. The estimated forty million-dollar project will be a major component of our Historic Downtown and Waterfront.

This Office continued to work closely with the Memorial Hall Task Force in order to complete the feasibility study being conducted by Eihorn Yaffee Prescott. The feasibility study is funded in a cooperative method using movies provided by the Town, PartyLite Gifts of Plymouth, and Historic Massachusetts. Memorial Hall is also viewed as a major component for the total development of the Historic Downtown and Waterfront.

The Commonwealth of Massachusetts lifted the "seaport" designation from the waterfront parcel of the Cordage Park property. The lifting of the designation was done at the request of the Office of Economic Development, so as to provide an opportunity for the full development of the Cordage Park property.

The Plymouth Business Inve\$tment Fund completed its first round of funding, with four businesses receiving loan support. The fund is made possible through a Ready Resource grant provided through the (MA) Department of Housing and Community Development. Rockland Trust Company is the Town's private sector partner in the PBIF Program.

The Higher Education Partnership moved forward with programs that were designed to bring together area colleges and universities in cooperative and collaborative efforts. The Massachusetts Department of Capital Planning and Operations is currently conducting a feasibility study for the siting of the proposed higher education technology center or "college center".

The Office of Economic Development provides staff support to two Town committees, the Plymouth Development and Industrial Commission and the Visitor Services Board. In addition, the OED staff works directly with the Plymouth Industrial Development Corporation (PIDC), private developers and businesses, and other local and regional organizations to promote Plymouth as a business site, and develop opportunities for the community and its residents.

## **Historic District Commission/Historical Commission**

**It is the Plymouth Historical Commission's mission to preserve, protect and document the historic architectural heritage of the Town of Plymouth. Legislated protection is provided for historic buildings located in the Plymouth Historic District in the downtown-harbor area. The Historic District is a local and national treasure of our country's architecture with a variety of excellent examples spanning three centuries.**

The Historic District Commission met biweekly in Town Hall, reviewing a variety of different projects including both commercial signs and residential/commercial exterior renovations within the District.

Phase IV of Plymouth's Town-wide Comprehensive Inventory was completed. Approximately 1,045 properties in Plymouth were added to the listing of Historic Assets of the Commonwealth of Massachusetts. Survey forms are available locally at the Commission office in the Town Hall and at the Plymouth Public Library. In April, Town Meeting appropriated funds to print the final report so as to make this valuable information available to the public.

Commission members for this year include Wesley Ennis, Chairman; Clifford E. Sampson, Sr., Vice-Chair, David Monteiro, Secretary; Robert Dawson and William Fornaciari.

## **Manomet Village Steering Committee**

Established in 1991 by Town Meeting, the Manomet Village Steering Committee continues to implement the goals and objectives of its Master Plan. Meetings are held monthly at the Manomet Elementary School Cafeteria, Manomet Point Road, on the last Wednesday of the month, at 7:30 P.M.

Committee officers are: Virginia Johnson, Secretary; Lee J. Anderson, Chair; Mildred Silva, Mary Jane Calhoun, Charles Kipp, Eileen Collins and William Franks. The committee has numerous concerns to address: 1) The completion of the pedestrian loop with side walks from Manomet Point Road along Taylor Avenue connecting with the new side walks on White Horse Road. This includes

new curbing, road realignment and new road surfaces. 2) Boston Edison's future changes that may affect land holdings north of Manomet Village. This committee is concerned with "walking and bike trails" over the Pine Hills and deals in a timely fashion with the Green Company in an overall plan to acquire a buffer zone to protect the Village. 3) "The Village Green" has always been a primary concern. This may require a plan for rerouting Strand Avenue, gaining needed traffic lights and creating a proposal to obtain funding now at this timely funding period. 4) "Village Signage" and properties that are laying waste in the Village.

Members of the committee participate in other committees to bring more information to assist the Steering Committee's goals. These groups are South Plymouth Coastal Community Council, Community Action Council, Green Company Development, the Plymouth Road Race and related events. Members welcome community folks and business people to the monthly meetings requesting support, and will continue to consider requests, opinions and concerns affecting the Village or the Town.

## **North Plymouth Steering Committee**

The North Plymouth Steering Committee, working with the Planning Board and the Board of Selectmen, assists in the implementation of the North Plymouth Master Plan of 1992 and advocates for the needs of the area. There are seven members with staggered three-year terms; meetings are held on the second Wednesday of each month in the Cordage Park conference room.

A planning group for the construction of the bicycle/walking trail on the site of the Old Colony Railroad bed was formed by combining the Steering Committee members with four community representatives. Bids for the design services were examined and contract was awarded to ICON Architects of Boston. Engineering surveys were completed and the 25% design approved by the Massachusetts Highway Department. Public meetings and a trail walk were held, as well as site visits to other trails.

Meetings continued with the engineers designing the reconstruction of Route 3A; most of the suggestions have been incorporated into the planning. The same engineers also designed the proposed off-street parking lot, the land for which has now been acquired with private funds from the North Plymouth Parking Fund.

Various possibilities and avenues for the disposition of the old Loring Library building continue to be explored, but as yet have achieved no resolution. The private corporations which are conserving and storing the building have already exceeded their original two-year commitment.

The committee took an active role in having the Cordage Property de-certified as a port despite some resistance on the part of the state. This will provide for a wider variety of use than under its previous restrictions.

The committee also conferred with the Trustees of Reservations (proprietors of Holmes Field ) in reference to the trimming of trees, any concerns over the railroad trail plans, and the effects of the Route 3A reconstruction on their land.

There continued to be involvement with local residents and groups, particularly the Neighborhood Watch and Merchants Association, and in community activities such as the Christmas parade, Run to the Rock, and appearances on local television panels.

## **Office of Community Planning**

The mission of the Office of Community Planning is to provide professional staff support and guidance to the Planning Board, thereby enhancing their ability to manage the physical, economic, and environmental development of the Town. The office also strives to serve as a clearinghouse of information on local, state, and federal projects. There is also a responsibility for reviewing development plans to assure that they comply with the Town's land use regulations and are consistent with the long-range vision of the Town.

The Office of Community Planning is a community resource for information on many issues. The office through the master plan process is responsible for creating coordinated long-range vision of the community and functions as liaison between various public and private entities and to mitigate conflicts.

Customers include the Planning Board; various other local, state, regional, and federal boards, departments, and agencies; neighborhood groups; developers and citizens.

A primary obligation is to advocate for needs of the residents of Plymouth. The office also promotes innovative measures to manage growth and protect the environment. In addition, the office is obligated to remind the community of the long-range consequences of decisions made today.

The membership of the Planning Board remained consistent in 1997 with the reelection of H. Judson Terzian to a second five-year term, however, the overall activity level changed significantly. The Board held a total of 44 regularly scheduled meetings, and met additionally with the Selectmen and other boards as a cooperative participant in the Department of Planning & Development.

## **Subdivision Control**

In administering its duties under the Massachusetts Subdivision Control Law, the Board reviewed 69 Approval Not Required Plans. There were 4 Definitive Subdivision Plan reviews, along with numerous conceptual and preliminary plans. The preliminary plans submitted toward year's end indicate an even higher level of activity ahead for the coming year.

## **Zoning Bylaw**

With this year's announcement by the Green Corporation of their intent to purchase and develop the property of Digital Equipment Corporation, the workload and responsibility of the Board and its staff increased considerably. A series of public workshops was initiated that made important strides toward shaping the future of the 3000-acre geographic heart of Plymouth. Town Meeting had previously vested Special Permit granting authority with the Board under the Open Space Mixed Use Development Bylaw, and the ambitious Master Plan review schedule is anticipated to continue.

The Board reviewed and made recommendations on 55 Board of Appeals cases. In addition, industrial and commercial site plans were reviewed. Some of the major projects included:

- Home Depot in Cedarville
- Gibbs Oil on Route 44
- Sleepy Pilgrim/Best Western Motel
- Plymouth Motel/Comfort Inn on Route 44
- Sprint Spectrum Communication Towers
- Party Lite Gifts

## **Zoning Bylaw Amendments**

The Planning Board sponsored and Town Meeting approved three important changes to the Zoning Bylaw this year. These changes addressed the control of wasteful and offensive light pollution; the restriction of residential lot development along the steepest portions of State Road; and the imposition of development controls to preclude the unrestricted future development of state forest property.

## **Special Projects**

The Office of Community Planning served as lead agency this year on important projects including the following:

- Land acquisition for the new wastewater facility, North Plymouth Parking Lot, and expansion of the park area at Jenney Pond.

- Submission of successful grant application for renovation of Town Pier.

Disposal for economic redevelopment of Howland Street Water Building.

Preliminary design of rail/trail project in North Plymouth.

Submission of successful grant application for completion of Rural Trails Plan.

Successful recertification by federal government of community's beneficial floodinsurance rate reduction.

### **Master Plan Update**

The Town was fortunate to receive two major grant awards this year to assist in the update of the town's master plan. The Planning Board initiated this important work through the establishment of a Master Plan Strategy Task Force. It is all too easy to become distracted from the community's long-term goals by the numerous and varied development plans at hand. The Board is committed to the regular update of its master plan documents, and the associated reconsideration of development controls and incentives.

## **Plymouth Redevelopment Authority**

Since its establishment in 1959, the Plymouth Redevelopment Authority has worked continuously with the citizens and governing body of the Town for the betterment of home and community. In retrospect, the Authority feels that it has and continues to succeed in this task. It is therefore the intent of the Plymouth Redevelopment Authority to continue to be a people-oriented agency, to continue to seek out the best possible loan programs that will enable families and individuals in the Town of Plymouth to acquire and/or through housing rehabilitation programs live in decent, safe, and sanitary housing.

During 1997 the Plymouth Redevelopment Authority continued to follow its Mission Statement in helping to provide decent, safe, and sanitary housing for the citizens of Plymouth through administering loan programs offered by the Massachusetts Housing Finance Agency. The Home Improvement Loan Program and the Get the Lead Out Program continue to be the most sought after loan programs by the citizens of Plymouth.

Summer Street Urban Renewal Area: Over the past seven years, the Authority had grown increasingly alarmed over the lack of building maintenance at the Spring Hill Apartment complex. An architect's report was commissioned to detail the condition of the property. The report, together with strong statements urging correction, resulted in the sale of the complex in the spring of 1997 to the

Hall/Keen Group. Hall/Keen is now in the process of procuring a major refinance/rehabilitation loan from HUD to reface all of the buildings.

The Authority also diligently reviews all other properties within the area and has contacted and worked with owners and investors in facilitating compliance with maintenance standards.

With gratitude and pleasure the Authority reports that in 1997 the town resurfaced Summer Street and reset all of the brick sidewalks on the Southwest side of Summer Street. These infrastructure improvements greatly enhance the Urban Renewal Area within which they are located.

1996 Lake and Pond Grant Program: In December, 1995, the Authority filed a grant application to the Massachusetts Department of Environmental Management to prepare a brochure to educate the general public about the historical significance of the Town Brook/Jenney Pond Area. This area, recently listed on the National Register of Historic Places, is where the Pilgrims first settled so as to take advantage of the waterpower of the brook. The application was approved and funds were received in 1996. The grant was extended until 1997 while the 50% match requirement was sought. Unfortunately, after diligent efforts on behalf of the Authority to procure a match, the \$6675. was returned for lack of matching funds.

MHFA Homebuyer Counseling Program: Since its introduction in 1991, the Authority has been responsible for counseling 265 first time homebuyers. Families and individuals completing the course become eligible for low interest mortgages through MHFA. In addition, and just as important, the course makes first-time homebuyers aware of the pitfalls encountered and the responsibilities required in buying and owning their first home.

Jenney Grist Mill: In 1997 a new proprietor was secured for the Jenney Grist Mill. The Jenney Grist Mill is the fully operational replica of the original John Jenney Grist Mill used by the Pilgrims. Under agreement with the Authority, the Mill is required to be operated as a fully functional mill in historic appearance. Robert Reardon, the new proprietor will commence operations in the Spring of 1998 and add complementary historical and educational programs and operations.

General PRA Administration: During 1997, the Authority staff responded to approximately 950 inquiries regarding programs administered by this office. The PRA Board of Directors held sixteen meetings in the process of administering Authority business.

Jacqueline Millar, the Executive Director since July of 1996, left the PRA in 1997. Al Battista, who has been affiliated with the PRA for the past 35 years temporarily resumed the Executive Director position until a replacement could be

hired. Laura Schaefer Buckley assumed the Executive Director position in September of 1997. Nancy Noyes left the PRA for full time employment with the town and in December of 1997 Debra Kennedy assumed the position of Office and Loan Administrator.

The Authority held its Annual Meeting and election of officers in December. The results of the election were as follows:

CHAIRMAN:	Robert Wollner
VICE CHAIRMAN:	John Droege
SECRETARY:	Catherine Farren
TREASURER:	Chester Bagni

The State-Appointed member continues to be Steven Grattan.

## Visitor Services Board

The Visitor Services Board serves as an advisory board to the Town Manager and the Board of Selectmen. The seven-member board is charged with the management of the Town Promotion (tourism) fund, which is funded wholly by the local hotel/motel rooms tax. The Visitor Services Board is responsible for the Town Services as they apply to advertising and promotion (tourism), conferences and conventions, special events, information services, distinguished visitors.

During the past year, the Visitor Services Board worked closely with event planners and organizers, historic property owners and organizations, other Town departments, the local tourism business community, the Massachusetts Department of Environmental Management, and the local merchants groups to improve Plymouth as a tourist destination.

Infrastructure improvement projects, such as the installation of the decorative street lighting along the Historic Waterfront were realized through the use of Town Promotion Funds with on-site construction assistance from state Department of Environmental Management.

The Historic Plymouth Downtown and Waterfront Signage Program continued with improved directional and historic information signs sited within the district.

Numerous special events were funded in part through the Town Promotion Fund including the Isaac's Thanksgiving Celebration Majestic Parade, the Waterfront Festival, July 4 Celebration, Projects Arts Concert Series, Run to the Rock, North Plymouth Holiday Parade, Main Street Friday Night, Hot August Nights Concert Series, Christmas on North Street, and Christmas in Historic Plymouth, the Thanksgiving Stroll and Pilgrim Progress.

The tourism marketing and promotion contract continued with Destination Plymouth, a local advertising cooperative. The 130 Water Street Information Center was also managed and operated by Destination Plymouth.

Improvements to Town-owned properties such as Burial Hill – gravestone restoration and the 1749 Court House were accomplished with assistance provided from the Town Promotion Fund. This fund is made possible by the local hotel/motel tax; forty five percent of the total receipts is earmarked for the promotions fund.

## **West Plymouth Steering Committee**

**The mission of the West Plymouth Steering Committee is to assist the people of the Town in the interpretation, implementation and reformation of the West Plymouth Village Master Plan. The focus of the plan remains the management of the West Plymouth Village development in a manner in keeping with its suburban character while maintaining or increasing community pride, and identity. The committee's members serve as advocates and ombudsmen for the needs and welfare of West Plymouth with various town committees, boards, and town meetings.**

After many years of exceptional service, Bill Burke has chosen to remove himself as a formal member of the Steering Committee, so as to allow others to have the opportunity to serve with us. We must extol his contribution and thank him for his continuing efforts *ex officio*, but he remains Mr. West Plymouth!

During 1996, this Committee worked to secure the continued operation of the North Plymouth Well, assuring that there will be adequate water pressure throughout the residential area of West Plymouth. We advocated on behalf of residents of Parker Drive for improvement to drainage conditions which resulted in the implementation of a drainage system that now prevents the periodic flooding of the roadway as well as a number of abutting homes.

Traffic infrastructure continued to be a focal point of our attention. The committee studied problems relating to the changing traffic patterns generated by new commercial development on Route 44, Pilgrim Hill Road, and Commerce Drive in the Industrial Park. In particular, considerable attention was directed to a private road - Charlotte Drive - which has called into play the balancing of private interests, civic responsibility, public assistance and innovative traffic calming techniques. The conflict faced mirrors the inevitable demands of an expanding community facing the rights and property interests of a dedicated group of homeowners protecting the status quo. The controversy awakened a sense of civic responsibility, produced a quick resolution of real and potential traffic problems on adjacent Kristin Road and other nearby streets and heightened awareness of a need to introduce new traffic controls in related areas of West Plymouth.

The Committee continues to monitor the renewal and addition of commercial elements on Samoset Street/Route 44 where there has been a burst of new activity. The Committee has met with developers prior to more formal activity before other town officials and agencies so as to provide them with a sense receptivity and concern to area merchants and residents, alerting them to the Master Plan's emphasis on appropriate buffering, interior roadways, and the need to provide a minimum amount of traffic interruption and a maximum of resident and pedestrian convenience. We have been pleased to have our Steering Committee meetings serve as a forum for abutting neighbors to talk directly to developers, providing them with a full opportunity to be heard as well as assist with the resolution of concerns at an early stage.

The West Plymouth Recreation Field is now coming into existence. We supported its funding and creation in accordance with the directives of the Master Plan. Committee members have been monitoring the planning of the playing fields and we now have been called to assist abutting home owners and the planners regarding conflicts over protection of property values and minimization of potential personal injury.

The members of the committee have continued to assist in the Plymouth Race to the Rock, which has become an annual event. This event started with the 375th Anniversary celebration and has become an annual opportunity to enjoy the companionship of West Plymouth residents and other members of our community. The 10K portion of the race starts out by the airport, crosses the heartland of West Plymouth and brings all runners together at the Rock, where the committee shares its supportive efforts with the race participants.

Meetings are regularly on the third Wednesday of each month at 7:30 P.M. at the Plymouth Airport Conference Center. All are welcome.

## **Zoning Board of Appeals**

The Zoning Board of Appeals (ZBA) had another productive year meeting twice a month to hear petitions requesting Special Permits, Variances, and Appeals of decisions made by the Zoning Agent. There were forty-seven cases filed this year.

Examples of petitions considered before the Board include: The demolition of the Sleepy Pilgrim Motel located on Court Street and to be replaced with a 54-unit Inn (Best Western); The construction of a 63,000 square foot recreational building at the Ellis Haven Family Campground located on Federal Furnace Road; The re-construction of Coffee Express Plus located on Court Street at Plimoth Plaza; Laidlaw Transit Inc. for the facility located on Natalie Way; Town of Plymouth for a municipal parking lot located on Court Street in North Plymouth; two gasoline canopies on Court Street and Samoset Street.

The ZBA consists of five regular members in addition to two alternate members, and were as follows

Marc J. Garrett, Chairman  
Leonard J. Vaz, Vice-Chairman  
A. Wendy Longo, Clerk  
Sandra E. Leet  
Ira Lukens

Alternates  
Karen Richcreek  
Christopher Lombard

Leonard J. Vaz retired from the Board after serving for 15 years. The entire Board wishes to thank him for his many years of service and experience.

# **PUBLIC SAFETY**

## **Fire Department**

**The mission of the Plymouth Fire Department is to protect the general public's life and property in the safest and most efficient manner; to educate the public and earn respect through our professional actions and deeds; to foster an open, honest and willing line of communication with and through management to help solve and/or eliminate problems making for a more harmonious and efficient work place, thus benefiting not only the employees, but also the Town of Plymouth.**

This past year the department again experienced an increase in the number of emergency responses. A total of 7049 responses included 3646 fire emergencies and 3403 ambulance calls.

The department remains concerned about anticipated growth and the ability to provide an adequate level of service. An area of particular concern is the geographical center of Town, the Long Pond Road and Clark Road area. Over the past several years this area has seen several new subdivisions, a High School, and soon a new Middle School. Also, the anticipated development of the Digital Land will have a major impact on this area. The Fire Station Study Committee has begun to work on a proposal to seek funding for design and construction of a new Fire Station which will eventually require staffing.

Within the past year there have been significant changes in the department: First restructuring of the Department added the second Deputy Chief's position, funded at the Annual Town Meeting of 1997. This new administrative position will provide for a higher level of productivity and accountability.

The second major change is the higher level of care we can provide to persons suffering from sudden cardiac arrest. Sudden cardiac arrest is usually caused by an electrical malfunction to the heart called ventricular fibrillation. The entire Fire Fighting force has been trained in the use of semi automatic defibrillation units, which have been placed on each first due Engine Company. This additional ability should increase the survival rate from cardiac arrest in Plymouth.

### **S.A.F.E. PROGRAM**

In a continuing effort to promote awareness of fire safety and fire prevention techniques through public education, the Fire Department has enrolled in the statewide S.A.F.E. (Student Awareness of Fire Education) Program. The department applied for, and received a \$5000.00 grant, from the Massachusetts

Executive Office of Public Safety, Department of Fire Services to underwrite a portion of the costs of this project.

The goals of this program are to provide school children with information on the dangers of fires, to identify hazards existing within the home and environment; and to discuss health concerns and safety measures that can be employed to limit the occurrence of situations that are dangerous to life and property.

During the past year, firefighters visited every kindergarten and first grade classroom to instruct children in the proper actions to take in the event of a fire. At Plymouth Community Intermediate School, all sixth graders attended a presentation, as part of the health class curriculum, demonstrating the link between smoking as a health risk and as a fire hazard. Engine companies also visited nursery schools and day care facilities giving children an opportunity to see the equipment and ask questions.

Three local Plymouth youths attended the first annual Fire Safety Day Camp at the Massachusetts Fire Fighting Academy in Stow, MA, sponsored by the Department of Fire Services. The children learned about fire fighting as a career and participated in training exercises and a fireman's muster event.

To enable our public safety message to reach all citizens and age groups within the community, the Fire Department has expanded the scope of the program to include displays of equipment and apparatus at community events, such as the Chamber of Commerce Waterfront Festival, school fairs and health shows. Fire Station tours are regularly conducted for youth groups such as girl and boy scouts. During Fire Prevention week in October, fire safety literature was distributed and an Open House was held at each neighborhood fire station.

The success of the past year's event is due to the generosity of local businesses for their sponsorship and to the members of this department for their time and dedication. (Submitted by: Lt. Michael A. Young, S.A.F.E. Program Coordinator.)

## **JFSI PROGRAM**

The Juvenile Firesetter Intervention Program started in April of 1995 and was designed to assist children and their families with the problems associated with fire-play and fire-setting. The participants of this program become involved for one of the following reasons: Voluntary participation; Court Mandate; Referral from counseling agencies; Direct contact with the department via fire-ground involvement.

Forty-nine children have attended the program and have been interviewed. Thirty children have entered and completed the program. At this time three children

are enrolled with two nearing graduation. Three more children are waiting to enter the program, one is court mandated. The need for this program is increasing. The families involved are desperate for help with this unique problem and this is the only assistance available. They have expressed their appreciation and gratitude to the department. (Submitted by Captain Enos, Program Co-ordinator)

## **PLYMOUTH EMERGENCY MANAGEMENT AGENCY**

**The office is mostly a volunteer organization that becomes the hub of information for all Town Departments and the media during an emergency. Volunteer staff assists with shelters as well as supplying back up manpower for Town Departments. The safety of the citizens of Plymouth is the primary reason for our existence.**

During the past year, the name of our office has changed from the Office of Emergency Preparedness /Civil Defense to the Plymouth Emergency Management Agency which is consistent with State and Federal guidelines. Our office continues to train in order to be prepared for any emergency that may affect the safety of our citizens as well as assist in the various Town and privately sponsored functions during the year.

Listed below are some of the major events that our department has been involved with in the past year:

- The Court Street fire (Shelter Opened)
- The Blizzard of 97 (April Fools Day)
- The MS Walkathon
- The oil spill on Federal Furnace Road
- The Tufts Road Race
- The Pilgrim Road Race
- The Waterfront Festival
- The Handicapped Picnic
- The Tornado's in Manomet (Shelter Opened)
- The "Run to the Rock"
- Isaac's Thanksgiving Parade
- The North Plymouth Holiday Parade
- The Federal Emergency Management Agency's graded exercise in November of 1997

This agency is very grateful to the many dedicated volunteers that have assisted us during emergencies well as during the various functions that occur during the year.

## **FIRE PREVENTION DIVISION**

The Fire Prevention Office has two Officers assigned to review the plans for

all new construction within the Town making sure that all Fire Safety requirements are met. These include Automated Fire Sprinklers, Fire Alarm Systems, and adequate access for fire fighting and adequate water supply. Inspections are made during construction to assure that the work complies with fire prevention standards and codes.

In addition to new construction, it is also their responsibility to conduct periodic inspections, as required by law, of the hospital, schools, nursing homes, and garages. They also provide the certification of compliance for smoke detectors for the sale of any residential units and conduct inspections of oil fired equipment, including all above- and underground tank installations and removals, self service gas stations, hood suppression systems. They also resolve Fire Code complaints and violations.

During the year each Fire Prevention Officer completes many hours of training at meetings and seminars to achieve and maintain certification as a fire inspector, keeping current with changes in state fire prevention regulations.

## **TRAINING DIVISION**

The training division was particularly active this year preparing our Firefighters to utilize the new Automated External Defibrillators.

The Massachusetts Firefighting Academy presented several programs in Plymouth this last year including Bomb and Explosives recognition, Basic Pumper Operations, The Mass "SAFE" instructor's forum, and basic water rescue. The Department owes a debt of gratitude to the management of Plymouth Athletic Club for donating the use of the swimming pool on a busy Saturday. Without their generosity the water rescue program would not have been possible.

Training new Firefighters is a critically important task of the Training Officer. 5 new firefighters began their careers this year: Torrance, Brian T. Malone and Douglas H. Houston.

The Training Officer also serves as the coordinator for the Cedarville Community Center located in the Cedarville Station. Twenty-eight different community, government or private groups have used the room to date. Included in this number are eight groups that use the room on a regular schedule. These rooms have proven to be a popular asset to the community and will surely continue to be so.

## **FIRE ALARM DIVISION**

Growth continues in use of the municipal fire alarm system for automatic notification to the fire department of alarm conditions in industrial and commercial

properties. These systems are installed at no cost to the taxpayer and employ existing fire alarm circuits throughout the Town. Many alarms are received by the automatic activation of detection devices that are connected to the municipal fire alarm system. Most of the alarms are trivial in nature because of this early detection and reporting. However, the potential for considerable reduction in fire loss is great, and this system reduces the operating expense for the department. The chance of loss of tax base and employment within the community is also reduced.

#### **NEW APPOINTMENTS:**

Bruce C. Eddy	Firefighter	July 22, 1997
James M. Kittredge	Firefighter	July 22, 1997
Nathan R. Torrance	Firefighter	July 22, 1997
Brian T. Malone	Firefighter	December 17, 1997
Douglas H. Houston	Firefighter	December 17, 1997

#### **RETIRED:**

Firefighter Richard E. Skellett – Entered the Fire Department in August 17, 1975. Retired on November 21, 1997. Served with pride and dedication to duty.

Firefighter James E. Cotter - Entered the Fire Department in July 31, 1977. Served as Fire Alarm Operator for past 12 years. Retired on September 1, 1997. Served with pride and dedication to duty.

Captain David Calhoun – Entered the Fire Department in January 1, 1969. Promoted to Lieutenant on August 17, 1975. Promoted to Captain on August 27, 1978. Retired on September 30, 1997. Served with pride and dedication to duty.

Captain Edward G. Verkade – Entered the Fire Department in July 17, 1966. Promoted to Lieutenant on July 1, 1974. Promoted to Captain on August 27, 1978. Served as Head of the Fire Prevention Division for sixteen years. Retired on February 28, 1997. Served with pride and dedication to duty.

#### **1997 INCIDENTS:**

**NEW FIRE ALARM BOXES 1997**

- 1539 - Sports Dome - 8 Natalie Way
- 1358 - Party Lite - Armstrong Road
- 1219 - Rockland Trust - 5 Pilgrim Hill Road

**ACTIVITY IN THE FIRE ALARM OFFICE FOR 1997**

- 3646 - Fire Emergency Responses
- 3403 - Ambulance Emergency Responses
- 7049 - Total Combined responses
- 1862 - Burning Permits Issued

At this time there are in excess of 60,000 devices connected to the municipal fire alarm system that automatically detect fire and transmit alarms by fire alarm box to Fire Headquarters.

**NEW CONSTRUCTION**

New fire alarm cable has been installed on Standish Avenue, Hamilton Street and Olmsted Terrace. This year all the engines and ladder apparatus in Town were equipped with the 3M Opticom systems. This system changes the traffic lights automatically as the fire apparatus approaches the intersection.

**NEW PLANNED CONSTRUCTION**

The remaining phase of Court Street reconstruction from Rt. 44 to the Plymouth/Kingston line is scheduled to go to bid this spring.

New fire alarm cable is also being considered for the new middle school.

## **Police Department**

**The mission of the Plymouth Police Department is to provide for the safety of the public, the protection of life and property, to serve with integrity, to provide a well trained professional department to the public, to treat all members of the public and all employees with respect, and to strive to ensure that the Plymouth Police Department is the finest law enforcement agency in the Commonwealth.**

This past year saw the implementation of the \$1,125,000 grant award from the Department of Justice to place fifteen new police officers on the street. All of the new officers completed an intense twenty-week police academy. After graduation, the new officers spent one week receiving further instruction from our Training Division. The new officers were then assigned to veteran police officers for the next six months. By spring, these new officers will enable the department to implement additional walking patrols in the downtown, waterfront and North Plymouth business districts. Further walking patrols will be deployed in areas with high-density multi-unit dwellings. All of these efforts will enhance our community policing initiative, which is designed to foster a partnership approach with our citizens in identifying and solving specific policing issues.

The Training Division, under the direction of Sergeant Tom Morse, continues to supply officers with their in-service training requirements. To enhance this effort, the department has acquired, (with the aid of federal grant funds), a state of the art Firearms Training Simulator (FATS). This indoor training system uses laser disc programs of police scenarios projected onto a life size screen. Officers are equipped with various police weapons modified with laser inserts and must react with the scenarios presented. This training system will provide an excellent supplement to live firing training.

Lastly, the Training Division was host to a number of high quality training seminars, which utilized the Department Training Room. Included were such week long courses as Latent Crime Scene Examination and Instructor Development taught by Special Agents of the FBI.

The department also secured grant funding from the Commonwealth to purchase a new prisoner transport van as well as a computerized image server which captures, stores and retrieves electronic "photographs" to aid in identifying criminal suspects. The department has also taken advantage of a State grant program to continue to provide bullet resistant vests to all police officers.

Grant coordination, implementation and detailed financial reporting, as well as coordinating the complexities of the hiring process for all new employees was completed by Administrative Assistant Lynn Fortini.

Although our population continues to grow, and, Plymouth continues to draw many visitors, crime has dropped in all categories: Crimes Against Persons, Property and Public Order have all decreased. Motor Vehicle accidents have decreased as well, primarily due to increased traffic enforcement and better public education and awareness.

## ANIMAL CONTROL

The new Animal Shelter in Cedarville opened its doors in February of 1997. Captain Michael Botieri has spent many hours redesigning and retooling the Animal Control function. Everything from record management to call processing has been revamped. Coupled with the new facility, there has been a significant improvement in daily operations and service to the public. The Friends of the Pound also continue to be a great asset.

Victoria Webb	School Crossing Guard/ Meter Enforcement Officer	08/25/97 (Resigned)

The year of 1997 contained many personnel changes and additions to the department, but there were significant losses as well.

- In December of 1997, the town suffered a great loss with the untimely passing of Pansy Shaw. Pansy worked for this department as one of our Animal Control Officers for over three years. Pansy's dedication and ever-present smile will be sadly missed.
- Officer Stan Hertel served this department with dedication and integrity for more than twenty-seven years. He began his career with the Plymouth Police Department in 1948, and retired in 1976. His passing on April 12, 1997 signified the loss of one of this department's most recognized and remembered members.
- During January 1997, the town lost one of our School Crossing Guards/Meter Enforcement Officers. Lucille Sosnowski served this department with pride for approximately three years.

## Harbor Master Department

The mission of the Harbor Master's Department is to provide a safe and enjoyable experience to the public in and upon Plymouth's waterways. The department is dedicated to the protection of life, property, and the natural resources of our town. The staff continually strive to remain the best Harbor Master's Department on the East Coast. The staff will continue to provide effective emergency responses, law enforcement, and safety inspections to make the waterways safe and enjoyable for people in this community and protect all of our natural resources for the enjoyment of future generations. The staff will recognize and reward the best efforts of teams and individuals and continuously seek to improve, not only by doing things right, but by challenging whether we are doing the right things. This department is committed to providing a positive professional impact upon the people it serves and to continued headway toward initiatives that advocate the highest quality of life for residents and visitors of our community.

## **PERSONNEL**

Harbor Master - Ralph Savery  
Assistant Harbor Master - Joseph Ritz  
Assistant Harbor Master - Richard Furtado

## **SEASONAL**

Marine Police – Tucker McKay  
Night Watchmen – Russell Govoni and Bob Blackwell  
Pond Patrolmen - Michael Hull and Damon Gecse

The Harbor Master's Department is responsible for many operations in the harbor area and throughout the Town. Some of our duties and responsibilities follow:

- Regulate all foot and vessel traffic on and around the harbor and pier area.
- Protect of all vessels in the harbor and buildings on the pier.
- Protect of life and property on all waterways in the Town of Plymouth. (ocean, ponds and rivers)
- Provide permitting for all moorings, temporary floats/rafts and docks.
- Maintain all Herring runs located in the Town.
- Enforce the following laws:
  - A. Chapter 90B—State Boating Laws.
  - B. Chapter 102—Special Harbor Master powers.
  - C. Chapter 130—State Marine Fisheries regulations.
  - D. Chapter 131—State Inland Fish and Game regulations.
  - E. Plymouth Town By-Laws
    1. Harbor By-Laws
    2. Shellfish By-Laws
    3. Pond By-Laws

## **HARBOR STATISTICS 1997**

RESPONSE TO MEDICAL EMERGENCIES .....	12
OVERDUE BOAT CALLS .....	14
BOATS TOWED .....	144
VALUATION OF VESSELS RESCUED .....	\$2,880,000.00
BOATS REPORTED MISSING/STOLEN .....	9
BOATS RECOVERED .....	7
BOATS PUMPED .....	16

BOAT FIRES.....	2
BOATS JUMP STARTED.....	10
ARRESTS.....	0
DRAGGER TRIPS LOGGED OUT.....	4,000
VISITING BOATS LOGGED IN.....	6,000
(INCLUDING MARINA AND YACHT CLUB FACILITIES)	
BOATS LAUNCHED AT BOAT RAMP (ESTIMATED)	
MOORINGS IN HARBOR.....	565
CHARTER BOATS USING WHARVES.....	14
FISHING VESSELS USING WHARVES.....	58
PARKING VIOLATIONS ISSUED.....	460

## **SHELLFISH**

COMMERCIAL BLUE MUSSEL PERMITS.....	0
RESIDENT SHELLFISH PERMITS.....	1459
RESIDENT SHELLFISH PERMITS OVER 62 YEARS OF AGE	
(NO CHARGE).....	106
NON-RESIDENT SHELLFISH PERMITS.....	260
COMMERCIAL SOFT-SHELL PERMITS.....	0
FAMILY SCALLOP PERMITS.....	0
EEL PERMITS (FAMILY).....	0
SEA WORM PERMITS.....	0

## **REVENUE FROM HARBOR**

DOCKAGE.....	\$12,350.00
MOORING AND TENDER FEES.....	\$59,056.00
SHELLFISH PERMITS.....	\$13,795.00
PARKING VIOLATIONS.....	\$4,600,00

The Town was successful in obtaining a grant to make some much-needed repair to the Town Pier, and that work should be completed in 1998. The Harbor Master's department is proud of its part in that process.

Several dog-fishing vessels did extremely well this year.

This department was responsibly for updating the shellfish regulations and having the Selectmen adopt them.

# DEPARTMENT OF INSPECTATIONAL SERVICES

## Building Department

The mission of the town of Plymouth's building department is to enforce all applicable codes in order to ensure a safe environment for the community, along with presenting a caring and efficient team that understands the needs of the residents of the town of Plymouth. Staying updated on all pertinent literature gives us the ability to provide professional and non-conflicting answers and information for the general public and fellow employees.

Town government reorganization created a Department of Inspectional Services, consolidating several smaller agencies: the Health Department, Sealer of Weights and Measures, and the Building and Zoning Department. It has increased efficiency.

1997 was a tremendous growth year in Plymouth. Approximately 311 new houses were built during 1997, compared to 275 in 1996. All other permits are up over last year as well as the number of required inspections. Income also is up over last year. In 1996 we brought in approximately \$355,000 and in 1997 \$393,000 an increase of \$38,000.

Inspectional Services is an important aspect of town government. The department encourages the citizens of Plymouth to address their questions and concerns at any time. This department works best protecting the citizens interest when the public is well informed.

# Health Department

To cooperate and work with support agencies, groups and citizens in an effort aimed at achieving quality health services and a safe environment in which to live and work.

To strive to provide service by personal contact (one-on-one) whenever possible in order to establish and maintain a high credibility rating within the community.

# DEPARTMENT OF PUBLIC WORKS

## Administration

The Department of Public Works' mission continues to be that of coordinating all work and planning for Public Works projects within the community. This coordination with the divisions will encourage the most efficient use of resources and allow administration to act as the liaison between the divisions and the public and/or other public agencies.

- P. A. Landers, Inc. of Hanover, Mass. was awarded a 2.4 million dollar contract to construct eight (8) recreation fields (Phase I) at Forges Field. The Town of Plymouth has received an Urban Self-Help Grant in the amount of \$750,000 from the Commonwealth of Massachusetts, Division of Conservation Services.

- J. E. Case, Inc., North Attleboro, Mass. was awarded a \$900,000 contract to construct recreation fields at the West Plymouth and the Briggs sites, consisting of seven (7) fields total between the two sites.

- The Town of Plymouth approved the new wastewater facility plan as recommended by the Citizen Advisory Committee at the April 1997 Special Town Meeting, and the referendum questions were passed on June 7, 1997. Design was begun by Camp, Dresser & McKee in August 1997 in accordance with the Court Order.

- The bridge at Billington Street over Town Brook was replaced during the fall of 1997 with the new structure open to traffic on December 16, 1997.

The Department of Public Work continues to administer the completion of thirty-three (33) capital projects.

## Cemetery Division

The overall purpose of the Cemetery Division is to provide the community with the best possible service and care. The Cemetery Division would like to be recognized as an efficient and resourceful division who believes in being helpful and friendly to our customers. The division has an obligation to all customers (families and friends of the deceased, our employees, and the public) to work together to keep the cemeteries as neat and clean as possible.

There are 33 known cemeteries in the Town of Plymouth. The Department of Public Works Cemetery Division maintains and services 26 of these, 16 town owned and 10 smaller cemeteries with veterans buried in them.

In 1997 the Cemetery Division:

- Sold a total of 131 grave lots: Vine Hills 82, Manomet 39, Oak Grove 5, South Pond 1, Cedarville 2, Chiltonville 2.
- Interred 176 human remains: 132 full, 44 cremations, with 25 known veterans. Approximately 20% (35) of these were Saturday, Sunday or after hours interments..
- Installed 52 foundations for monuments/grave stones: Vine Hills 33, Manomet 14, Oak Grove 2, Chiltonville 2, Cedarville 1.
- Installed 20 veteran markers, (stones) and put out over 130 veteran flag holders and flags.
- Installed 1,400 feet of new water lines and 13 new faucets at Oak Grove and Vine Hills Cemeteries.

## Engineering Division

The mission of the engineering division is to provide quality engineering services and technical support for the town of Plymouth, its residents, agents and providers; to establish an atmosphere of courtesy, efficiency and dedication, while maintaining a professional work environment which will foster, encourage and nurture personal excellence, leadership and growth.

Nineteen ninety-seven has been an exciting year for the Engineering Division with the acquisition of a new computer system and Micro Station/Intergraph software. This state-of-the-art equipment coupled with proper training will contribute to a dramatic increase in work productivity and enhance the ability to better our level of services.

Field work was completed on an existing conditions survey of Route 44 from Route 3 to Water Street. This office assisted the DPW Highway Department with three Capital Improvement Projects with long standing drainage problems: Cape Cod Avenue, and Lake Shore Drive (Kings Pond) and Parker Drive (a private way). Phase II of the Private Ways Improvement Program is underway. Signups ran from March to October. Lists and cost estimates are being prepared for the

upcoming Annual Town Meeting. This program was established in 1994 to help with one-time improvements to private ways.

While maintaining our staffing level at six we were able to maintain or exceed our previous level of service during our transition to our new computer system and software.

A summary of our 1997 activities included:

**A. ASSESSORS MAP REVISIONS:**

610 parcels on 59 maps;

**B. STREET ACCEPTANCES (11 totaling 15,850 linear feet):**

Candlewood Drive

Christa A. McAuliffe (a portion of)

Dorothy Drive

Evelyn Road

Justine Avenue

Lady Slipper Drive

Little Pine Lane

Nancy Drive

Stagecoach Circle

Strawberry Hill Road

WildcatLane

**C. DPW PROJECTS AND MISCELLANEOUS SURVEYS:**

**COMPLETED** - Parker Drive – Storm Drainage

Lake Shore Drive – Storm Drainage

Cape Cod Avenue – Storm Drainage

Wareham Road – Reconstruction

Route 80 Cemetery Property-Perimeter Survey

White Horse Road – Sidewalk Construction

Manomet Point Road – Reconstruction

Nook Road – Sewer Rehab. and Sidewalk  
Construction

John Alden Road – Storm Drainage Rehab.

**Private Ways Improvement Program – Phase I**

- Buttonwood Lane

- Colchester Drive

- Micajah Avenue

- Adams Street

- Greenvview Drive

**IN PROGRESS –**

Private Ways Improvement Program – Phase II  
Long Pond Road Improvements

**D. PRINTING SERVICES:**

Twenty-four (24) sets of Assessors Maps  
Eighty-six (86) sets of Zonings Maps  
Approximately 900 prints of various plans

**E. PLAN REVIEW (30) :**

Planning Board – 10; ZBA – 7; Building Dept. – 13

**F. STATE CONSTRUCTION PROJECTS:**

Route 44 Relocation – Phase II – Interchange 7 –  
Anticipated Start of Construction – Spring 98  
Route 44 Relocation – Phase I – to Route 58 –  
Anticipated Start of Construction – Spring 98

**G. MISCELLANEOUS:**

Route 3A-Stage B Reconstruction (Court Street – Route 44 to  
Kingston Town Line) – Anticipated Start of Construction –  
Spring 98  
Route 80/No. Triangle Industrial Park – Essentially Complete,  
Cleanup – Spring 98  
Samoset St./Park Ave. Reconstruction – Under Design –  
Tentative Construction Start – 1999  
Smaller Projects and request for information processed as  
needed.

## **Highway Division**

As a Division of the Department of Public Works, the mission of the Highway Division is to provide for the construction and maintenance of Town accepted roadways and sidewalks as well as limited maintenance of private roadways. In the interest of maintaining the highest level of safety to the public, the Highway Division is also responsible for the Town's rapid response to adverse weather conditions, especially in the winter.

General construction and maintenance responsibilities of the Highway Division include asphalt application on accepted roadways and sidewalks, brushing, roadside mowing, line painting, basin cleaning, street and sidewalk sweeping, municipal rubbish pickup, litter pickup, drainage, retention area cleaning, grading and calcium application on dirt roads and all signage on streets and parking lots.

It is because of the vast assortment of services that the Highway Division provides that it is able to assist all other Divisions in the Department of Public Works. Therefore, to insure the continual improvement of the quality service and efficiency of the Division, educational materials and classes in numerous areas are available to all employees.

## **STREET CLEANING**

In mid-April 1997, two mobile sweepers started cleaning winter sand. The main roads, Main Street and the waterfront are swept daily during the summer months and every other day the rest of the year. The side streets are swept in rotation. The second sweeper serviced Manomet, Cedarville, Chiltonville, the Long Pond Road area, Buttermilk Bay and private developments.

## **DRAINAGE AND DRAINAGE MAINTENANCE**

The Division made repairs and installations to numerous catch basins in all areas of the town and completed the cleaning of drain lines and several retention areas.

To alleviate drainage problems, systems were installed at the following locations:

Adams Street	Indian Avenue
Burnside Drive	Lake Shore Avenue
Bourne Road	Madlyn Street
Cape Cod Avenue	Manomet Avenue
Center Hill Road	Obery Street
College Pond Road	Pam Street
Cutter Drive	Parker Drive
Fitzgerald Avenue	Reed Avenue
Goelette Drive	Second Street
Hedge School	Ship Pond Road

## **FENCES AND GUARDRAILS**

The division repaired and painted fences, guardrails and cement posts and replaced sections of guardrail.

## **SIDEWALKS**

Both Highway Division Personnel and P.A. Landers, Inc. installed and repaired sidewalks on Nook Road, Castle Street, Prince Street, Cape Cod Avenue and White Horse Road.

## **HIGHWAY CONSTRUCTION AND RECONSTRUCTION**

P.A. Landers, Inc. completed paving work at the following locations:

Bartlett Road	Herring Pond Road
Birch Avenue	Kristen Road
Bunker Hill Road	Pierce Avenue
Cape Cod Avenue	Prince Street
Castle Street	Reed Avenue
Diamond Street	Rocky Hill Road
Dwight Avenue	Second Street
Esta Road (portion)	Suosso Lane
Federal Furnace Road (portion)	South Meadow Road (portion)
Gould Road	White Horse Road
Hall Street	Winding Lane
	Winding Way

### **PATCHING OF TRENCHES**

Felix A. Marino Co. completed the infra-red heat patching of streets.

### **PRIVATE ROADS**

Repairs with funds allocated at Town Meeting are spent under the direction of the Board of Selectmen. Repairs on private roads included grading, graveling, patching, paving and drainage work. Paving and cracksealing was completed on the following roads:

Adams Street
Cutter Drive (Ocean Aire Association)
Greenview Drive
Ketch Road (Ocean Aire Association)
Micajah Avenue

### **TRAFFIC AND STREET MARKING**

Markings, Inc. painted centerlines on various streets throughout the Town. Parking areas, meter spaces, stop lines, school zones, directional arrows, handicapped areas, and crosswalks were painted by personnel in the Highway Division.

The Division produced and installed many signs during 1997. A great expense to the Town is replacing signs that are vandalized, stolen or destroyed by accidents. Included in this area is the constant maintenance of the traffic, warning and school lights.

### **MISCELLANEOUS**

Other work done by the Highway Division included patching of roads,

sidewalks and roadside mowing, grading and graveling dirt roads, application of calcium chloride on dirt roads, replacing parking meters, plowing and sanding, rubbish pickup, removal of tree stumps, patching, and pumping of poor drainage areas. The basin cleaner cleaned out catch basins throughout the year.

## **Maintenance Division**

**The maintenance division is responsible for maintaining town-owned vehicles and buildings. While the division functions primarily out of the public eye, it is firmly committed to its mission: to provide the highest quality of service to town departments in a timely manner, whenever and wherever needed. The division realizes that its success is dependent on communication and cooperation with the departments it serves on a daily basis.**

The duties of the Maintenance Division are performed by two equally important groups.

- The Vehicle Maintenance group is responsible for the service and repair of one hundred fifty pieces of equipment. These range in size from automobiles assigned to department heads, to heavy equipment, such as sanders, plows and rubbish compactors. Police Department vehicles are also maintained by this group. The Vehicle Maintenance group consists of four mechanics and a serviceman. In addition to performing routine maintenance, they also perform emergency repairs, working around the clock when necessary.

- The Building Maintenance group provides primary repair and maintenance services for the approximately twenty-five buildings belonging to the Town. These buildings range in size from the largest, the Town Office Building, to the small pumping stations. Three building craftsmen perform varied types of repairs on and within these buildings, making adjustments and improvements when necessary. The Division prides itself on performing most of the needed repairs and maintenance by its in-house staff, greatly reducing the cost of these services to the Town.

Also included in the Building Maintenance group are the custodians assigned to the Town Office Building, Memorial Hall and the 130 Court St. Building. These individuals work diligently to provide a clean and pleasant environment for workers and visitors to their respective buildings.

In December, the Division began a new and exciting phase: computerization. Once completed, with the stroke of a key, the Division will gain access to a wide variety of goods and services that will further enhance its ability to provide quality services to the departments it serves.

## **Park and Forestry Division**

The purpose of the Park Division is three-fold.

1. To provide and maintain safe recreational facilities, and,
2. to provide and maintain aesthetic and environmentally functional areas which enhance our citizen's current and future needs, and
3. to plan and promote further recreational facilities, both passive and active, which reflect our citizen's current and future needs.

The purpose of the Forestry Division is to plant and/or maintain public shade trees along the town's public ways and on public land. These trees serve our citizens in many ways including

1. providing summer shade which helps cool our living and working environment, and,
2. helping to reduce air pollution and,
3. adding to the aesthetic quality of our town, now and for the future.

This year can be considered an important milestone in the development of recreation facilities for Plymouth's citizens. After several years of planning, \$4,000,000 was appropriated by the annual Town Meeting for first phase construction of a total of fifteen ballfields at three locations; Forges Field, West Plymouth and the Briggs site. The success of this project can be credited to the hard work and dedication of the youth leagues, village steering committees, and town staff over the past several years. The appropriation of funding at Town Meeting is also testament to the commitment of the town in recognizing the longstanding recreational needs of our community. A state Urban Self-Help Program grant for \$750,000 in matching funds for the Forges Field site was awarded to the town. Contracts for the construction of these areas have been awarded and work has begun. The fields will be completed in 1998 and in service in the fall of 1999.

The reconstruction of the baseball field at Siever Field was completed this spring by Park Division personnel and volunteers from the Babe Ruth League. Most of the funding for this project was from the league and donations by local businesses. This kind of working partnership between the private and public sector certainly benefits those using town facilities as well as the taxpayers.

As in past years, the work schedule of the Park Division was extremely busy. As new beautification projects are completed or new recreation facilities

developed, the resulting need for on-going maintenance increases. Also, community events such as summer concerts, festivals, and other very popular entertainment events that require our division's assistance have increased dramatically over the past two years. These events are the result of the effort of many citizens and local groups as well as town staff and provide an ever-expanding schedule of entertainment.

The effort to maintain Plymouth Beach continued this year as the permitting and funding process began in earnest for the rehabilitation of a portion of the stone dike and the ensuing large scale sand nourishment project. This is a painstakingly slow process to be sure, but it will allow the completion of these projects that are vitally important for the beach that serves as a natural resource area and as harbor protection. The management of the beach becomes more difficult and critical each year in addressing the various functions, uses, and needs of this fragile resource area.

The Forestry Division work schedule included the pruning/trimming of approximately 1,000 trees, seventy-five diseased/hazard tree removals and fifty street tree plantings. A few Liberty Elms that were grown in our nursery were planted this year. These elms are a hybrid that has been developed to be more resistant to disease than the elms that once graced the streets in Plymouth Center.

An Arbor Day tree planting was held this year at Manomet Elementary School. The ceremonies also included a brief educational program for the children and their participation in the actual plantings as well as 1,000 seedlings being distributed to the children. Also, the Plymouth Garden Club donated a tulip tree that was planted at Jenny Pond Park to commemorate the importance and value of planting trees. Seedlings were again distributed to the public during Hazardous Waste Day.

## **Town Forest Committee**

The main focus of the committee in 1997 involved clean-ups and efforts to deter dumping of rubbish on town forest land in the future. The concern of the committee stemmed from the scheduled 1998 closure of the Manomet landfill which, when closed, may impact the town forest adversely by a possible increase in illegal trash disposal. In anticipation of this potential problem, arrangements were made for January 1998 to complete plans of limiting access to the most abused areas of the forest by the use of telephone pole fencing and swing gates. The Park and Forestry Division of Plymouth will provide the equipment needed for the project and the committee, comprised of Charles Yeaton, Richard Stabile and Maureen Thomas, will be assisted by the voluntary expertise of foresters, Ted Bubbins and John Scagliarini. The welding of swing gates in the forest will be

done by a private contractor. During 1997 organized clean-ups were performed by the Plymouth Department of Public Works and volunteer groups. Additional clean-ups will be done once all crucial access areas have been fenced off, in the hope that the forest will remain relatively rubbish-free thereafter.

Furthermore, the ten year forest management plan, established in 1989, terminates in 1999. Consequently, the committee has initiated a meeting with forester Hugh Prather in order to devise a forest management plan for the future. Mr. Prather will reestablish the status of the sixteen tree stands within the forest and provide recommended treatments in order to enhance not only the monetary harvest value, but the aesthetic value as well.

## **Sewer Division**

The mission of the Sewer Division personnel, through cooperative teamwork of the treatment operations, infrastructure maintenance and laboratory staff, is to protect the environment by minimizing health/pollution risks while effectively meeting the stringent criteria imposed by the U.S. Environmental Protection Agency and the MA Division of Environmental Protection regulations and permits by optimizing process control and long-term infrastructure integrity through a strategically planned and coordinated inspection, analysis, preventive maintenance and scheduled replacement program in a professional cost-effective manner with emphasis on serving the needs of the sewer utility rate payer with minimal financial impact.

During the calendar year 1997, Sewer Division personnel endeavored to meet the compliance requirements mandated by both the Federal and State governments.

In 1997 the Sewer Division purchased a van to replace an old van used for the pretreatment program. The new van is used for the pretreatment program as well as a camera station for the Collections System personnel when they are videotaping the interior of sewer lines.

During 1997, Collections System personnel replaced approximately 1,200 feet of 4" to 10" sewer pipe. They videotaped and inspected approximately 20,000 feet of sewer pipe as part of the Division's ongoing investigation to eliminate inflow and infiltration. Seven storm drains were found tied into the sewer system and were removed.

Camp, Dresser and McKee, Inc. (CDM), through a contract overseen by the Town Manager as part of the Wastewater Treatment Facilities Plan, and

Collections System personnel completed infiltration studies in October, 1997.

Collections System personnel along with CDM conducted smoke tests during June and September to determine illegal tie-ins, e.g. roof drains, sump pumps, drain lines, or storm drains. When discovered the property owners were required to remove the illegal connections.

Sewer personnel maintained, repaired, rebuilt and painted all pumps and motors within the wastewater system throughout the year.

Annual sampling and inspections of those industries permitted under the Town of Plymouth's Industrial Pretreatment Program were completed in compliance with the Attorney General's mandated Pretreatment Program in accordance with the Environmental Protection Agency's rules and regulations 40 CFR 403.

In January 1997, residents at a town-wide referendum vote rejected the construction of a new 3.0-MGD wastewater treatment plant to be built in Camelot Park, which had been approved by Town Meeting members in November 1996. In April 1997, Town Meeting again voted to approve the construction of the plant in Camelot Park. In June, at another town-wide referendum vote, residents approved the construction of the plant in Camelot Park. When the new facility is built, it will replace the 1.75-MGD treatment plant on Water Street, which will then be replaced by a pump station. It is anticipated that the new plant will be built and operational by the year 2002 or 2003. CDM, as the Town's consultant, is continuing its work towards that end.

The Sewer Division has continued to implement the Sewer Bank Policy as established by the Board of Selectmen through MA DEP with the allocation of a 50,000-gallon bank. Through December 1997, eight permits were issued for an additional usage of 2,690 gallons. Since inception of the Policy in 1995, 64 permits for a total of 28,245 gallons have been issued. Collections systems personnel installed four new services as part of this program in 1997.

The Sewer Division is continuing to work closely with the Health Department to identify failed septic systems within the Town by monitoring the discharge/dumping by pumbers at the Night Soil Facility.

As part of the Town's efforts to consolidate operations, Sewer Division personnel were given the responsibility of operating the School Department's South High School wastewater treatment plant. Personnel make daily visits to the plant to record necessary data and to insure the facility is operating properly. The staff also collects the samples required for the monthly testing based on the NPDES permit requirements and the quarterly sampling of the monitoring wells.

Between January and December 1997, the Wastewater Treatment Plant on Water Street treated 698,552,000 gallons of wastewater. This represents a decrease of 4,800,000 gallons over 1996, or a 0.68% decrease in flow. Included in this total are 3,852,845 gallons of septic waste from Plymouth residents not on the collection system and received at the plant in 1997, a 12.59% decrease from 1996. The septic flow was 0.55 % of the total sewer flow.

The combined domestic, commercial/industrial and septic waste was received, treated and discharged to the ocean with a reduction of solids present in the wastestream of 94%.

The belt filter press processed 11,202,736 gallons of waste sludge, a 22.67% increase over 1996. The belt press processed 5497 cubic yards of sludge cake with an average of 15.1% solids, which works out to 580.5 total dry tons of solids that were taken to the Manomet Landfill for disposal.

## Water Division

The mission of the Water Division is to provide the highest quality drinking water and fire protection at the lowest possible cost to the ratepayers. The goal of the division is to be recognized by the townspeople as one of the best departments within the town government. We understand that this can be achieved only if we operate on the principle that doing good work is its own reward. We must always be looking for ways to improve the quality of the water and the efficiency of the operation.

The most notable event of 1997 was the installation of over 1500 meters by Water Division employees. This project was a continuation of the meter project started by a contractor in 1995. We anticipate the total elimination of all unmetered accounts by the end of the next fiscal year. We are also targeting the oldest meters in the system with the goal of having an average meter age of less than fifteen years. The water mains in the North Plymouth Industrial Park were looped through to Route 80. This project greatly enhanced the fire flow protection in the West Plymouth Pressure Zone.

The total rainfall for the year was 39.56 inches as compared to 65.31 inches for calendar year 1996.

The total water pumped from all sources was 1,759,015,940 gallons or 4,819,222 gallons per day. This represents a decrease of 90,790,920 gallons from 1996 or a decrease of 234,895 gallons per day.

For Fiscal Year 1997, \$2,561,876.90 was committed to charges (water bills) for the sale of water, service connections, various services rendered.

The Wannos Pond Well pump, motor and gear drive failed in November of 1996. The motor was original to the well development in 1947, the pump was replaced in 1963 and the gear drive was added in 1968. The pump, motor and drive were replaced and the well was back in service in time for the summer season. The underground water main piping was also replaced in the vicinity of the well house.

The Samoset Street and Stafford Street Tanks were cleaned and inspected. The department is on a three to four year rotation with tank inspections. The Indian Hill and Lout Pond Tanks were rehabilitated during the fall season and were back in service in mid December.

The Water Division installed two water mains. The main on Parker Drive was looped through to Esta Road by way of Jiffy Road. This eliminated a dead end on the Parker Drive water main. A short piece of water main was installed on Bartlett Road to connect the lines in the road and a short length of main through the woods at the Wannos Pond Well was abandoned. These projects were done as part of the roadway rehabilitation in the area.

## **CONSUMPTION OF WATER**

Estimated Population Served:	42,000 (est. 86% of Town)
Total Yearly Consumption:	1,759,015,940 gals.
Average Daily Consumption:	4,819,222 gals.
Gallons Per Day Per Capita:	114.7 gals.

## **CONSTRUCTION**

New Installation	
Shallow Ponds III	3,400 L.F. of 8" D.I.
Christa MacAuliffe/ Commerce Way	2,300 L.F. of 10" DI
Parker Drive	350 L.F. of 8" PVC
Bartlett Road	105 L.F. of 8" D.I.

## **DISTRIBUTION SYSTEM**

Type of Pipe: Cement lined sheet metal (jacket pipe), cement lined cast iron, cement lined ductile iron, asbestos-cement and PVC.

Size Ranges:	2 to 20 inches
Linear Feet Extended:	6,160 L.F.
Total Linear Feet In Service:	1,061,070 (201.0 miles)
Total Linear Feet of 4" or Less In Service:	15,840 (3 miles)
Number of Hydrants:	1850 EST.
Number of Gate Valves:	4000 EST.

## SERVICE CONNECTIONS

Type of Pipe: type K copper tubing, lead, SDR 9 PVC, cement-lined cast iron & cement lined galvanized

Service Taps Added:	51
Services Added by Builders	99
Total Number of Services:	12,400 EST.
Services Renewed	19
Services Abandoned	8
Curb Stops Replaced	28
Main Breaks	8
Service Leaks	21
Main Cut & Caps	16
Hydrants Replaced/Installed	18
Hydrants repaired	23
Main Taps	2
Valves Replaced/Repaired	2
Cost of New Service:	\$1050
Number of Meters in Service:	12,000 EST.
Meters Replaced	1222
New Meters Added	281

## SUMMARY OF STATISTICS

POPULATION:	49,300 (EST.)
SUMMER POPULATION:	58,000 (EST)

## DATE WATER DEPARTMENT ESTABLISHED:

The Town purchased the water system from private owners in 1855. The first water system was established in Plymouth during in 1797. During the renovation of the Town Hall the original charter of the Plymouth Water Company was found. Governor Samuel Adams signed it, 7 February 1797. It is available for inspection at the Plymouth Public Library.

## SOURCE OF SUPPLY:

South Ponds Well #1 & #2, Lout Pond Well (inactive), Wannos Pond Well, Ship Pond Well, Ellisville Well, Bradford Well, Federal Furnace Well, North Plymouth Well and Darby Pond Well.

## STORAGE TANKS:

Harrington, Samoset, North Plymouth, Stafford, Lout Pond, Chiltonville, Pine Hills, South Pine Hills, Indian Hill and Cedarville.

**PUMPING**

SOUTH POND WELL #1	290,086,000 Gallons
SOUTH POND WELL #2	290,603,000
LOUT POND WELL	0
FEDERAL FURNACE WELL	164,651,900
DARBY POND WELL	154,664,100
NORTH PLYMOUTH WELL	244,880,800
SHIP POND WELL	185,184,600
WANNO'S POND WELL	68,548,200
ELLISVILLE WELL	212,855,700
BRADFORD WELL	147,541,640
<b>TOTAL</b>	<b>1,759,015,940 Gallons</b>

**BOOSTER STATION RE-PUMPING**

DEEP WATER STATION	9,928,400
PINE HILL BOOSTER STATION	58,204,800
CEDARVILLE BOOSTER STATION	94,320,000
<b>TOTAL</b>	<b>162,453,200</b>

**PLYMOUTH WATER DIVISION**  
**P.W.S. #4239000**

1. Locked fences protect some of the sources and sites and all power failures are detected by telemetry. All pumping stations are monitored for loss of power or failure of surge control valve. All standpipes except two (North Plymouth & Lout Pond) are monitored for high and low level situations.
2. One booster pump station and one well site have entry alarms.
3. The Bradford Well, Cedarville Booster Station and Rocky Hill Road Booster Station do not have stand-by power. We have a trailer mounted; diesel powered emergency pump to service these areas in the event of equipment failure or prolonged power outages.
4. Source: if any source is lost there is a back-up source with exception of the Bradford Well as mentioned above. Our capital improvement plan calls for the installation of an interconnection between the West Plymouth and Bradford Pressure Zones. Seven of the nine sources have stand-by power.

**Distribution:** The system is divided into six pressure zones. Four zones have supply sources, the Rocky Hill Booster Station supplies the Pine Hills Zone with water from the Plymouth Center Zone and Ellisville/Cedarville is supplied by the Cedarville Booster Station

with water from the Manomet Pressure Zone. The Bradford Zone is interconnected with the Plymouth Center Zone and the Pine Hill Pressure/Booster Zone is interconnected with the Manomet Pressure Zone through PRV devices. The West Plymouth Zone is interconnected with the Plymouth Center Zone at two locations with one not currently operational. The Plymouth Center Zone is interconnected with the Town of Kingston Water System on Route 3A with a 12-inch main. There is also an 8 inch interconnection with Kingston on Nick's Rock Road near the Independence Mall.

**Treatment:** One source receives treatment beyond the above mentioned corrosion control - the Bradford Well receives green sand filtration for iron/manganese removal and in the event of an emergency can be served with the trailer mounted pump with water from the Plymouth Center Zone.

**Storage:** The system has ten standpipes and all but two are monitored for high and low level conditions. The loss of any one standpipe would not pose a problem with the exception of the Cedarville Standpipe, Stafford Street Standpipe and the Pine Hills Reservoir. If these tanks were lost for any reason their pressure zones would have to be supplied with direct pumping.

## Plymouth Airport Commission

The Mission of the Plymouth Airport Commission is to promote, foster, advance and improve the common interests and conditions of General Aviation in this community and in the local areas; to promote the airport as a gateway into Plymouth for individuals and companies to conduct business in the Town of Plymouth and to be an integral part of a National Transportation system; to provide a location for business and recreational flight operations, flight schools, air charter, avionics shops, maintenance facilities and other compatible aviation and industrial uses; to enhance the safety of flight as directed by the Federal Aviation Administration and the Commonwealth of Massachusetts, along with local rules and regulations governing flying operations.

The Plymouth Airport Commission is pleased to report that the airport continues to be one of the best maintained and operated facilities of its class in the State of Massachusetts. The Airport Commission's primary goal is to operate the airport in the safest and most efficient manner possible. The Plymouth Airport is a General Aviation Airport providing the local residents and businesses access to the National Air Transportation system. As a gateway to the community , the airport offers an entrance point for business, recreation and tourism. Most of the

aircraft using the facility are small 4-10 seat single and twin engine aircraft types. The activity is estimated to be approximately 63,000 aircraft movements per year.

The Plymouth Airport is home to some 160 aircraft, used for business, recreation and public safety. Boston Med-Flight Helicopters continues to be an active tenant of the airport, providing emergency medical helicopter service to area residents in times of medical emergencies. Med-Flight operates an average of 3-4 flights per day responding to the medical needs of the residents of the Plymouth and Southeastern Massachusetts area. The Plymouth County Fire plane is also based and operated from the Plymouth Airport, providing critical assistance to the local fire departments during periods of high fire danger to locate forest fires within the county. As Plymouth County has become more built up in recent years, this service has proved most valuable in reducing the response time for fire personnel to forest fires, which greatly reduces the danger to life and property. The airport contains 15 private businesses, employing more than 145 persons. These businesses offer services ranging from flight schools to aircraft maintenance, aircraft sales, corporate flight crews.

After more than thirty-three public meetings, the Airport Commission completed the Environmental Impact Report (EIR) to extend both runways by 850 feet in order to enhance the safe operation of the airport. During 1997 the East/West runway (Runway 6/24) project was completed. For the coming years the Airport Commission has several proposed projects including additional security fencing to minimize illegal dumping on Town property, purchase land within the runway safety area, replacement of snow removal equipment and the extension of the North/South runway (Runway 15/33). The Commission is also in the second phase of a study of the airport's septic/sewer needs to determine how best to work with Title 5 and the airport septic needs in the future. As part of the Commission's continuing commitment to operate a safe and environmentally sound operation, the Airport has installed 15 ground water monitoring wells located around the Airport property to monitor the aquifer on airport property. These test wells are tested periodically on a random basis.

The airport staff is very active in providing tours for school groups and other civic groups. The airport is very popular for sightseeing flights by helicopter, airplane or glider. Along with the many corporate operations that are conducted at the airport, many persons from all over the country arrive here to support the local business and tourist industry.

The airport is well maintained by a small but highly motivated professional staff. The Plymouth Airport Commission is particularly proud of being financially self sufficient and will continue to work diligently to operate the Municipal Airport in a manner of which the Town can be proud. The Airport Commission offers an open invitation for any citizens of Plymouth to visit and tour your local airport.

# **HUMAN SERVICES**

## **Council on Aging**

To pursue the goals set forth in Older Americans Act, Section 1, Title 101, and to carry out the mandates for Councils on Aging established under Massachusetts General Laws, Chapter 40, Section 8b, Plymouth Council on Aging declares the following statement of purpose for the senior center's existence: to provide mobility to elders; to provide nutrition; to provide preventive health programs; to provide social and economic assistance; to provide educational programs; to provide socialization and recreation; to provide support for the homebound and to keep them out of institutions; to provide jobs and volunteer opportunities; to assist all who come with information and referral.

### **1997 ANNUAL REPORT**

Senior citizens of Plymouth will look to 1997 as a year of new programs granted by our town. First, there was the GATRA (Greater Attleboro-Taunton Regional Transit Authority) /Town subsidized public transit service. With a senior citizen ID card and 35 cents, a senior could take a bus to food stores, medical centers, Jordan Hospital, downtown and malls. This program is a milestone for those who do not own or drive a car, as it also serves the general public.

The Senior Citizen Tax Credit Work Program, another benefit granted by the Annual Town Meeting of 1997, allows senior citizens who own their own homes an opportunity to work for the town and receive a property tax credit for up to \$500. Twenty seniors were chosen by lottery. Sixty-two applied for the program.

In an unprecedented move, the Plymouth School Committee voted to offer a Senior Citizen Activity Pass to Plymouth residents sixty years and older. The activity pass allows the bearer and one guest to free admission to public school events for which an admission fee would be charged; such as athletic events, drama presentations, band concerts, etc. It also allows a ten percent discount on the bill when having lunch at the Plymouth South High School's culinary arts Southside Fare Restaurant.

On September 15, the Board of Selectmen reappointed John Bauer to a full three year term and appointed Charlotte Govoni, Rev. Gus Rakoczy and H. Arlene Russo to the Council on Aging. Staff members appointed by the Selectmen included Lynn Sullivan as Coordinator of Volunteers to replace Kathy Taber and David Becker as Bus Driver to replace Don Sprague. Barbara Grimes and Lorraine Tassinari were appointed as acting Nutrition Site Managers to replace Vi Kessell.

The Plymouth Rotary Club honored Director of Elder Affairs Christian W. Schembri by dedicating its Paul Harris Fellow award for outstanding development of programs for senior citizens throughout Plymouth in his name. It was the first time the Plymouth Rotary gave the \$1,000 fellowship with Rotary International in recognition of a non-member. The money goes toward helping the needy around the world.

GATRA reimbursed the town \$55,174.50 for operating expenses of the Dial-A-Ride program. GATRA also maintained the three buses through their Taunton garage. The bus log showed 20,435 rides for elder and disabled persons of Plymouth. GATRA personnel also came to Plymouth and provided several opportunities for seniors and disabled persons to obtain ID and Access Cards, good for reduced rates on all public transit systems of Massachusetts, including railroads, subways and buses.

A total of 155 volunteers were honored at a luncheon celebration of Older Americans month. The event was held at the John Carver Inn to express public gratitude for the 30,475 hours of personal time given by volunteers who serve the needs of elders through the Council on Aging. Certificates of appreciation signed by the President of the Senate and State Senator Therese Murray and by the Speaker of the House and Representatives Joseph Gallitano and Thomas O'Brien were presented to the following: Eleanor White, Charlotte Harper, Phyllis Fraza, George Wetmore, Barbara Grefe, Augusta Waters, Pam Carr, Alpheus Richmond, Joseph Correa, Phyllis Folger and Harry Luscomb.

Several local institutions provided support services to our Council on Aging programs. Road to Responsibility and New England Villages staff and residents delivered meals on wheels daily. The Kiwanis Club of Plymouth committed to deliver a meals route weekly. Life Care Center of Plymouth provided luncheons and Hairdresser service, Mayflower Nursing Home sponsored a cookout; Beverly Manor Nursing Home sent maintenance staff to perform light maintenance work for seniors who live alone.

1997 was also a year of transition. Genevieve Ash, an active member of our community and an untiring leader in the aging network of our state, died on September 18. Alpheus Richmond and Joseph Poirier, both having served in the Elder Service Corps delivering meals on wheels until they could no longer make their rounds died in December. Other departed participants and volunteers of our programs were Essio Fortini, Marie Kirby, Jessie Waldstein, Leo Donovan and Inez (Kit) Goldburg. To them, this report is dedicated.

## Plymouth Public Library

The mission of the Plymouth Public Library is to select, acquire, organize, preserve and make conveniently accessible services and a collection of materials in various formats held in common by the people of Plymouth for their educational, cultural, recreational and informational needs and interests. The library is an agent for all citizens in securing needed information and materials without bias or censorship. The Library preserves and provides access to materials of current and historical significance to Plymouth and its geographic area and as an integral part of municipal government supports life-long learning and the reading enjoyment of the community.

The Plymouth Public Library has spent the year leaning how to work smarter, incorporate the backlog into the daily workflow, expand our thinking outside the proverbial box, and improve customer service.

Statistically the library is one of the more successful public libraries in the 77 communities in the Commonwealth servicing a population base over 25,000. At the beginning of this fiscal year it ranked 12th in the Commonwealth for circulation volume while ranking 28th in level of staffing. Municipal financial support for the purchase of books, periodicals, and other library materials ranks 42nd within this same grouping. The Library continues to request more materials than lent through the Old Colony Library Network. However, the ratio is narrowing, indicating purchases more in tune with local community demand. The Department continues to operate 7 days a week throughout the school year, closing on Sundays only during the summer months. While the operating budget has increased, through proper management of fixed costs such as heating, equipment repair/replacement, and building management, the library has been able to devote more dollars to the library collection for the benefit of patrons.

This year also saw an increase in on-line services available to the public. In October an expansion of the OCLN network allowed installation of additional ports therefore providing more access point to the shared database of library materials, replacement of the PAC terminal in the audio-visual room that was "borrowed" several years ago by the Youth department, and installation of a second terminal location on the second floor in the Fiction area. Services to the Manomet branch have expanded and include full Internet access, access to the on-line periodicals database, and electronic mail to the main library and other municipal locations through the Town of Plymouth's wide area network.

The library has been an integral part of the new SEMLS (Southeastern Massachusetts Regional Library System) which is a multi-type library system with 186 member libraries to date. Plymouth Public Library has served as the fiscal

agent for and temporary home to this new region. The Director, Dinah Smith, was recently elected to serve as first President of this region, and continues to work to insure that Plymouth residents, as well as all Commonwealth residents receive the best library services available in an information rich state.

This year has also seen two "firsts" associated with our library. Through the joint effort of the Reference, Circulation, and Youth Services departments staff members Lee Regan, Denise Medeiros, Evelyn Moschella and Martha O'Meara developed and implemented, for what is believed to be the first time in the Commonwealth, a truly cross generational summer reading program. The Adult/Young Adult Summer Reading Program, designed to parallel the youth summer reading program, drew over 500 adults into the joy of reading, book discussion, and friendly competition. Thanks are extended to the many local vendors who supported both the youth and adult summer reading programs. Our second first is the beginning of new Senior Services Library program, coordinated and developed by Sharon LaRosa. This program aimed at community members over fifty-five will target such topics as retirement planning, what to do during retirement, addressing issues of aging parents, boomerang children, financial planning, etc.—just about everything that the aging "boomer" needs to know but is afraid to ask!

Supporters continue to be the backbone of our organization and without them, we simply could not do what is expected of us. The Library Corporation, through its Board of Trustees provides guidance, policy, and financial support. The Friends of the Library, both on the adult and Junior Friends levels, continue to provide spectacular community programs such as the museum passes and program support. Volunteers are our best friends, lending helping hands where needed and smiles always! And the members of the Plymouth community, with your constant use, thought provoking inquiries, and high expectations, keep the staff on its toes and encourage them to always look for just that little something to make the library the best that it can be.

## **Recreation Department**

**The mission of the Plymouth Recreation Department is to provide quality recreational programs to the residents of the community; to promote fair play, teamwork, and clean living; to expand the scope of programs to include educational as well as physical activities; and to make the department a valued Town resource.**

In addition to supervising the Town's lifeguards, day and night beach and pond attendants, playground instructors, swimming instructors, and the staff and programs of the Manomet Youth Center, the Recreation Department was very

involved in the planning of new recreational playfield areas at Forges Field, the Briggs Property, and West Plymouth. The Forges Field and West Plymouth projects broke ground in December, and the Briggs Property is scheduled to commence in January.

Also coming to the attention of the Recreation Department was the need for skate parks. A Skate Park Advisory Recreation Committee was formed by the Town Manager, and regular meetings were scheduled starting in November. The committee is scheduled to make recommendations to the Board of Selectmen in January 1998.

During the winter months of January through March, the department held a youth basketball program at the Manomet Youth Center and at Indian Brook School, organized a field trip to Disney On Ice at the Fleet Center, conducted a gymnastics program for Plymouth children ages 2 through 12, held the annual Plymouth Area Youth Hoop Shootout Basketball Tournament at Memorial Hall, and organized a Ladies Aerobics program at the Manomet Youth Center.

The spring and summer months were especially hectic for the department with over 5,000 registrations being handled for the various summer programs. Included were swimming lessons, tennis and arts and crafts classes, golf clinics, summer basketball leagues for girls and boys, gymnastics classes, dance/acrobatic classes, a cheerleading clinic, a basketball clinic, and kayaking classes.

## **Veterans Services**

**It is our mission to assist with dignity those who have served their country during wars and crises and find themselves in economic or medical need. In all our contacts with these applicants and their dependents, we shall make every effort to understand and take into account their emotional state, apprehension to disclose personal information about themselves and their families. We must protect the confidentiality of all information provided.**

During 1997, several new pieces of legislation were passed and signed into law. Annuities for Gold Star parents and for 100% disabled veterans effective July 1, 1998 were approved in the amount of \$1500 each. Real estate abatements were increased in increments for various categories, effective July 1, 1997. These reimbursements to cities and town are made by the state Department of Revenue. Military pensions are now exempt from state tax. Massachusetts was the only state in the union taking pensions received by our veterans.

Other legislation that are pending in House Ways and Means are reimbursement to cities and towns at 75% for the cost of flags for Memorial Day, and increase of certain burial costs from \$1100 to \$2,000. Recognition should be made to our legislative delegation for passage and implementation of these new laws mentioned.

During 1997, Veterans Services required two budgetary increases. A transfer in the sum of \$35,000 was approved in May, and a supplement of \$26,000 was approved at the Special Town Meeting in November. The Commonwealth reimburses all cities and towns 75% for all benefits and assistance given.

### **Veterans Administration**

Our office has utilized federal veterans resources to the maximum. With medical costs rising continually, processing applications for these services have been fruitful and rewarding.

Effective January 1, 1998, all Veterans and their dependents receiving pensions, Dependency Indemnity Compensation, or Service Connected Compensation, will received a Cost of living adjustment increase of 2.1%.

Because Veterans' benefits are not automatic in any sense of the word, benefits must be applied for in accordance with Federal and State laws. Therefore, Veterans' Services shall continually strive to provide the best services available to our veterans.

# **PLYMOUTH PUBLIC SCHOOLS**

## **BELIEF STATEMENTS**

- All children can learn
- All children do not learn in the same way.
- All children need to experience success in order to learn.
- All children deserve positive recognition.
- Learning best occurs in a safe, nurturing and stimulating environment.
- Children learn best when they are active participants in the process.
- All children have the inalienable right to excellent educational opportunities.

## **MISSION STATEMENTS**

- Create an environment which encourages and guides the social, emotional, physical and educational development of each child.
- Foster student and staff responsibilities and respect for self, all other people, societal needs and local and world environments.
- Recognize and use to the fullest the rich diversity and professional skills of the staff by structuring an environment which encompasses risk-taking, critical and creative thinking, innovations, experimentation, personal responsibility and shared decision-making as a meaningful part of the process of facilitating learning and growth for all students, staff and other citizens in our school community.

Student enrollment continues to grow in the Plymouth Public Schools. The School Committee has voted to approve the request for a new elementary school. This request will be forwarded to the Capital Outlay Expenditures Committee for their review.

Ground has been broken and the building of the new middle school on Long Pond Road has begun. This new middle school is scheduled to open for students in September 1999.

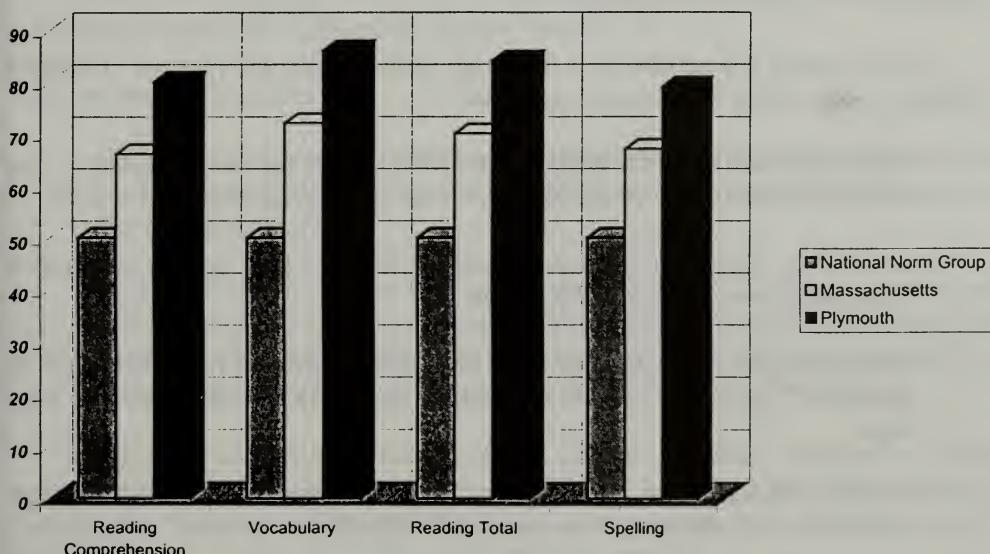

A Request for Proposals to upgrade and renovate the Manomet Elementary School and the South Elementary School has just been issued by the Town.

As in the past, accomplishments of the students of the Plymouth Public Schools during the 1997-98 school year reflect the continuing efforts of the Town to provide excellence of educational opportunities for all students.

## Student Testing

On the Massachusetts sponsored IOWA Tests of Basic Skills, Plymouth's third grade reading scores were far above the Massachusetts and National averages in all test categories. (Results in bar graph follows.)

1997 Grade 3 Reading Test Results: Percentages of Students Scoring At or Above Grade Level

On an even broader testing of academic content areas on a national achievement battery, (IOWA Tests of Educational Development) Plymouth tenth graders as a whole scored better than 77% of the districts in the country.

For the fifth year in a row, all eligible Seniors passed Basic Skills Testing in Reading, Writing and Mathematics which is a Plymouth Public Schools graduation requirement.

Plymouth students in grades 1, 3, 5, 7, and 9 again scored well above the national average in all content areas (Reading, Math, Language, Science, Social Studies, Spelling and Study Skills) on nationally formed achievement tests.

Seventy percent of the Class of 1997 took the SAT at some time during their high school careers, a 3% increase over one year ago. Even with more students taking the exam, the mean Verbal score was above both the state and national averages.

- In 1990, only 54% of the graduates took the Sat, a ten-year low. The combined score that year was 1009. With 16% more students taking the SAT in 1997, the combined score was 1011.
- Nearly 80% of Plymouth North's Class of 1997 took the SAT and scored above both state and national averages.
- The class of 1997 had verbal SAT scores above both the state and national verbal averages for the third consecutive year.

#### Advanced Placement Examination

(These tests are scored on a 1-5 scale, with 5 being the highest. Colleges typically award credit for scores 3 or higher.)

- Nine Plymouth students were named AP Scholars by the College Board by virtue of their scores on three different AP exams, up three from 1996.
- In addition, three others were named AP Scholars with Honors by virtue of their performance on four AP exams.
- Two Plymouth North seniors were named AP Scholars with Distinction by scoring "3" or better on five AP exams, twice the number from one year ago.
- For the first time ever, eight Plymouth North students took the AP Spanish exam. All of them earned scores of "3" or better.
- Eleven Plymouth students scored a perfect "5" on the AP European History exam, the most in any given subject area.
- The mean score of Plymouth seniors on the Advanced Placement exam in English Composition and Literature was higher than the national mean score on the same advanced placement exam.

## Student Academic Awards and Achievements

### National Merit Awards

- Two Plymouth North students received National Merit Scholarship Letters of Commendation.
- Three Plymouth South students received National Merit Letters of Commendation, and one other student was named a National Merit Scholarship Finalist. (Representing the top one-half of 1% of students nationally).

The 1997 graduating class had three students accepted to Ivy League Schools, two at Cornell and 1 at the University of Pennsylvania.

Chancellor's Award - University of Massachusetts/Amherst – once again to a Plymouth North and a Plymouth South Senior.

### Environmental Programs

- Fourth grade class at Cold Spring School was First place winner in the United States Environmental Protection Agency's Earth Artists Program for the fifth straight year.
- Federal Furnace School fifth grade student Karen McChesney was the statewide winner of the Commonwealth of Massachusetts' 1997 Arbor Day Poster Contest. The school, in Karen's name, received a number of gifts; foremost being a tree, which was planted in the front of the school.

Plymouth Community Intermediate School received awards in three categories: Individual, Pairs and Groups at the Southeastern Massachusetts Geography Network (SEMAGNET). There were seven first place awards, 6 second place awards and 11 honorable mention awards.

Three students at Plymouth North High School and three students at Plymouth South High School were elected to represent the region in Boston at Student Government Day.

Plymouth South High School had a Voice of Democracy finalist.

Eighteen Plymouth South High School students received awards in the 1997 National Latin Exam. A senior Latin student advanced to the finalist level of the Boston University Latin Scholarship Competition.

A Plymouth South High School Junior was elected president of the

## Massachusetts Association of Student Councils.

Five students from Nathaniel Morton Elementary School representing Grades 2-5 were selected by the Cape Cod Language Arts Consortium of Education (LACE) to read their original poems at the LACE Regional Poetry Celebration.

An Indian Brook second grader won first place for the State of Massachusetts in the Reading Rainbow Write Your Own Book Contest. Reading Rainbow is a national TV show on Educational TV.

## Mathematics Team

- The Plymouth North High School Math Team won first place in Division 4 of the Southeastern Massachusetts Math League. The team is participating in the playoff competition. After competing in two math meets, in which they placed first and second, they are leading their division of the Southeastern Massachusetts Math League.
- The Plymouth Community Intermediate School Math Team was the regional winner in the MATHCOUNTS competition and participated in the state competition.

Twenty-three students from grades 2-12 were selected to participate in the annual Poetry Celebration at Cape Cod Community College sponsored jointly by the Massachusetts Council of Teachers of English and the Cape Cod Consortium of Language Arts Teachers. This number represented about twenty percent of the total participants.

Four Plymouth North High School students received Acting Awards at the regional round of the Massachusetts High School Globe Drama Festival Competition. The entire group also received artistic, musical and presentation ensemble awards.

Plymouth North High School journalism students received awards at the annual Northeast Scholastic Press Forum competition in Springfield.

Two eighth graders from Plymouth Community Intermediate School received Promising Young Writers' awards from the National Council of Teachers of English. Ten such awards were given in Massachusetts and two of them were to Plymouth students.

A Plymouth South High School senior won the regional round of the Lions Club Speech Competition and proceeds to the district competition.

Plymouth North High School Student Council raised \$800 for the Cranberry Hospice Festival of Lights by decorating a Christmas Tree.

### U.S. First Robotics Competition

- The Pilgrim Nuclear/Plymouth North Technology Alliance is a business/educational partnership involving engineers from the Boston Edison Pilgrim Nuclear Power Plant and University of Massachusetts Dartmouth, and students and teachers from Plymouth North High School.
- Plymouth North High School was again a finalist for the Chairman's Award, which acknowledges the best overall program.
- Plymouth North High School will compete in the U. S. First Robotics Regional Competition in Manchester, New Hampshire in March 1998 and the National Competition in Orlando, Florida in April 1998.
- Plymouth North High School students accompanied the Blue Eagle Robot to Shichigahama, Japan, Sister City to the Town of Plymouth, for an exhibition of the School Robotics Program.
- The Robotics Team was cited for their involvement in Math, Science and Technology by the State House of Representatives and the State Senate.
- The team hosted the 2nd Annual Rumble at the Rock competition during Plymouth's Waterfront Festival. Twenty-two teams participated representing teams from New England and as far away as Michigan.
- Team member, Alison Burgess, Class of 1998, was published in TIES Magazine, a national technology education publication.

### Music Awards

- The Plymouth High Schools Chorus and Show Choir placed 1st and 2nd respectively in national competition in Williamsburg, Virginia. The Concert Choir won a gold medal as well as the Plymouth North Show Choir.
- Plymouth High Schools Band competed in the Massachusetts Instrumental Conductors Association (MICA) for the first time this year. The band received a bronze medal and the drum majors received silver medals. The band also received the following awards of recognition; Abington Jamboree - Gold Medal; Taunton Competition Parade - 1st place in marching, 1st place in appearance and 2nd place in music.

- Five music students from Plymouth South High School participated in the All-Star Band.

## Art Awards

- Plymouth South High School students won a first place and an honorable mention in the Massachusetts Temperance League Poster Contest.
- Two students from Plymouth South High School won 1st and 3rd place respectively in the MADD poster contest.
- Eleven Plymouth South High School students won awards at the Boston Globe Scholastic Art Competition. One student won a Gold Key, a Silver Key and an Honorable Mention. In addition four other students won Gold Keys, two won Silver Keys and four won Honorable Mention Awards.

## Technical Studies

- The Electronics and Computer Technology Program had the top Vocational/Technical Student in the State of Massachusetts, Julie Chase. Julie was also chosen to receive a National Award of the top Vocational/Technical Student in the United States.
- The Graphic Arts Program had Jessica Barbour win a national championship in the VICA T-Shirt Design competition.
- Plymouth South High School had its first ever VICA student elected as a state official, Cyra Hathaway.
- A team from the Culinary Arts program won a silver medal at the Newbury College Food Competition Exposition.
- The Marketing Program won 13 awards at the state and district DECA competition.
- Computer Aided Drafting had Gold and Bronze medal winners at the state VICA competition.
- Child Care had 1st, 2nd, 3rd and 4th place winners at the state VICA competition.

## Athletic Accomplishments

Girls' Soccer Team at Plymouth North tied for first place in the Atlantic Coast

League.

Plymouth South High School senior, Heloizio Basilio, made the All New England Soccer All Star Team.

Girls and Boys Cross Country Teams at Plymouth North High came in second place in the Atlantic Coast League.

Plymouth North High senior, Daniel Yifru, was named to the Boston Globe All Scholastic Cross Country Team.

The Second Thanksgiving Football Game between Plymouth North and Plymouth South was played at the newly constructed field at Plymouth South High School. The new spectator stands are great!

Several Plymouth South High School athletes received Old Colony League All-Star Awards as follows:

- Wrestling four students
- Hockey one student
- Track two students
- Cross Country two students
- Field Hockey three students
- Football four students
- Golf one student
- Boys Soccer five students
- Girls Soccer one student
- Volleyball two students
- Baseball one student
- Softball one student
- Track & Field one student

The Plymouth South High School Wrestling Team was Co-Champions of the

## Old Colony League and South Sectional Champions.

- Several teams qualified for State Tournaments as follows:
  - Plymouth North High School
    - Boys and Girls Soccer Teams
    - Girls and Boys Cross Country Teams
    - Girls Basketball Team
    - Ice Hockey Team
    - Baseball Team
    - Girls Softball Team
    - Boys Tennis Team
    - Golf Team
  - Plymouth South High School
    - Boys Soccer Team

It should also be noted that many staff members of the Plymouth Public Schools have received special recognition and awards during the past school year.

Dr. Robert Sullo, school psychologist, has published his second book entitled "Inspiring Quality in Your School".

Dr. Rachel McCormack, consulting South High School teacher of reading, wrote a chapter in and co-edited a major collection of essays entitled "Peer Talk in the Classroom, Learning from Research".

Nancy Silva, teacher, was named one of three state finalists for the Presidential Award for the Teaching of Mathematics.

Dr. W. Russell Blake, Planetarium Director, was named "Teacher of the Year 1997" and received an award from Wal-Mart.

Carol Leonard, English teacher, was published in the Language Arts Journal of Michigan, a major affiliate of the National Council of Teachers of English.

Published this year was the first annual issue of "Voices", an Educators' Journal of the Plymouth Public Schools. Also published was "Young Voices", a system-wide anthology of outstanding poetry written by students from grades 2-12.

## Educational Technology Services

During 1997 school facilities were evaluated for networking needs. Plymouth North High School and Plymouth Community Intermediate School were completely cabled and electrically upgraded. Other major projects included: Plymouth North High School, installation of two new computer labs; at Plymouth Community Intermediate School, purchase of more than one-hundred desktop computers to be used as teacher stations and the installation of a computer lab area at Hedge Elementary School.

## Pupil Personnel Services

### Inclusion

- Considerable strides have been made in the inclusion of handicapped students in regular education whenever and wherever possible. Currently all elementary and secondary schools have inclusion programs.

## Early Childhood Education

- The preschool became nationally accredited through the National Association of the Education of Young Children (NAEYC). Only 5% of Early Childhood Programs achieve this prestigious award nationally.

The Town of Plymouth, in collaboration with the Plymouth Public Schools, applied for and was awarded, the Department of Education - Community Partnerships for Children Grant which will provide grant monies until the year 2000.

- The Community Partnerships for Children's primary goal is to increase the accessibility to quality early childhood programs for families. These comprehensive services will assist working families in the care and education of their young children in ways that are responsive to the needs of the community. The partnership intends to serve a diverse population of children, including but not limited to, varied economic, social, cultural and linguistic backgrounds, as well as physically and cognitively challenged children.

The Plymouth Public Schools are gratified to know that the Town's efforts to provide excellence in educational opportunities for all students appears to becoming more and more a reality as evidenced by the performance of its students.

# OTHER BOARDS AND COMMITTEES

## Advisory and Finance Committee

The Town of Plymouth's Advisory and Finance Committee is responsible for reviewing and making recommendations on budgets and articles for Town Meetings. The review is always completed in an impartial fashion as to the merit and effect on the Town. The Advisory and Finance Committee is further entrusted with a Reserve Fund Account. This money is appropriated by Town Meeting to be spent for unforeseen or emergency expenditures in departmental budgets.

1997 was once again an historical year for America's Home Town. There were several large issues that came up for review in 1997. Further, the budget approved was the last that included tax revenues generated from Pilgrim Nuclear Power Plant.

The year started more slowly than previous ones with the Town Manager presenting the budget to the Advisory & Finance Committee in late January. This budget, like previous years, was presented as level service and used none of the allowable Proposition 2 1/2 property tax increase. The Committee reviewed this budget carefully, knowing that any change would affect the tax burden on taxpayers; however, we were further concerned that moneys being allocated may not be providing adequate service to the citizens of Plymouth. Even with our concern over the service being provided, the Advisory and Finance Committee recommended to Town Meeting a budget that was in line with the allocation formula.

The remaining articles in the annual warrant were free of controversy. Articles included the typical zoning articles, allocation of funds to various capital projects, and several by-law requests. There were no large items in this warrant.

The Special Town Meeting, which precedes the annual, was a different story. The Town needed to get rolling on development of a wastewater treatment facility. A previous vote of Town Meeting was overturned by the voters at a special election. The Advisory and Finance Committee recommended the plan that called for the building of a new facility in Camelot Park. Town Meeting supported the Committee's recommendation on this item.

The Special Town Meeting in November once again had an article dealing with the Digital property. The Town had been given the right to purchase this property for \$8 million. Town Meeting voted not to approve the purchase. This was the only item in the November warrant that required a large amount of debate; the remaining articles were completed in one evening.

There were several changes in personnel in 1997 with three members of the Committee resigning due to personal obligations. David Clark, Donald Brown, and Catherine O'Leary had faithfully served the Town for the previous three years. Their dedication to the Town and the Advisory & Finance Committee will be missed. These were the first changes in personnel for the Committee in two years. In addition, the Advisory & Finance Committee Secretary of eleven years, Marsha Silva, resigned. Her dedication to the Committee will also be missed.

## **130 Court Street Committee**

The Committee, which meets annually and on an as needed basis, consists of five members. It was established by Town Meeting in 1975 to approve uses of the 130 Court St. property. 130 Court St. continues to be fully occupied and 128 Court St. remains vacant. Some disrepair of the front building was noted and maintenance concerns were forwarded to the Department of Public Works.

## **Plymouth Contributory Retirement System**

During the calendar year of 1997, the Town of Plymouth Contributory Retirement System continued in its primary function to serve its membership in all benefits afforded to them under Chapter 32, in an effective and timely fashion. The implementation of State legislation of Chapter 306 and 427, which changed specific benefits, and regulations regarding all retirement systems within the Commonwealth of Massachusetts and their functions, became a major focus of the year.

The Board had the distinct opportunity to be the liaison between its regulatory authority, the Public Employee Retirement Administration Commission, and the Public Library for several workshops for the southeast area. Topics included new legislation guidelines for Chapter 306 and 427, Acts of 1996; Year-end procedures; Draft Investment Guidelines; and Draft Disability Guidelines.

In an effort to serve our membership better, the Board and staff attended several educational conferences. These workshops varied in subject matter from issues regarding new regulations imposed by Chapter 306 to instruction in recently purchased Windows software. In addition, the Board added a new staff person to the office to aid in the office functions and in its daily responsibilities to our membership.

In compliance with Chapter 306, the system met the required changes to an expanded board membership. One aspect was accomplished with the appointment of a new Finance Director. At year end, the current Board

membership is as follows: Richard Manfredi, elected; Thomas Kelley, elected; Patrick Dello Russo, ex-officio; John Murphy, Jr., Selectmen appointment; and Mr. John Kirby, Chairman/Board appointment. The Retirement system will hold elections during 1998 for the elected terms that expire in June of that year.

The Board met its deadline to provide the Division of Public Employee Retirement Administration Commission with the submission of its adopted draft for an Early Intervention Plan. Implementation of these new regulations is expected to be delayed for enactment until July 1998. As presented by Robert F. Stalnaker, Executive Director of PERAC, "Early intervention has two elements. The first requires the development of workplace safety plans, accommodation of injured employees, and employee assistance programs. The second requires the creation of Early Intervention Teams to evaluation the rehabilitation potential of every injured employee who remains out of work for more than thirty days."

The most recent audited performance of the fund (12/31/96) showed a gross return of 12.7%. Total asset value at year end 12/31/96 was \$51,665,844.23, which is an increase of 15.44% over year end 1995. Based on the most recent actuarial evaluations, the system is 71% funded. This reflects the percentage of the actuarial accrued liability covered by the retirement systems assets. The audited performance of the system for 1997 will be available in early 1998. The Board continues to maintain diversification of the fund by using five separate managers for its portfolio. At present, the Board is in the process of adding a new facet to the portfolio by adding Salomon Brothers Asset Managers as a high yield bond manager to help achieve, through diversification, better returns for the fund. The Board continues in its prudent fiscal responsibility by choosing managers with low risk and better than average returns.

One of the most important issues before the Retirement system in 1997 is the change in legislation controlling cost of living increases for retirees. With the amendment of Chapter 32, Section 103, as added by Section 8 of Chapter 17 of the Acts of 1997, the State will no longer be responsible for cost of living increases for retirees of the Commonwealth, with the exception of Teachers and State employees. It is extremely important for local governmental acceptance of this legislation at Town meeting. Without local acceptance, Town of Plymouth retirees can never expect to receive a cost of living adjustment again. The acceptance of Chapter 17, will allow local boards the ability to make fiscally prudent decisions regarding when and if increases to governmental pensions are affordable as defined through this piece of legislation. This decision will be brought before Town Meeting in early 1998.

## ANNUAL DATA

Retirements	24
Refunds to terminated Employees and Transfers	27
Total New Members	114
Deaths (active Members)	3
Retirees	318

## 1749 Court House Museum

During the 1997 season, the 1749 Court House Museum was open weekends in June, daily (except Thursdays) from July 1 through October, and Thanksgiving weekend. There were 9685 visitors, including 260 on Thanksgiving Day. Representation was from every state in the Union and every habitable continent in the world. English, Irish, Scottish, German, French and Asian tourists were notably in the majority, but it was gratifying to see an influx of tourists from Russia, Korea, Israel and developing Eastern European countries.

The Museum participated with the Burial Hill Preservation Alliance and the two Town Square churches in Summer Evenings on Town Square, a program series of historical lectures, tours, and classical music recitals held each Tuesday evening throughout July and August. Over 1,000 local residents and tourists participated in events ranging from a special children's night of "Old Town Tales: Stories of Plymouth Long Ago" to a lecture on crime and punishment in the 18th & 19th century and "Landmarks in Time" a photographic journey through Old Plymouth.

It is most gratifying in examining the comments in the guest book that so many visitors express appreciation to the town of Plymouth for preserving the unique piece of American history that the Court House Museum represents.

1997, also, saw the Museum becoming an educational resource to the Plymouth school system in that special tours were conducted in the spring for several classes of Plymouth school children.

A consultant, funded by appropriations from the Visitor Services Board, has completed preliminary plans for improvements to the exhibits at the Museum.

## **The (Temporary) Long Pond Road Study Committee**

At the 1997 Annual Town Meeting, Article 9-9 in the warrant requested approximately \$1.4 million to straighten and widen Long Pond Road from Mast Road to Clark Road. The (Temporary) Long Pond Road Study Committee was established to study the alternatives for providing sufficient access to Plymouth South High School, the new South Intermediate School, the new Ridder Golf Course, and Forges Field, including but not limited to the improvement of Long Pond Road, between Mast and Clark Roads, the building of an access road parallel to and west of Route 3; said committee to report at the next town meeting and to be discharged upon presentation of this report.

Appointed to the Committee by the Moderator were:

Mrs. Diane Callahan, 15 Independence Street, (Secretary)  
Mr. Nicholas Filla, 6 Court Street, (Chairman, Planning Board)  
Mrs. Cynthia McIver, 13 Independence Street  
Mr. Robert R. Regan, 24 Gunners Exchange Road  
Mr. Russell G. Shirley, 25 Filmore Street, (School Bldg Com)  
Mr. Daniel Sullivan, 18 Dorothy Drive  
Mr. William S. Franks, 900 Old Sandwich Road, (Chairman)

The Committee received extensive technical support from Fred Smith, Town Engineer and Leighton Peck, DPW Director. It met once in May, twice in June, twice in July, once in August, three times in September including an extensively advertised public meeting on September 22, and once in October.

Our primary concerns and highest priorities were safety, access by pedestrians, and preserving the character of Long Pond Road as a picturesque road through a residential neighborhood.

The Committee drew up a list of options to consider:

Option	Action	Approximate Cost
1.	Do nothing	
2.	New Traffic Controls at existing school entrance	\$100,000
3.	Widen and improve school entrance	\$310,000
4.	New "spur" road to Long Pond Road as second entrance or exit, (approximately 1500') on Digital property	\$380,000*

5. Widen and straighten Long Pond Road from Mast Road to Clark Road	\$1,400,000*
6. Access road from Clark Road to school parking lot, (approximately 6000') on Digital property	\$1,530,000*

\*(4, 5&6 do not include the cost of land takings)

7. Additional interchange from Rt. 3	???
--------------------------------------	-----

The committee reviewed the preliminary design parameters developed by the Town Engineering Dept., the Traffic Study performed by Purcell Assoc. for the School Building Committee for the New Middle School, Traffic Calming Techniques, Plymouth Police Statistics and the Conservation Law Foundation publication "How to Protect Communities from Asphalt and Traffic".

It became apparent, early on, that widening and straightening Long Pond Road for the full length from Mast Road to Clark Road was not required at this time and might, in fact, be counter-productive. The Purcell Study concluded that Long Pond Road is nowhere near capacity, and would remain so even after residential build-out and golf course construction.

As an outgrowth of our studies, the committee recommends that a high priority be given to extending the sidewalks from the schools to Oar and Line Road, and if the Digital land, adjacent to the school, becomes available, a sidewalk/pathway/bikeway be extended from Forges Field to Clark Road. It would appear sidewalks should be on the west side, with one crosswalk at the traffic controlled school entrance, would be the safest configuration.

Therefore, the committee voted (6-1) to postpone any recommendation at this time based on the fact that the potential purchase of the Digital property greatly affects the feasibility of several alternatives discussed by this committee. We suggest that the committee be extended to the 1998 Annual Town Meeting.

As an aside, we would point out that strict traffic enforcement is the key to safer roads. We suggest the police may want to be more visibly present on the road during entering and exiting times to the schools.

## Plymouth Cultural Council

The Plymouth Cultural Council (PCC), formerly the Plymouth Arts Lottery Council, is an agency appointed by the Board of Selectmen to supervise the regranting of funds from the Massachusetts Cultural Council (MCC). The MCC allocates money to local cultural councils, such as the PCC, serving every community in the Commonwealth. Local councils are run by municipally appointed community volunteers. Applicants from the community for projects in the arts, humanities and sciences that have a public benefit, present proposals in October. The grant round decision making process takes place at the end of October. Local council approval letters are sent out to applicants the end of November, but final approval must come from the MCC. State approvals from the MCC are sent out to local councils the beginning of April. Applicants receive final approval from the PCC by mid April. Projects must be completed within one year of notification of state approval, unless special permission to extend the completion date is sought and approved by the local council in writing. Funds are paid on a reimbursement basis only. During 1997, many events took place that were partially or fully funded by the PCC. These have been reimbursed and include: various concerts, school performances, music for seniors, poetry/drama workshop, South Elementary arts festival, library events, family events, and a Harvard Museum tour for 125 Indian Brook students.

The Plymouth Cultural Council meets once a month at the Town Hall. The council must have a minimum of five members, but there may be up to twenty members. Members are allowed to serve for six years. Current members include: Jean Best, Leonard Marsden, and Ronnie Lazarus, as well as Marsha Hanby and Ruth Schultz, co-chairpersons. The Council wishes to express its appreciation to former chairperson, Janet Alfieri, whose term expired in June, 1997; and Robert Daly, whose term expired in January, 1997. New members are welcomed and encouraged.

The state mandated deadline for this year's grant round was October 15, 1997. The state allotted Plymouth \$14,913; \$4740 was available in unused MCC funds; and \$746 was set aside for administrative purposes. The total available to be regranted was \$18,907. A total of 53 grant applications were received by the deadline. Of these, three were Performing Arts Student Series (PASS) grants, totaling \$1,910, and 50 were local cultural council grants, totaling \$38,884. A preliminary vote was held on October 27, 1997, with all members present. After grant applicants who had been rejected received notification, and a fifteen day period for requests for reconsideration lapsed, a final local vote was taken on November 17, 1997. The following is a list of the 1997-1998 grant applications which have been forwarded to the MCC for final approval:

1998 GRANT ROUND		PLYMOUTH CULTURAL COUNCIL	\$18,907	available
APP. NO.	NAME	DESCRIPTION	REQUEST	GRANT
P 98-00	PASS Indian Brook Elem	Zeiterion "Frog and Toad"	600	0
P 98-01	PASS Indian Brook Elem	Harvard Museum of Cultural & Nat. Histor	480	240

98-46	Ply. Philharmonic Orchestra	1998 Family Concert	750	750
98-47	Duxbury Arts	25th Annual Winter Juried Show	300	150

In January, 1997, a seven-member subcommittee of the Council, consisting of representatives from the Council (Marsha Hanby and Ruth Schultz), the library (Jennifer Conragan and Aileen Droege), Town government (Jeffrey Metcalfe) and the public at large (Ken Fosdick and Lois Atherton), reviewed 115 proposals for artwork to be located at the Plymouth Public Library. The proposals included budgets with a maximum of \$12,000. This special project money came from escrow monies that had accrued for over a decade. Four semi-finalists were announced in March. The winner of the competition, Ernesto Montenegro of Claremont, N. H., was announced in June. He is currently working on his bronze sculpture entitled Bibliophile. A late January 1998, unveiling is planned. The public is invited to attend.

At the November meeting, Patricia Walker, field representative of the MCC, announced that Plymouth may be the host council of the South East Conference of the MCC in May, 1998.

A public meeting is planned in spring or summer to answer questions about the local arts granting process, to explain local guidelines for grant applications, and to discuss with townspeople their ideas on how the council might better serve them. This meeting will be announced in local media, by mailings, and by posters.

## **Inland Fisheries Committee**

This past year saw the Inland Fisheries Committee reach rock bottom with the resignation of longtime chairman Ron Peck, due to expanding business reasons. Once again the Committee was in name only leaving Dennis Griffin as the sole remaining member.

Within weeks the Committee rebounded from rock bottom to complete rebirth with the appointments of two new volunteers, Jeffrey Nelson and Robert Ness. For the first time in seven years the Committee was once again at full strength. The revitalized Committee set a new agenda and appointed Dennis Griffin as chairman. Several options were considered and it was agreed to concentrate on Town Brook and the restoration of its herring run as the Committee's first goal. This project has been in progress for several years.

With the aid of volunteers the entire length of the brook was cleared of brush and trash and kept clear all summer. The annual herring run of fish was very good with many thousands of fish in the brook from Water Street to Jenney Mill. Unfortunately, the quantity of fish was primarily the result of the Department of Fish and Wildlife hauling truckloads of herring from Bourne to Billington Sea over the past seven years. This action was necessary because the fish cannot pass beyond the Billington Street ladder. The four-foot wide steel pipe and cement fish

ladder are completely demolished and prevent fish from passing this point.

If the town were to reconstruct this ladder, allowing herring to continue on to spawn in Billington Sea, the Town Brook fish run would be restored and could be made self-sustainable with the sale of permits to take regulated numbers of fish each year.
